

Busby Primary Early Learning and Childcare Centre are pleased to announce that once again East Renfrewshire Council have made available the option for parents to purchase additional early learning and childcare over and above the entitled 600 hours where available.

Parents can book and pay for ad hoc sessions online, according to availability.

**All sessions must be booked and paid for at least 24 hours in advance and are non-refundable.**

This would help parents with those times when they need some extra childcare on a one-off basis like attending a medical appointment, going for an interview or just some shopping!

*Where wraparound is required to secure a reliable pattern of childcare parents should continue to sign up for regular wraparound or choose additional or extended hours provision.*

Speak to the nursery office or your child's key worker for more information, or log on to parent pay to see what sessions are available in your child's nursery.
