## When Is New Year?

In most countries, New Year is from midnight on 31st December to 1st January. New Year is celebrated in many different ways including parties, time with family and friends and watching firework displays.

## New Year Traditions

For some people, New Year is a time to think about what they have done in the last year. It may also be a time to think about things that they would like to improve over the coming year. People often make New Year's resolutions linked to things they want to achieve or change over the next 12 months.
