

Moving on to school

After the summer you will start school. You will be in Primary 1.

What do you know about going to school?

You can talk about it together, and write down what you know in the box:

A large, empty rounded rectangle box with a black outline, intended for writing down information about going to school.A large, empty rectangle box with a yellow outline, intended for writing down information about going to school.

Going to school is very exciting for you, and for your family.

You'll be very busy learning to read and write words and count. And you'll make friends and have fun too.

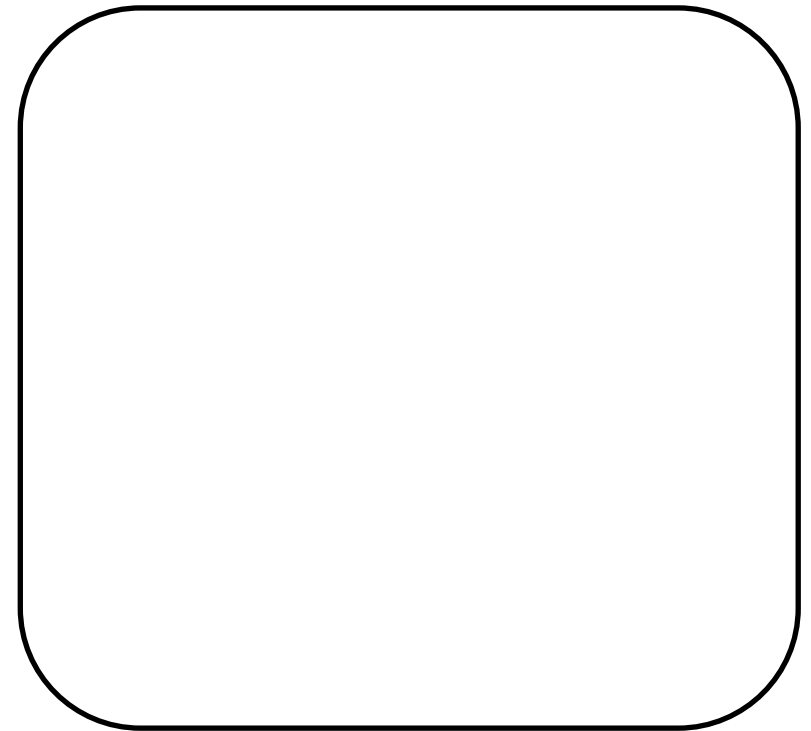

Remember that there are lots of people who will help you and make sure that everything is ok.

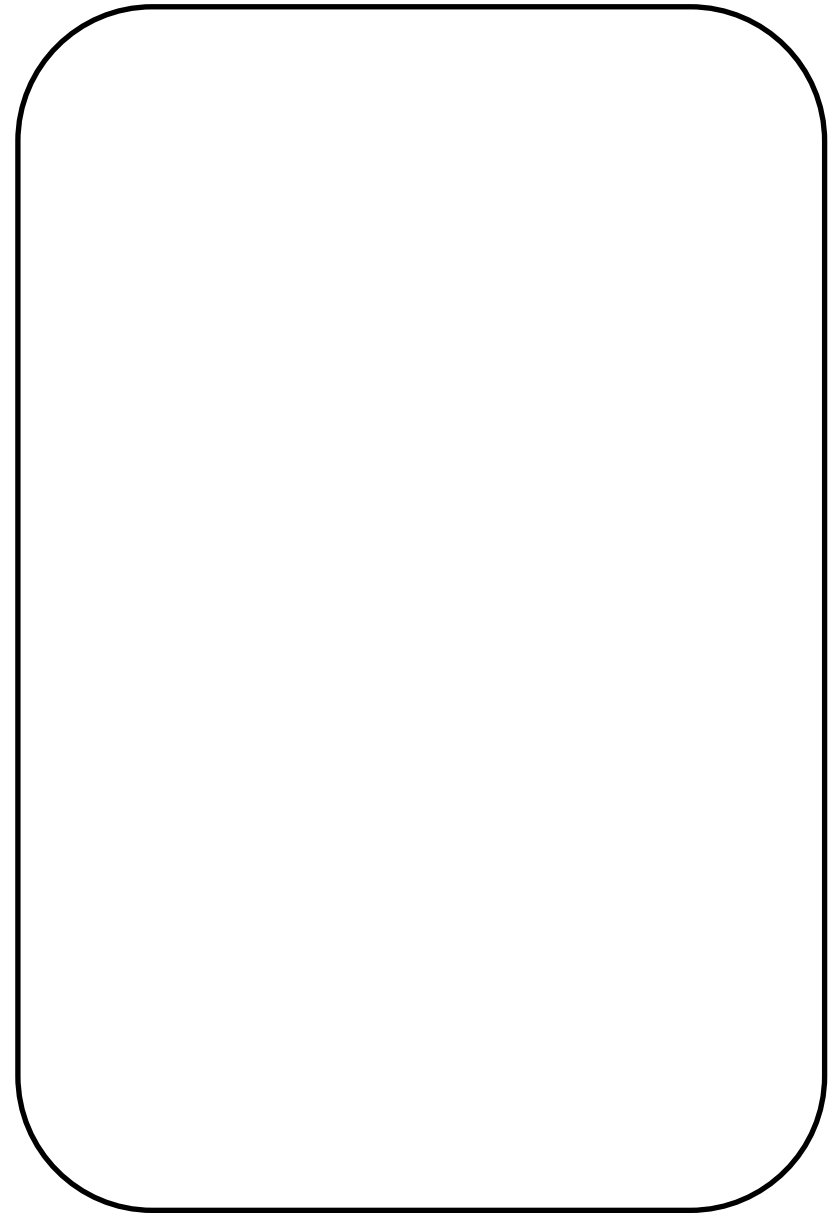

How do you feel about going to school?

What are you excited about?

Is there anything that you are worried about when you think about school?

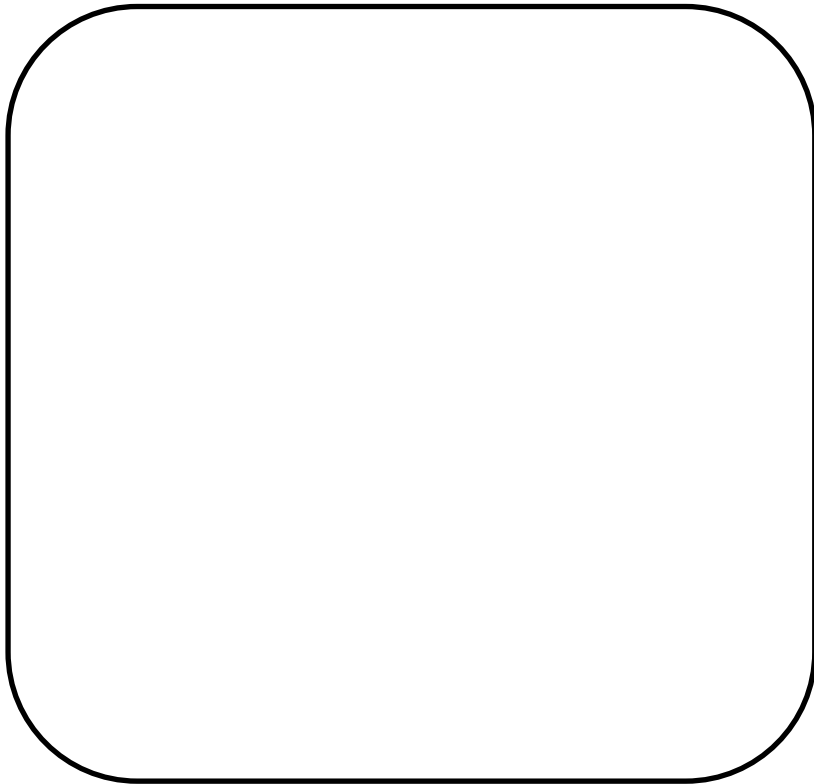

When you go to school there are lots of people who can help you. Here are some of the people who will help you when you start school.

School Uniform

Children wear a uniform when they go to school, and have a school bag too. You can draw your uniform in these boxes when you get it!

Teacher—your teacher will help you to learn lots of new things,.

Other teachers—there are lots of teachers in the school and you can ask them for help too.

Office Staff—there are people who work in the office at school.. Like Shona and Lyndsay at Arthurlie.

Janitor—the janitor looks after the school building and playground to make it safe.

Cleaners—they make sure the school is clean for us every day.

.

Making Friends

There will be other children in your class too. There might be children that you know already, and there will be new children that you will meet and get to know.

If someone is by themselves
what could you say to help them?

What can you do to be a good
friend?

What could you say to other children
if you want to play with
them?
