

BARRHEAD HIGH SCHOOL

WEEKLY NEWSLETTER

Monday 14th September 2020

Announcements

- Digital homework club. From this Wednesday, pupils in S1-3 can join Miss Bryce in room 217 at lunchtime to access a computer to complete any homework that requires accessing technology away from school.
- S1 had a wide variety of options for lunchtime clubs this week and engaged very well. From Monday, S1 will have break and lunch at the tables and first 4 rows at the bottom of the big steps. They will go straight from their lunchtime club to p5.
- Congratulations to all pupils who are on the first merit list this year. If you are on this merit list, you have earned at least double the amount of merits to demerits, arrived on time to school and have kept good attendance. The merit list will be available to view on the school website and on the glass at the school library. Young people on the merit list will receive their reward this week.
- The S1 Creative Writing club was successfully launched in Room 105 this week. Come along on Tuesday (junior lunch) and bring your inventive ideas for your next masterpiece! Mrs Paterson is leading the club and will have all sorts of creative stimuli for you if you are looking for a challenge - but this is YOUR club and you can use it to work on whatever piece of writing you wish. There are some lovers of horror, mystery and fantasy already involved and we are expecting great things from them. Work on your own - or as a team - it's up to you! Looking forward to seeing you.
- **Senior School Careers Information.** S6 pupils will shortly be beginning work on Personal Statement writing for college and university applications. It is essential that all pupils planning on applying for college or university this year look at the virtual work insight and virtual work experience opportunities in their year group Google Classrooms. Pupils should sign up for relevant online workshops to enhance their applications. A huge variety of opportunities can also be found at www.dyw.scot.
- **SDS - Careers Advice.** Any senior pupil (S4-S6) seeking career pathway advice should speak to their Pupil Support teacher who can arrange an appointment with our Careers Advisor Claire Anderson.

★ Achievements ★

- Congratulations to Kym (S4) who was nominated for a Young Scot award this year for her volunteering in the community. Well done Kym, this certificated is very much deserved!
- Lauren (S1) has been selected to train with the GB Taekwondo development squad. This is a huge achievement, well done Lauren!
- Stephen (S3) was a guest, along with his family, on the MMA UK late show last week. Stephen spoke very well about his involvement in MMA, and you can find the interview online.

Right of the week- article 14

Every child must be free to express their thoughts and opinions and to access all kinds of information, as long as it is within the law.

S3 Biology cells

Creative story task

Mark then sneaks up behind him and throws Jim into the burning taxi. Jim's nucleus catches fire and thinks this is the end. Then Jim's neighbour Susan the bacteria Puts the fire out with a fire extinguisher. But Mark is nowhere to be seen...

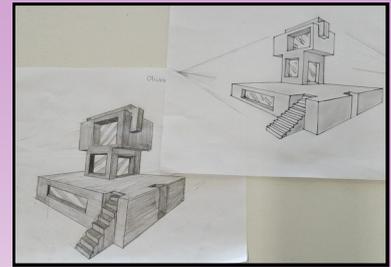

He had to be quick so he jumped in the shower and cleaned his cell membrane, nucleus, ribosome, his cytoplasm and mitochondria so they were nice and clean. He got out of the shower and dried off. He then made his nucleus look shiny and he sprayed his aftershave "eau de cell" on him. Wilbur the animal cell rushed out the door and got into his car.

Once upon a time, there was a animal cell named Bob, Bob was just your normal animal cell but he had something wrong with his nucleus. When it controlled the activity he did, it was a bit delayed so he was always a bit slow.
