## BUILD A SANDWICH DAY

Dear Parent/Carer

Your child will be able to build their own sandwich on Wednesday 23 March and below is a list of foods that will be available. There will be no other lunch option on this day. Please ensure that your child/children's account is in credit - as always you may pay online or on the reval machine in school.

In order to get an idea of numbers your child's class teacher will ask him/her tomorrow (Friday 18 March) if they will be participating.

Yours sincerely

*Ann Campbell*
