

# Department of Social Subjects, RME & Citizenship

September 2023

## UNCRC FOCUS

### Article 1

Everyone under 18 is entitled to all of the Rights set out in the convention.

Eco Committee members attended the EAC Climate Conference at Loudoun Academy and got lots of great ideas to introduce in our school. Pupils got the chance to create coastal features using playdoh to consolidate their knowledge as shown in the image below.

S3 RME students learned about Muslim calligraphy at the fab lab and learned how to write their names in Arabic. The students are enjoying learning about Islamic belief, practices and history.

National 5 Modern Studies pupils visited Kilmarnock Sheriff Court to learn more about the criminal justice system.

Higher History have successfully completed their 1<sup>st</sup> timed essay of the year. This was completed to a high standard.

S3 History are continuing to investigate the Civil Rights Movement in the USA. They created newspaper articles on the murder of Emmett Till.

The S4 Citizenship elective has been focusing on sustainability using material from old t-shirts to learn crochet and create their own fabric coasters.

Our teacher of the month is: **Ms Wallace.**

**Q: What is your favourite thing about Kilmarnock Academy?**
