

Continuing to improve your education

Our plan: 2023–2026

Everyone Attaining ✓

- Continue to focus on raising the attainment of all pupils
- Make sure my learning is challenging and enjoyable
- Continue to focus on improving the support in numeracy, maths and literacy for all learners
- Continue to prepare me for my future and the world of work.

Everyone Achieving ✓

- Develop strong leaders in all our schools and nurseries that support our learning by using the most up to date research and approaches
- Give opportunities for my parents / carers to be involved in my learning
- Support the improvement of STEM and digital learning
- Work in partnership with East Renfrewshire Culture and Leisure and others to provide high quality opportunities for achievement that are recognised and celebrated.

Excellent Experiences ✓

- Continue to provide opportunities to support my health and wellbeing
- Provide quality learning programmes for staff to help them improve learning for pupils with additional support needs
- Continue to develop new approaches to providing music lessons in all our schools
- Build an approach to life in schools that supports a socially-just, sustainable and equitable society.

Our Vision: Everyone Attaining, Everyone Achieving through Excellent Experiences
