- We will celebrate a variety of cultural and religious festivals throughout the year that are not listed on the calendar. We like to tailor these to the interests of our children and their families. Please let us know if there is a festival that is important to your family so that we can share it with our children.
- The holidays shown on the calendar relate to term time, school holidays. Our centre is normally open during the October week, Easter break and the Summer holidays and when we are closed it has been shown on the calendar. These holiday sessions can usually be booked and we will let you know during the year when the booking opens.

- There may be occasions when some dates will require to be changed and other activities and events added.
