Session 2017/18

Jan-Mar '18

Curriculum News

Welcome back after the Christmas holiday. We hope you all had a relaxing break. This term we will be focusing on exploring different places in Scotland to develop an awareness of the ways we remember and preserve Scottish history. We will also be researching an important individual within Scottish history.

In Art, we will be using different media to create images and objects related to our Scotland topic.

This term we are looking forward to our visit from the football coach in PE, where the children will be learning to develop their dribbling, control and teamwork skills.

Helpful Homework Hints

- Homework is issued on a Tuesday to be returned the following Monday.
- Homework will reinforce concepts taught in class and will usually comprise some spelling, reading and mental maths.
- For greatest impact, mental maths questions should be read aloud by the homework helper and children's answers recorded. Any incorrect answers should be discussed but it is useful for the teacher to see children's errors in order to follow up in class.
- Please ensure homework diaries are signed weekly
Many thanks for your support

General Information

Our Class Blog is now accessible through the school website: <https://blogs.glowscotland.org.uk/er/ewhcfclassof2023/>

Primary 2 enjoy sharing their learning and this is a great way for you to keep up to date with the learning in class!

Primary 2 have PE on a Monday and a Wednesday. Please remember to bring suitable clothes for outdoor activity e.g. jogging trousers/ waterproofs.

Learning Links

On World Book Day (Thursday 1st March) we would like to invite parents/guardians to a 'stay and read' session. This would be a twenty minute slot for you to read with your child and interact with a variety of texts. More information will be issued nearer the time.

Celebrating Achievements

We would like to offer opportunities in class for children to share and celebrate achievements with their peers. We regularly celebrate success within school and we would also welcome your child to share any extra-curricular achievements out-with school. Should your child have anything they wish to present to the class, there will be time allocated on a Friday afternoon.
