

EASTER SCHOOL 2019

As in previous sessions we are able to offer an Easter School programme of revision activities to support pupils as they enter the final stages before this year's SQA Exam Diet. Each day will consist of two sessions (morning and afternoon) and we will be able to provide transport for pupils to attend Easter School. Please note transport will only be provided to those who normally receive school transport.

Pupils will be asked to sign up for Easter School with departments by their class teachers – this will take place over the next few weeks. We will also communicate to parents/carers an overview of what your child has committed to attend – we look for your support in ensuring attendance (particularly where transport arrangements have been made).

We offer our thanks to staff for giving this opportunity for pupils during the Easter Holidays.
