Achievements

A huge congratulations to Grace (S4) who recently took on the 21 day challenge for World Down Syndrome Day. Grace learned and recorded a new song every day for 21 days. You can see a clip of some of the songs Grace learned on the school twitter page.

Congratulations to Tyler (S5) and Kira (S6) who are finalists for the Young Scot awards 2021. Both girls have been volunteering with the Includeme2 club in Barrhead and this nomination is to recognise their incredible work during lockdown.

Congratulations and thank you to Becca (S4) who co-ordinated and created a video from staff to pupils. The video shares a message to pupils of how proud your teachers are and how much they are looking forward to having everyone back in the school building. If you haven't seen the video yet, you can watch it on the school twitter page.

Our trip to Dharavi

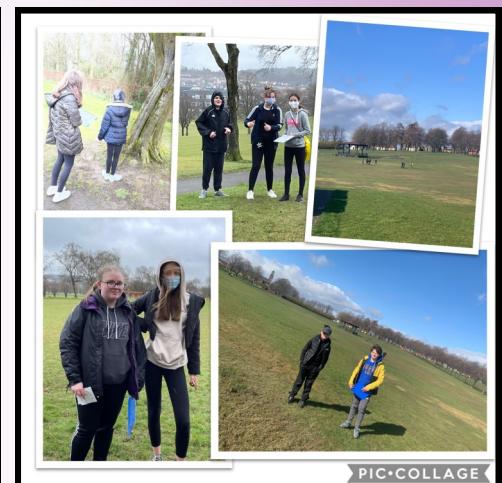

We were in India for a family holiday and decided to visit Dharavi for a few days. The tours we went on were very educational; we met lots of different people that taught us lots of new things! It was great to see children going to and from school and seeing how different life in Dharavi is from life in the UK. It was overall a great trip and would totally recommend!

Excellent trip

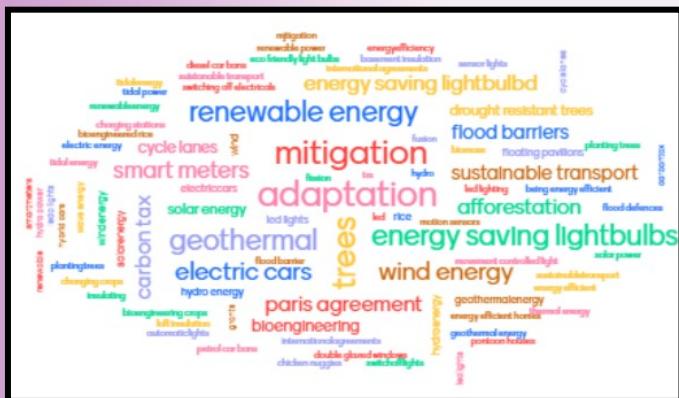

Dharavi, in Dharavi everyone has something to do or have a place to work so that they can get money and support their family. The place is dirty but everyone helps each other and are friendly. They might not be as rich as other people but they help each other and work very hard to get what they want.
