

Moving On Ceremonies

Our pre-school children are nearing the end of their time at nursery, which seems to have raced past at double speed! We all have so many happy memories of all the fun and learning that we have enjoyed together.

We will be holding Moving On Ceremonies to help us celebrate with the children. Due to ongoing Covid restrictions parents are unable to attend these ceremonies, however our staff are working hard to make these events special for your child. Each child will attend a ceremony to receive their certificate, special gift and photograph; there will also be songs and some favourite games too.

Our Moving On Ceremonies will take place during the week beginning Monday 14/6/21. You will receive a text to let you know the day and time which your child's ceremony will take place. Please contact the Centre if this day doesn't suit.
