

## My Favourite Time of the Year

2020 was certainly a year we will never forget however there were some special times throughout.

Each year lots of different things come around and your task today is to have a think about your favourite time of the year.

It may be your birthday, Easter, the Summer holidays, Hallowe'en, Christmas or possibly another memory you have.

These are some ideas for you to consider writing about in today's personal writing task.

Have a think about. . . .

- When your favourite time of the year is.
- Why do you like this time of year?
- Who do you spend it with?
- Do you have any personal traditions such as putting your Christmas tree up or dressing up as a character?
- Is there anything you eat such as toffee apples or birthday cake?
- Do you have any funny memories?

These are just some points you may consider in your writing, of course if you have any ideas then add them in too.

### Extension

Draw a picture of your favourite time of year.
