

# Busby Dance-a Thon

Dear Parent/Carer,

The P6/P7 Community Skills Academy will be leading a whole school Dance-a-Thon during the week beginning 4<sup>th</sup> February. We plan to teach all children from P1-P7 a dance that we have created. This dance will then be performed together and filmed in the playground. We are doing this in order to raise money for The Simon Community who support homeless people in Glasgow. We would like to request that each child brings in a suggested £1 donation for taking part in what we are sure will be a fun and energetic event for us all. We plan to use the money collected to purchase items from the Simon Community wish list which homeless people would find useful and help them survive.

Thank you for supporting our social enterprise.

P6 and P7 Community Skills Academy Pupils.
