

Hopot trip and pupils' feedback

Yesterday I went on a Mandarin trip to the West end of Glasgow. The best trip all year, because it took us to a very nice Chinese hotpot restaurant where all the food was amazing, especially the rice, the noodles and the beef. Afterwards we had a group photo and went to a Chinese bubble teashop to get some juice, overall the best trip ever. -Odin-Mackenzie (2a3)

Yesterday, I went on a trip to a traditional hot-pot restaurant called 'Running Chilli'. The food was very nice and it was fun making our own food, as it was not something we had done before. It also

allowed us to practise basic phrases with the waiters. Overall, it was a very fun trip and something I would love to do again. - Cameron 5a2

I had the chance to go on a trip with the Mandarin Department to a Chinese restaurant. I enjoyed exploring Chinese culture and food and practising my Mandarin with servers who were fluent. I enjoyed learning how to use a hotpot and I can't wait to try it again! – Grace Kelly 5a4

I attended the Mandarin Hotpot lunch and really enjoyed it. I found it a very nice opportunity to enjoy some Chinese food and spend some times with my Mandarin classmates. We also visited a bubble teashop and went back to school. I found this amazing and I will definitely visit the restaurant again! – Alicja Wladyslawska 4a7

Yesterday, I attended a Mandarin trip to a traditional hot-pot restaurant. The restaurant called 'Running Chilli' was different from typical restaurant set up, because you cook the food by yourself at the grill on your table. We tried the food we wanted on the menu and ate some rice and man tou (Chinese bread). The food was served quickly and then we began to cook the meat. We spoke to the waiter by communicating with some Chinese greetings we had learned. The food was delicious and the flavours were different and spicy but everyone loved it. Afterwards, we got bubble tea from 'T4'. I had a 'honey peach royal tea with white bubble pearls'. Overall, this was a great experience as we practised our speaking skills, had fun, and learned cooking skills. This was an amazing trip!- Sophia Laurie 3a2
