

Every year thousands of children across Scotland take part in the annual Summer Reading Challenge.

This year, things are a little different. East Renfrewshire Libraries will be supporting the Digital Summer Reading Challenge to encourage children to continue to read for pleasure over the summer months.

From Friday 5th June:

There will be lots of fun activities and incentives thanks to the Silly Squad and children can borrow brilliant, multiple access free ebooks and eaudio-books from our collection with their library card.

To take part in this year's Digital Challenge visit:
