Foundation Apprenticeships

Gail Paterson from Glasgow Kelvin and Sharon Rodgers West College Scotland both attended to deliver a presentation on Foundation Apprenticeships and answer parental questions. Literature issued to those in attendance.

Disabled Bays

Disabled bays at the front of the school now have signage. Still some issues with people using them in the evening but situation appears to be better.

Heritage Lottery Funding

Heritage Lottery funding for the 'Time in Tiles' project has not been granted. However, feedback has been provided and we have been offered a place on a workshop which will provide guidance on applying for a lottery grant.

Merit List

No issue from ERC in publishing names for the merit list on school website. Lists will be published and parents can request to have their child's name removed if they wish.

Parent Support Group

Only 2 parents attended the last session. The next session will be on Dec 3rd from 5.30 – 6.30. The Campus Cop will attend this session to discuss internet safety, this will be followed by a workshop on de-stressing techniques.

Treasurer's Report

Bank account currently has £2947.71, of this £1959.01 belong to Young Person's Services. Parent Council has raised £437 from the raffle which was won by Mary Turbun.

School Report

Information shared work of the Quality Improvement Group and our current review.

Technical and Computing posts advertised.

Mr Sinclair gave an account of our Remembrance Inter Disciplinary Event.

Miss Potter thanked Mrs Palmer for contributing to a recent staff training session.

Issues with the phone lines on occasion. Parents advised if they are experiencing problems to try emailing a member of staff to alert them.

Mrs Hepburn has proposed using the school car park for a car boot sale in the springtime.
