Primary 3

Session 2017/18

Jan-Mar '18

Curriculum News

Primary 3 have had a wonderful first term and have developed lots of new skills which they have been applying throughout their learning. This term our Science focus will be on patterns and movement of the Earth, sun and moon and how this affects the length of a day, month and year. We will be developing our note taking skills through our Science topic and will be using these to create new texts. We will continue to enjoy our visits from the music specialist and will use the skills we have developed in our Spring Show on Wednesday 21st March.

Helpful Homework Hints

- Homework is issued on a Tuesday to be returned the following Monday.
- Homework will reinforce concepts taught in class and will usually comprise some spelling, reading and mental maths.
- For greatest impact, mental maths questions should be read aloud by the homework helper and children's answers recorded. Any incorrect answers should be discussed but it is useful for the teacher to see children's errors in order to follow up in class.
- Please ensure homework diaries are signed weekly
Many thanks for your support

General Information

Our Class Blog is now accessible through the school website: <https://blogs.glowscotland.org.uk/er/EWHCFClassof2022/>
You can also keep up to date with our current activities by following our new Twitter page [@Crookfur2022](https://twitter.com/Crookfur2022).

Primary 3 enjoy sharing their learning and this is a great way for you to keep up to date with the learning in class!

Primary 3 have PE on a Wednesday (P3b) and Friday (P3a). Thursday will be our outdoor PE session for both classes. Please remember to bring suitable clothes for outdoor activity e.g. jogging trousers/ waterproofs.

Learning Links

In Primary 3, we are keen to embrace digital learning and have established a Yammer page for the children to connect and share with each other in a safe online environment. The children are aware of the community rules of Glow, which have been sent home. Pupils should ensure these are followed, and regularly reinforced, when communicating online.

Celebrating Achievements

In Primary 3, we are keen to celebrate all children's achievements, both in school and out with. When your child accomplishes anything inside or outside of school, they can share this with everyone in the school community through the following link on the school website:

<https://blogs.glowscotland.org.uk/er/Crookfur/pupils/achievements/>
