

# The West Partnership

## ESOL Family Learning: College - School Partnership for Effective Delivery

Wednesday 15 November

4pm-5pm

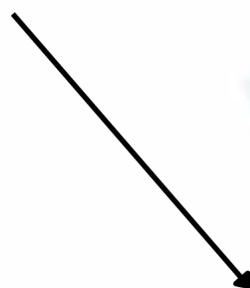

The session will focus on how effective partnership working between Glasgow Clyde College and St Joseph's Primary school impacted on family and child learning within the EAL group of Refugees, Asylum seekers and non-native speakers. The session will show how delivering both certificated and non-certificated learning to parents and families, has driven up parent participation, skills and confidence and impacted on child attainment.

### Who is this session for?

All interested staff, within the West Partnership, working across all sectors

*The lobby for the sessions will open at 3.45pm, with participants being allowed in prior to the session starting at 4pm. We will finish presenting at 5pm.*
