

Willowbank School has six Green Flags.

Eco is very much embedded throughout the school.

November 2018 KH

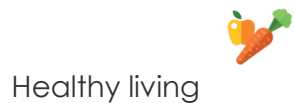

Be the best you can be!

The Ten Topics

Pupils will experience ten topics in total:

Eco throughout the year

Eco is very much part of our school ethos and there is a strong sense of community spirit with all parties including children, staff, parents, multi-disciplinary team and the local/wider community. We discuss Eco activities at our pupil council meetings and during our assemblies. Eco is also a focus each term and one activity is blogged every term to showcase to family and friends e learning taking place.

FAOL - ECO/SUSTAINABLE DEVELOPMENT - NO POVERTY

@ 8 NOVEMBER 2018 MOONBEAMS LEAVE A COMMENT

SUCCESSFUL LEARNERS, RESPONSIBLE CITIZENS, EFFECTIVE CONTRIBUTORS

The Moonbeams Class watched some animated clips about Global Goals. We particularly enjoyed Mr Bean's Global Goals clip. We looked closely at 'No Poverty' and made a poster displaying this global goal.

We grow our own food planters (potatoes, vegetables, herbs, fruit etc.) This is timetabled weekly in each class.

We have completed litter picks, re-used materials for different purposes especially art projects and also use our class recycling bins. The eco monitor reminds classes to empty their recycle bins.

The seven steps

We must follow the seven step framework in order to achieve the internationally recognised Eco-Schools Green Flag award.

- Step 1 Eco committee
- Step 2 Environmental review
- Step 3 Action plan
- Step 4 Curriculum links
- Step 5 Informing and involving
- Step 6 Monitoring and evaluation
- Step 7 Eco code

We have an Eco Code eco council has been completing regular checks and surveys around the school.

Classes have an eco-representative who is responsible for any eco matters. They remind others turn off lights when leaving rooms and turn off the projector when it is not in use.
