

What's happening Primary 3?

in

Numeracy and Mathematics

Our main focus this term will be place value and addition. Primary three have been learning to read and write numbers to 1000. We are now beginning addition sums with carrying. The children will be encouraged to record the sum using this format.

	Tens	Units
	3	2
+	3	9
	7	1
	1	

We will also be learning about 2D and 3D shape. The children will continue to revise and consolidate their multiplication tables.

Literacy

Primary three have been learning about silent letters this term. Our focus for reading will be to develop comprehension skills. Children will be encouraged to answer questions which will encourage them to gain a deeper understanding of the text. You can help at home by using the reading grid which is in your child's homework wallet.

PE

This term Primary 3 will have P.E on Tuesdays and Wednesdays. On these days it is helpful if the children wear a polo shirt and avoid wearing any jewellery. Please double check that everything belonging to your child has their name on it. Jumpers, jackets, skirts, shoes, bags, trousers and hats..... It all gets mixed up at some point!!!!

Harvest Service

Primary three will be leading the Harvest service in the church on Thursday 12th October. We look forward to performing our production of the 'Hooray for the Little Red Hen.'
