

Home Learning Challenges

Chore time

Help fold the bedclothes after they have been washed and dried. How many fold do you need to make?

Active Maths

Shape hunter

How many different shapes can you find in your house? What is the most common shape?

Literacy

Log into Giglets (your details will be emailed) and read the first book assigned to you. Have fun trying out the features!

HWB

Colour the pictures from Charlie Mackesy on the blog. Think about the words as you add your colour.
