This meeting's business

1 Suggestions

There was a range of very good suggestions from each class including:

More Pyjama days: although it was recognised this should not happen too often

Consider matting under the activity trail: HT costed this to in the region of £3000, which is a lot of money. It might be better looking at other kinds of playground equipment for the winter months.

Playground Toys: HT to order more playground toys through the Sainsbury initiative.

P6 were unsure about the layout of the playground: HT to speak to support staff about this.

2 Activity Trail

Pupils are unclear about the rota for the Activity Trail. Musa and Hannah will speak to Mrs Young and agree a rota for the Activity Trail. They will design a poster and explain it to the school at assembly on Friday, then display posters around the school.

3 Toilets

There was a discussion about the mess of some toilets and the behaviour was not always appropriate. Following discussion it was agreed that Lucy and Ibrahim would create a presentation and deliver it at assembly on Friday 15th November.

4 Pupil Council Meetings

It was reinforced that all classes should have a suggestion box that everyone knew about. Pupil Councillors to ensure their class had a circle time before and after every pupil council meeting. Mrs Loudon will send round a poster with the dates of all meetings, this should be displayed on the notice board of every class.

Any other business: None
