

PARENT/CARERS GETTING CONNECTED

Are you a parent/carer of a **girl** with Asperger's?
Would you like to meet up with others in the area
doing the same?

We'd like to invite you to come along to our very informal session, to have a chat, relax and have a drink (a soft one on us, others as you wish!). In addition, Louise from the Local Area Coordination Team would like to chat with you during the evening and find out what you think is needed in the way of group supports/activities for your daughters..

At
The Osprey (Back Room)
