

P7 Overview Sheet

Term 1

The Curriculum

Below is an overview of the work which will be covered by the class this term. We hope you find this information beneficial.

Literacy

Reading - Begin class novel - these are different in each class. Pupils will be completing weekly tasks linked to the Active Literacy reading comprehension strategies including inferential, literal and evaluative questions, metalinguistics, summarising, visualisation and main ideas.

Writing - Developing key writing skills: Ambitious vocabulary, sophisticated connectives, interesting openers and accurate punctuation through a range of VCOP warm up games and vocabulary spotting in library books. Exploring different genres of writing - recounts this term. Focus on punctuation. Using Active Literacy Spelling strategies such as Elkonin boxes and diacritical marking to gain an understanding of new phonemes, and active spelling strategies to practise common words.

Talking and Listening - Class discussions during Newsround sessions, weekly check ins and getting to know each other activities and presentations.

Numeracy

Number Talks - Develop new mental maths strategies for addition and subtraction.

Place Value - including partitioning, recognising and using numbers up to and beyond 1,000,000, rounding and estimating.

There will also be a focus on a range of addition, subtraction, multiplication and division tasks to develop speed and accuracy.

Health and Wellbeing

HWB

Relationships (friendships)

Emotional Wellbeing
