

Patient Advice and Support Service

The Patient Advice and Support Service (PASS) is part of the Scottish Citizens Advice Bureau Service. It is independent and provides free confidential information, advice and support to anyone who uses the NHS in Scotland. It also advises and supports people who wish to give feedback, make comments, raise concerns or make a complaint about treatment and care provided by the NHS in Scotland.

PASS works with the NHS to use feedback to improve services. The service is provided by individual or consortia of bureaux's in each NHS area. Every health board area in Scotland has one or more specialist Patient Adviser.

The Patient Adviser based in East Renfrewshire CAB supports clients in the areas of East Renfrewshire, Greater Pollok, Renfrewshire and Inverclyde.
