

## Directory of Classes

### St. Joseph's Academy

#### Online Learning – January 2021

This directory is sorted by department, and then by teacher surname.

In most cases, pupils will auto-enrol in Teams or Google Classroom groups. The codes listed below can be used if a pupil cannot find the Team or Google Classroom. This guide also ensures that parents/carers know where to direct their children if pupils report that they cannot find work set.

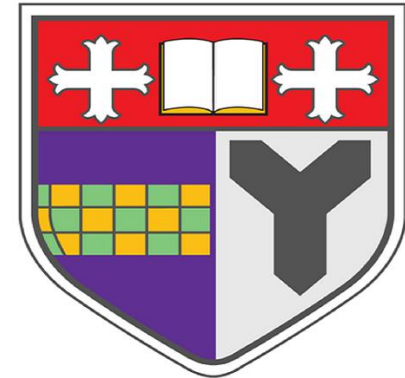

Please see this additional guide if you require help signing in to Glow, Teams or Google Classrooms. Parents/Carers of those in S1 or of pupils to have joined our school since August may benefit from reading the Teams and Google Classroom sign in guidance: <https://blogs.glowscotland.org.uk/ea/stjosephsacademy/2020/04/21/it-issues-guides-to-help/> .

Staff will endeavour to use Satchel:One (Show My Homework) to share deadlines with parents/carers. Thereafter, Teams and Google Classrooms are the main tools used to deliver online learning, with some staff issuing work via email.

Clicking on the name of a teacher will take you to the codes for their class groups.

If you are still unable to access content or have any enquiries at all, please use the contact us page on our website and we will direct your enquiry to the member of staff best placed to offer advice.
