

## Barrhead High School

Dear parent/carer,

You will be aware of the high rates of Covid-19 across East Renfrewshire. It is important we all remember to stay vigilant and continue to reinforce all of the safety measures that we have all worked hard to implement over the last year.

I know there has been a really strong take up of the at home test kits by pupils. Please continue to ask your child to collect tests from the office.

If you have not signed up you can complete the form and ask your child to collect the tests.

### **Parents' Evening system**

All parents have now had the opportunity to trial the online system. It is important that parents decide how they would like to move forward next session. The choices are:

1. Use the system to book your appointments for the evening, however return to face to face appointments.
2. Use the system to book appointments and continue with virtual appointments.
3. Return to learners making appointments directly with teachers using the paper appointment sheets.

Your evening, your choice! Click [here](#) to have your say.

### **FREE Bike Marking Event**

Police Scotland have asked me to share that you can take your bikes to Rouken Glen Park at the Pavillion on Saturday 12th June from 1030-1600pm if you would like to protect your bike from theft.

### **SQA**

Please note the following dates to ensure no surprises for learners:

- By 4<sup>th</sup> June- Individual component (e.g. History has 3 components) assessment results shared before timetable change.
- By 7<sup>th</sup> June- One off performance results shared e.g. PE/Woodwork model/French speaking / Drama performance/Music performance/Hospitality performance
- 16<sup>th</sup> June- overall results shared via Pastoral support.

### **School uniform**

Reminder of our uniform policy as you prepare for next session. We will consult with learners and families regarding braiding in S6. This is possibly an unnecessary cost. Happy to hear your views.

Learners are also working with us to choose a new kilt (this would be a choice). New S5/6 are keen to explore this option. We will be in touch with further information. There would be no cost to families as the kilts would be returned to the school when learners leave school.

- Learners must have black shoes. Converse trainers or trainers that are not all black are not part of the uniform.
- All learners require a blazer. Please contact us if you require support as we have a supply.
- No hoodies apart from during PE.
- Skirts should be knee-length.

Best wishes,

Fiona Johnston
