Dear Parent / Carer

Over recent years, we have been able to offer a range of residential experiences, both in this country and abroad, to the pupils of Barrhead High. I strongly believe that school excursions offer pupils valuable learning experiences and are often what pupils (and staff) look back on as special memories in their schooling.

We have attempted to provide a range of trips of varying costs and locations – France, Switzerland, New York. Our Adventure Trip for S1 has been very successful in offering a relatively low-cost experience as a taster for S1 pupils.

We have been considering opportunities for the coming session(s) and staff have made a number of proposals for possible trips. I would not expect all of these to be able to run, but I wanted parents and pupils to know all the possibilities and have a chance to indicate their interest at this stage. An approximate cost has been included.

If your son/daughter is interested in a trip, please indicate it below and return the form to the school office. It may be worth indicating a second choice, if they have one, in case the first choice does not receive enough support to allow it to run.

Please be aware that pupils require to be consistently on the merit list to be eligible to participate in a trip.
