

The Robert Burns Academy Senior Prom 2022

This year's senior prom will be held at Lochside House Hotel on Thursday 16th June.

We kindly ask parents to take any family photographs prior to arrival at Lochside House Hotel. This is to avoid congestion on the main road and at the front of the hotel. We politely ask parents and carers to respect that other hotel guests will be entering and leaving during this time.

Attendees will be asked to enter the hotel when they arrive where they will then place their dinner order before making their way to the function suite, where professional photographs will be taken. Details of how to purchase these photographs will be shared with pupils on the evening. Please note that there will be no alcohol served during the prom and we expect the same high level of respect and behaviour that our senior pupils have shown throughout the year to be upheld at this event. Anyone who does not meet these expectations may be asked to leave.

Lochside House Hotel have also advised us that anyone wishing to travel home by taxi, should book this in advance as there may be limited availability. Please ensure that all attendees are collected by 11.45pm

A detailed itinerary for the evening is outlined below:
