INTRODUCTION

S5/6 Course Choice

Making the right course choices in S5 and S6 is a very important part of your educational development. The choices that you make at these times are crucial to your educational future and your possible career thereafter. It is vitally important, therefore, that you take the option choice process seriously and that you give it your full attention and commitment.

It is important that your course choices are based on full and accurate information. This document is a starting point and contains details of each of the courses on offer. You should read it carefully. You should also discuss your course choices with your family and friends as this will give you every opportunity to think through your decisions.

You will, of course, receive advice and support from staff in the school. You will have a formal options interview with your pupil support teacher; however, by this point you should more or less know what subjects you are planning to take. If you are unsure, you should speak to your pupil support teacher and/or your subject teachers prior to your options interview. In addition to this, you can request a careers appointment through your pupil support teacher. It is essential that those of you who are considering further study at college or university check carefully which subjects are essential for your preferred courses. You will find this information by checking the prospectus or website of the college or university concerned. Again, speak to your pupil support teacher if you need help.

Your course choices are vitally important to your future. Think carefully before you make any decisions and remember to seek advice if you are unsure.

This is an important stage in secondary school. At the end of fourth year, you are faced with a number of possible choices:

- Stay on for a fifth year

OR

- Stay on until Christmas of fifth year if you have not reached school leaving age by the end of fourth year*

OR

- Take up full-time employment/training

OR

- Apply for a college course - Further Education

If you are considering leaving school, it is crucial that you have an interview with the Careers Officer. You should also be discussing your plans with your pupil support teacher and using the internet to research career areas.

A useful website is www.myworldofwork.co.uk

The Careers Library within the school also contains information on careers, modern apprenticeships and other relevant pathways.

If your choice is to continue at school, you should still be making use of the Careers Library to help you select appropriate subjects to study next year.

All students entering fifth year must:

- a) Choose English at the appropriate level
- b) Choose four other subjects that they are currently studying in S4 at the appropriate next level
- c) Have a full 33 period timetable

*Official school leaving dates are as follows:

You may leave at the end of May 2025 if you will reach the age of sixteen on or before 30th September 2025.

You may leave at Christmas if you will reach the age of sixteen between 1st October 2025 and 28th February 2026.

Choosing Subjects

When you were choosing your subjects at the end of second year; you were advised to keep a balanced set of subjects and not to cut out any subjects which might be important later on. This time, you should be thinking more selectively about which subjects to take.

You should take the following factors into account

- Choose subjects that are essential for your chosen career area / university or college course
- Choose the subjects that you are most likely to pass at the next level and at the highest grade
- Choose subjects that you enjoy
- Keep a balanced range of subjects if you are still unsure of a career area

The correct choice of subject is vitally important. In S4 you studied eight or nine subjects, whereas in S5 you will be studying 5 subjects.

You must choose a sensible set of subjects, especially if you intend to go on to Higher or Further Education. To ensure progression you must choose the correct LEVEL to study in each subject. The 5 subjects will be chosen from the eight or nine subjects that you are currently studying. (NB this can include PE and RMPS).

You should by now have some idea of the kind of Higher Education, Further Education, training course or career for which you are aiming and you should be aware of any subjects that you require to study in order to achieve that aim. It may be difficult for students to decide which other subjects to choose. You should speak to your class teachers, Pupil Support teacher and your parents who can all advise you of your realistic prospects in your proposed course.

If you are considering applying to university, particularly for courses such as Medicine, Veterinary Medicine, Dentistry, Physiotherapy and Pharmacy you are advised to consult the university website and/or telephone the admissions officer, as the entrance requirements can change from year to year.

At the end of fifth year, you are faced with a number of possible choices:

- Stay on for a sixth year
- Apply to Higher Education
- Apply to Further Education (you should be applying for this now)
- Take up full-time employment/training

If you are considering leaving school, it is crucial that you have an interview with the Careers Officer. You should also be discussing your plans with your pupil support teacher and using the internet to research career areas.

A useful website is **www.planitplus.net**. It is your future -ensure you make a sensible and informed choice.

All students entering sixth year:

- a) should choose at least 4 subject options
- b) have the opportunity to take judiciously chosen "crash" subjects
- c) can attend work experience placements as part of their timetable
- d) can attend additional college placements
- e) can volunteer as a Peer Tutor

In sixth year, students are expected to take greater responsibility for their learning and use their non-class time profitably.

Making the best use of this time can be quite complex and involves careful advance planning and disciplined working.

If you find this difficult, ask your pupil support teacher for help.

Higher Education

Universities are keen to encourage applicants to pursue their studies to a more advanced level in Sixth Year. Students who meet or exceed the minimum university entrance requirements after Fifth Year are recommended to study at least one (and preferably more) subject at Advanced Higher level.

However, it is not always advisable for students who have not met the minimum university entrance requirements to take Advanced Highers. The universities will continue to look for breadth of study across four or more subjects; it is, therefore, vital to select more Highers in these circumstances. For example, if a course has a minimum entrance requirement of BBBB and a student achieves AACC or BBCC at Higher, taking two Advanced Highers in the subjects in which the As or Bs have been gained will not help the applicant reach the minimum requirement.

Pupils should instead concentrate on improving their qualifications across the broad range of subjects, as opposed to specialising in the areas in which they have already performed well.

Students should note that for certain courses, such as Veterinary Medicine, Advanced Highers are compulsory. Please consult the appropriate university website for more information.

GENERAL ADVICE

“Crash” Subjects

Only students in S6 can take a “crash” Higher - i.e. in a subject that they have not previously studied to National 5 level. Advice should be sought from the relevant subject principal teacher and also from your pupil support teacher as this is not an easy option. Similarly, students may choose to “crash” at National 5 level.

Career choice

Students planning to take up full-time employment or training after sixth year should take advice from their pupil support teacher and from the Careers Officer on appropriate subject choice. There are a variety of vocational options within the vocational programme which may be of relevance and interest. Students can take a combination of school based courses and college based courses.

Pupil Support

Your Pupil Support teacher will be able to advise you about the balance of subjects you are considering, and their appropriateness in the light of your progress over the past few years and in the context of any career interests you may already have.

Subject Teacher

Your current SS teachers will be able to tell you whether you have a realistic chance of success if you take that subject to a more advanced level. Ask them!

If you are thinking of starting a new subject or “crash” subject, be sure that you really understand what will be involved -

how much practical work, how much written work, how much homework, what work you might need to catch up in your own time - the best person to ask is the principal teacher of that department.

Careers Interview

Any pupil in the school can request an appointment with the Careers Officer at any time. A self-referral system is in operation - please speak to your pupil support teacher if you wish to request an interview.

Vocational Programme

East Renfrewshire Council and Barrhead High School have developed a very successful vocational programme providing young people with the opportunity to achieve qualifications and a progression route that fits them best, and that will serve their interests, talents and ambition.

Pupils interested in college based options should see their pupil support teachers to find out more. This will not commit pupils to a course but will give them, and their parents, the opportunity to consider the courses available so they may make a relevant and appropriate choice. On the school option form there is a box to tick if pupils are interested in work-related courses. Pupils who tick this box will be given the opportunity to find out more about the specific courses on offer as further details become available.

Foundation Apprenticeship

Foundation Apprenticeships are a work-based learning opportunity for high school pupils in SS Pupils for 2 Year Model / S6 for Shorter Duration Delivery Model. Pupils will spend time out of school at college or with a local employer, and complete the Foundation Apprenticeship alongside their other subjects. The qualification has two delivery models, the two year delivery model and the shorter duration delivery model (one academic year) and is linked to one of six key sectors of the Scottish economy, so young people are getting industry experience which will help them kick-start a successful career in their chosen field.

Please note: this option will be considered 2 of your S6 subjects. You will travel independently by bus or train - travel tickets should be kept as you will be reimbursed.

Pupils interested in Foundation Apprenticeships can obtain more information from their pupil support teacher.

You may wish to source a work placement yourself.

This would need to be health and safety checked by Gateway Service.

CHOOSING THE RIGHT COURSES

To maximise attainment and post school opportunities it is essential that pupils choose courses that build on strengths from prior learning.

Each year we see pupils withdraw from courses during the academic year, often courses they were advised not to take. When the exam results then arrive through the door, or by text, there is one less opportunity for these pupils. We want to ensure that all pupils choose courses that optimise their chances of success.

- Every S4 pupil will have a one-to-one interview with their Pastoral Support teacher to discuss their option choices for S5.

Progression from National 5 to Higher Charts

The charts below show ERC pupils who sat N5 exams in 2018 and Higher in 2019:

		N5 Grades		
		A	B	C
% pupils passing Higher	Admin	100	89	83*
	Art & Design	97	78	38*
	Biology	98	74	63*
	Business Man	98	85	50
	Chemistry	99	67	33
	Computing	97	56	54
	Design & Man	94	80*	33*
	Drama	98	88	na
	English	96	68	32
	French	98	80	na

e.g. For a pupil who gains an A-grade pass at National 5 Biology, the table shows they have a 98% chance of passing Higher Biology. The statistics also show that attaining an A-grade pass at National 5 does not ensure a Higher pass e.g. in Maths 5% of these pupils fail to pass the Higher.

		N5 Grades		
		A	B	C
% pupils passing Higher	Geography	98	91	67
	Graphic Comm.	100	100	55
	History	91	70	50
	Mathematics	95	60	30
	Modern Studies	100	83	27
	Music	98	90*	na
	Physical Education	100	90	75
	Physics	99	75	54
	Spanish	95	43*	na
	*data based on 5-10 pupils / na less than 5 pupils			

It is essential that pupils, teachers and parents work together. This will ensure pupils use all information available to make the right choices and maximise their opportunities.

BACKGROUND

What is East Renfrewshire's Vocational programme?

East Renfrewshire's Vocational Programme brings various council services together with local employers and colleges of further education, to provide a range of stimulating vocational courses for pupils. The programme currently offers approximately 500 places providing a broader range of options for East Renfrewshire pupils entering 5th or 6th year (with S4 places available) offering them the opportunity to study for a vocational or national qualification together with their other subjects.

Who can apply for a place on the programme?

Pupils attending East Renfrewshire secondary schools who are about to enter 5th or 6th year (S4 are eligible). Places are limited; therefore pupils will be nominated and interviewed by their school prior to a place being offered. If courses are oversubscribed or pupils are unsuccessful they will be placed on a reserve list and advised if a place becomes available.

How is the programme delivered?

Courses run during the academic year and will be delivered within the school week. Locations and duration are given in the appropriate programme page. Pupils do not attend during in-service days, exams, public holidays and/or school holidays.

What is a Foundation Apprenticeship?

A Foundation Apprenticeship can help young people gain valuable, real-world work experience and access work-based learning while still at school, closing the gap between the classroom and the workplace.

By giving young people earlier exposure to the world of work, we're helping them develop the skills, experience and knowledge they'll need when they leave school.

For young people it's the chance to get a head start on their careers by gaining an industry-recognised qualification, work on real projects and broaden their career options when they leave school.

And for employers, it's the chance to attract highly motivated and committed young people who are willing to learn, identify young people who are right for their business and ensure their organisation has people with the skills they need.

Learning in the workplace

Foundation Apprenticeships are a work-based learning opportunity for secondary school pupils in S5. Young people spend time out of school at college or with a local employer, and complete the Foundation Apprenticeship alongside their other subjects like National 5s and Highers.

The qualification takes two years to complete and is linked to one of six key sectors of the Scottish economy, so young people are getting industry experience which will help them kick-start a successful career in their chosen field.

A Foundation Apprenticeship can lead straight into a job, further study at college or university, or a Modern Apprenticeship

You may wish to source a work placement yourself. This would need to be health and safety checked by Gateway Service.

GENERAL INFORMATION

Joining

- All secondary schools in East Renfrewshire participate in this programme, so places are limited. The vocational programme office and your school can provide you and your parents with further information on each option and its availability
- You will discuss with your Pastoral/Pupil Support Teacher the most suitable course
- Prior to starting and once your place has been confirmed your parent or carer must complete a “joining form” available online
- The joining form provides permission for you to attend

Transport

- Transport will take you to your location and will return you back to school at the end of the afternoon
- If you do not live near the school your parent or carer will need to make arrangements to pick you up at the end of the day if they do not wish you to make your own way home
- There may be some independent travel

Health & Safety

As some of the options will require you to operate equipment, use tools or work in certain specialised areas, special clothing may be required, known as “personal protective equipment” (PPE). If required you will be provided with PPE.

- You must bring your PPE each week. Please complete this section online
- All training venues, activities and tasks that you undertake have been risk assessed to ensure safety standards are met
- You are expected to conduct yourself in a safe and appropriate manner
- All bus and taxi drivers work to specific standards, fully observing health and safety regulations

How will a vocational course help me?

- Vocational courses are intended to provide a pathway for you to employment, training or further and higher education

Who would consider these options?

- You should be well mannered, mature, well behaved and keen to adapt to a college learning environment
- You should be interested in learning about your chosen option
- You should be prepared to fully participate in all aspects of the programme
- You should be working at the appropriate level in school with an aptitude and enthusiasm for your chosen option

The difference

- Vocational qualifications are part of the same structure and covered by the same arrangements as subjects delivered in school
- Whilst progressing through the programme, you will naturally work towards five core skills which are transferable into the world of work: communication, numeracy, working with others, problem solving and information technology
- All courses have been developed to recognise the needs of future employers, and in most cases the relevant industry sector has assisted with the development

Gateway Shared Services

Gateway is a dynamic public sector, not-for-profit organisation, which specialises in providing online and printed careers, education and work-related information resources for young people.

These support the development of career management and employability skills.

Find out more about Gateway by visiting www.ceg.org.uk

Resources

The valuable resources available in school and online include:

- **Planit** at www.planitplus.net
Providing accurate, up-to-date information on: over 700 jobs, college and university courses throughout Scotland and a range of interactive tools.
- **Workit** at www.workit.info
An online system for managing work placement applications, used by pupils to identify and book suitable placements.

Skills for the future: Meta-Skills

To ensure we thrive as individuals, businesses and on an economic and a societal level, we all need to develop new skills. These skills are not just to help us cope in this environment of ongoing change. They are skills to excel; to collaborate and empathise with others and to create our own futures. We have termed these skills for the future 'meta-skills'. The meta-skills covered will help learners to adapt to and embrace the inevitable changes to industry, job roles and society that are expected as a result of continuing technological advance. The development of these meta-skills, together with the three literacies (literacy, numeracy and digital literacy), will support learners as they prepare themselves for this uncertain and constantly evolving future. It will also help centres to develop innovative delivery and assessment methods that maximise the opportunities for skills development (meta-skills and literacies) to be integrated throughout delivery and assessment.

These skills, alongside the literacies, have been grouped into the following categories, as shown in the diagram below.

SQA Qualifications in the Scottish Credit and Qualifications Framework

SCQF Levels	SQA Qualifications			Qualifications of Higher Education Institutions	Apprenticeships & SVQs
12				Doctoral Degree	Professional Apprenticeship
11				Masters Degree, Integrated Masters Degree, Post Graduate Diploma, Post Graduate Certificate	Graduate Apprenticeship Professional Apprenticeship SVQ
10				Honours Degree, Graduate Diploma, Graduate Certificate	Graduate Apprenticeship Professional Apprenticeship
9			Professional Development Award	Bachelors / Ordinary Degree, Graduate Diploma, Graduate Certificate	Graduate Apprenticeship Technical Apprenticeship SVQ
8		Higher National Diploma		Diploma Of Higher Education	Higher Apprenticeship Technical Apprenticeship SVQ
7	Advanced Higher, Awards, Scottish Baccalaureate	Higher National Certificate		Certificate Of Higher Education	Modern Apprenticeship SVQ
6	Higher, Awards, Skills for Work Higher				Modern Apprenticeship Foundation Apprenticeship SVQ
5	National 5, Awards, Skills for Work National 5				Modern Apprenticeship SVQ
4	National 4, Awards, Skills for Work National 4	National Certificate	National Progression Award		SVQ
3	National 3, Awards, Skills for Work National 3				
2	National 2, Awards				
1	National 1, Awards				

Skills Development Scotland

At Skills Development Scotland (SDS) we provide young people with a range of career information, advice and guidance. Our professionally qualified School Careers Advisers are available to support young people at key decision stages as they progress through school. Careers information and advice is also delivered through our websites [My World of Work](#) and [Apprenticeships.scot](#).

Young people and their parents or carers can make an appointment to speak to their SDS careers adviser in school at any time if they are feeling worried about their career journey.

ACCOUNTING

City of Glasgow College – City Campus SCQF Level 5 – *Open to S5/6 Pupils*

COURSE OUTLINE

The aim of the National 5 Accounting course is to help you to understand and use financial information. You will learn to prepare accounting statements as well as analyse, interpret and report on a company's financial performance. The skills you will develop in this course include numeracy and logical reasoning. The course combines practical and theoretical aspects of learning related to accounting, and will allow you to use IT for some tasks.

ATTENDANCE PATTERN

Tuesday & Thursday afternoons (1.30pm to 4pm).
The duration of the course is August to May.

Please note, you will travel home independently by bus or train from the City of Glasgow College. Please refer to the Scottish Government free travel for young people under 22.

PUPIL ELIGIBILITY

You must have:

- National 4 Maths

QUALIFICATION BREAKDOWN

National 5 Accounting SCQF Level 5:

- Financial Accounting
- Management Accounting
- Analysing Accounting Information

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Other National Qualifications, Higher, National Certificates, Higher National Certificates, Higher National Diplomas and degrees in accountancy or other business related subjects. The level you might enter would depend on the level and relevance of your other qualifications.
- Employment and/or training in an accounting related industry.
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

ACCOUNTING

City of Glasgow College – City Campus SCQF Level 6 – Open to S5/6 Pupils

COURSE OUTLINE

The aim of the Higher Accounting course is to help you to understand and use financial information. You will learn to prepare accounting statements as well as analyse, interpret and report on a company's financial performance. The skills you will develop in this course include numeracy and logical reasoning. The course combines practical and theoretical aspects of learning related to accounting, and will allow you to use IT for some tasks.

ATTENDANCE PATTERN

Tuesday & Thursday afternoons (1.30pm to 4pm).
The duration of the course is August to May.

Please note, you will travel home independently by bus or train from the City of Glasgow College. Please refer to the Scottish Government free travel for young people under 22.

PUPIL ELIGIBILITY

You must have:

- National 5 Accounting or Mathematics and English at Grade C or above. Due to the nature of this subject pupils should expect to spend around 2 hours a week outside class revising layouts and classwork.

QUALIFICATION BREAKDOWN

Higher Accounting SCQF Level 6:

- Financial Accounting
- Management Accounting
- Analysing Accounting Information

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Other National Qualifications, National Certificates, Higher National Certificates, Higher National Diplomas and degrees in accountancy or other business related subjects. The level you might enter would depend on the level and relevance of your other qualifications.
- Employment and/or training in an accounting related industry.
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

ADMINISTRATION AND IT

National 5 (SCQF Level 5)

COURSE OUTLINE

The course helps candidates to develop administrative and IT skills, and an understanding of related theory, enabling them to effectively contribute to and support organisations. It enables candidates to:

- develop an understanding of administration theory in the workplace
- develop IT skills and use them to perform administrative tasks
- acquire organisational skills in the context of organising and supporting events

PUPIL ELIGIBILITY

You must have:

- National 4 Administration and IT, however direct entry may be considered

QUALIFICATION BREAKDOWN

National 5 Administration and IT SCQF Level 5:

- IT Solutions for Administrators
- Administrative Practices
- Communication in Administration

ASSESSMENT:

- Question Paper - 50 marks in May
- Practical Assignment – 70 marks in March

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Higher Administration & IT.
- The course may also lead to further study, employment and/or training in various industries. Potential career pathways include: Law, Banking, Management, Engineering, Police, Teaching and many more.

ADMINISTRATION AND IT

Higher (SCQF Level 6)

COURSE OUTLINE

The course will help you to develop advanced administrative skills and digital literacy, enabling you to contribute to the effective functioning of organisations in supervisory administrative positions.

You will develop the ability to use a range of advanced software application functions covering word processing, spreadsheets, databases and emerging technologies.

PUPIL ELIGIBILITY

You must have:

- National 5 Administration and IT

QUALIFICATION BREAKDOWN

Higher Administration and IT SCQF Level 6:

- IT Solutions for Administrators
- Administrative Theory and Practice
- Communication in Administration

ASSESSMENT:

- Theory examination – 50 marks in May
- Practical assignment – 70 marks in March

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- University courses in Administration & IT, Event Management, Business Administration courses
- College courses in Business Administration & IT
- Careers in almost anything as IT encompasses all careers
- In industry this qualification shows a strong IT capability

ART AND DESIGN

National 5 (SCQF Level 5)

COURSE OUTLINE

The National 5 Art and Design course provides learners with a broad, practical experience of art and design skills and related Art and Design Studies. National 4 and National 5 (N4, N5) share a common course; the level of presentation is based on the quality of practical work produced.

National 5 candidates sit a written exam. The National 5 course is divided into three components, Expressive, Design and Art and Design Studies.

Expressive and Design are folio based areas and the Art and Design Studies comprises of a written examination.

PUPIL ELIGIBILITY

You must have:

- National 4 Art & Design or general work as covered in S3 Art and Design course

QUALIFICATION BREAKDOWN

Art & Design National 5 SCQF Level 5:

- Art and Design: Expressive Activity
- Art and Design: Design Activity
- Art and Design Studies

COURSE FOLIO

Expressive Activity Portfolio

You will draw on, extend and apply the skills you have learned during the production of research and initial development. This area of the course enables you to plan, develop, produce and present art work which demonstrates creativity and the application of practical skills. Through the development of observational drawing and painting skills you will explore methods to visually

represent the world you live in and communicate your thoughts, ideas and opinions.

In the portfolio you will produce three single object drawings and colour studies, a variety of compositional studies and an A2 Art work.

Design Activity Portfolio

You will draw on, extend and apply the skills you have learned during the production of research and initial development. This area of the course enables you to plan, develop, produce and present design work which demonstrates creativity and the application of practical design skills. Using creativity, problem solving and critical thinking skills, you will resolve design issues by producing a functional design resolution.

Through further development you will produce a variety of design drawings, samples and models. A final design resolution is produced and photographed.

Both portfolios of work will be presented on an A1 board which is submitted to the SQA for external assessment.

Art and Design Studies - Written Work

By investigating the work of artists and designers, you will develop a critical understanding of a range of art and design practice, enabling you to understand the impact of social and cultural influences on the work of artists and designers.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Higher Art and Design
- Other National Qualifications, National Certificates, Higher National Certificates, Higher National Diplomas and Degrees in Art and Design
- Employment (including SVQs)

ART AND DESIGN

Higher (SCQF Level 6)

COURSE OUTLINE

The Higher Art and Design course provides learners with a broad, practical experience of art and design skills and related Art and Design Studies. The Higher course is divided into three components, Expressive, Design and Art and Design Studies. Expressive and Design are folio based and the art and design studies comprises of written examination.

PUPIL ELIGIBILITY

You must have:

- National 5 Art & Design

QUALIFICATION BREAKDOWN

Higher Art & Design SCQF Level 6:

- Art and Design: Expressive Activity
- Art and Design: Design Activity
- Art and Design: Studies

COURSE FOLIO

Expressive Activity Portfolio

You will draw on, extend and apply the skills you have learned during the production of research and initial development. This area of the course enables you to plan, develop, produce and present art work which demonstrates creativity and the application of practical skills. Through further development of observational drawing and painting skills you will explore methods to visually represent the world you live in and communicate your thoughts, ideas and opinions.

In the portfolio you will produce three single object drawings and colour studies, a variety of compositional studies and an A2 painting.

Design Activity Portfolio

You will draw on, extend and apply the skills you have learned during the production of research and initial development.

This area of the course enables you to plan, develop, produce and present design work which demonstrates creativity and the application of practical design skills. Using creativity, problem solving and critical thinking skills, you will resolve design issues and constraints by producing a functional design resolution.

Through further development you will produce a variety of design drawings, samples and models. A final design resolution is produced and photographed.

Both portfolios of work will be presented on three A2 boards which are submitted to the SQA for external assessment.

Art and Design Studies - Written Work

By investigating the work of artists and designers, you will develop a critical understanding of a range of art and design practice, enabling you to understand the impact of social and cultural influences on the work of artists and designers.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Advanced Higher Art and Design, National Qualifications, National Certificates, Higher National Certificates, Higher National Diplomas and degrees Art and Design
- Employment (including SVQs)

ART AND DESIGN (ENQUIRY: DESIGN)

Advanced Higher (SCQF Level 7)

COURSE OUTLINE

The Advanced Higher in Design offers you a programme of study which aims to equip you with diversity of thought, freedom of experimentation and play, and the ability to use your imagination to present and develop new Design ideas. Introducing you to the necessary skills, which will allow you to develop your expertise and realise your full creative design potential.

PUPIL ELIGIBILITY

You must have:

- Higher Art and Design

QUALIFICATION BREAKDOWN

Art & Design Enquiry: Design Advanced Higher SCQF Level 7:

- Art and Design (Design): Design Enquiry
- Art and Design (Design): Design Studies

DESIGN ENQUIRY

The portfolio provides evidence of your ability to further develop and resolve your chosen design idea(s). This design work should be clearly based on your selected initial idea(s) and informed by the design brief. The portfolio will be produced over an extended period of time. This allows you the opportunity to develop, reflect on and refine your work before it is presented for external assessment/marking. The completed portfolio is worth 60%, the evaluation is worth 10% and the Design Studies is worth 30%. There is no written exam at this level.

DESIGN STUDIES

Writing a dissertation with a maximum of 2000 words you will produce a contextual analysis of a selected design work by discussing related contexts and analysing their impact on the features of the design work. Candidates reflect on and evaluate their creative decisions and design work

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- BA Honours Degree in Art and Design
- Other National Qualifications
- Employment (including SVQ's)

ART AND DESIGN (ENQUIRY: EXPRESSIVE)

Advanced Higher (SCQF Level 7)

COURSE OUTLINE

The Advanced Higher in Art and Design (Expressive): Expressive Enquiry will give you the opportunity to show that you can plan and carry out a personal art enquiry. You will select expressive stimuli and produce initial investigative drawings and studies before developing and refining developmental ideas for art work for the enquiry. You will also analyse your creative choices and decisions and independently evaluate your art work. You will learn to find unexpected patterns, by making connections sometimes between quite unrelated things.

You will show that you can research and investigate an art area of personal interest. You will plan the investigation, analysing examples of art work and practice within a chosen area of art. You will express substantiated personal judgements about art work and the contexts which influenced your work.

PUPIL ELIGIBILITY

You must have:

- Higher Art and Design

QUALIFICATION BREAKDOWN

**Advance Higher Art and Design (Enquiry: Expressive)
SCQF Level 7:**

- Art and Design (Design): Expressive Enquiry
- Art and Design (Design): Expressive Studies

EXPRESSIVE ENQUIRY

The portfolio is to assess your ability to integrate and apply practical art skills and in-depth knowledge and understanding of expressive art practice across the course. You will select one or more examples of your earlier expressive investigative and development work from your unit. You will use this as a basis for developing and producing pieces of highly resolved expressive art work. The portfolio will be produced over an extended period of time. This allows you the opportunity to develop, reflect on and refine your work before it is presented for external assessment/ marking. The completed portfolios worth 60%, the evaluation is worth 10% and the Expressive Studies is worth 30%. There is no written exam at this level.

EXPRESSIVE STUDIES

Writing a dissertation with a maximum of 2000 words you will produce a contextual analysis of a selected artwork by discussing related contexts and analysing their impact on the features of the artwork. Candidates reflect on and evaluate their creative decisions and artwork.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- A degree in Art and Design or a related field
- Other National Qualifications
- Employment (including SVQ's)

AUTOMOTIVE SKILLS – FOUNDATION APPRENTICESHIP

Glasgow Kelvin College

SCQF Level 4 – Open to S4/5/6 Pupils

COURSE OUTLINE

The Foundation Apprenticeship in Automotive Skills will give you an opportunity to develop basic practical skills necessary to work in the automotive industry. You will gain experience of carrying out basic vehicle checks, including the specific skills involved in removal and replacement of components and mechanisms of a vehicle. Relevant jobs such as light and heavy vehicle maintenance, motorcycle maintenance, vehicle fitting, auto electrical, accident repair – body and paint operations, parts distribution and roadside assistance. You will gain an overview and an awareness of the skills required by employers within this industry.

ATTENDANCE PATTERN

Tuesday and Thursday afternoons (1.30pm to 4pm).
The duration of the course is August to June.

PUPIL ELIGIBILITY

You must:

- National 4 Maths and English
- Have a genuine interest in car mechanics and enjoy working as part of a team

QUALIFICATION BREAKDOWN

Foundation Apprenticeship in Automotive Skills Level 4 SCQF Level 4:

Skills for Work: Automotive Skills SCQF 4:

- The Garage
- The Technician
- The Car
- The Vehicle Modification Project

The Work-based Challenge

- Work-based Skills Challenge

A Foundation Apprenticeship is a work based learning apprenticeship, where you are expected to attend industry talks, industry visits and work related training.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- City & Guilds (Entry Level) Automotive Vehicle Maintenance and Repair
- Employment opportunities after training such as, Motor Vehicle Technician Apprentice or Car Valet

This course will allow a taste of what to expect in the vehicle repair industry. It will give knowledge which could assist in getting a Modern Apprentice position within a garage or alternatively access to a further education course.

- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond

City of Glasgow College – City Campus SCQF Level 4 – Open to S5/6 Pupils

COURSE OUTLINE

The National Progression Award (NPA) course will guide you through the basic skills and requirements needed to produce a range of bakery products in one of our specialist bakeries. You will explore the bread making processes that are currently in use within the craft baking industry and will use a variety of equipment and techniques to bake a range of breads. You will practise decorative techniques and discover how to use them to produce the desired effect on a cake and you will develop introductory knowledge and practical skills in pastry work and consider the ingredients and techniques used to produce a range of simple pastry items. You will investigate common faults that can occur when making different types of pastry and how to remedy these.

ATTENDANCE PATTERN

Tuesday and Thursday afternoons (1.30pm to 4pm).
The duration of the course is August to April.

Please note, you will travel home independently by bus or train from the City of Glasgow College. Please refer to the Scottish Government free travel for young people under 22.

PUPIL ELIGIBILITY

You must:

- be working at National 4/5 level in literacy and numeracy skills
- have experience of the Home Economics Curriculum
- have an enthusiasm for food and/or baking

QUALIFICATION BREAKDOWN

National Progression Award Bakery SCQF Level 4:

- Craft Baking: An Introduction.
- Bread Making: An Introduction.
- Cake Decoration: An Introduction.
- Pastry

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- National Certificate (NC), Higher National Certificate (HNC) or Higher National Diploma (HND) in Bakery, Professional Cookery or other Hospitality related subjects. The level you might enter would depend on the level and relevance of your other qualifications.

You might also go on to do:

- a Modern Apprenticeship in the hospitality industry, leading to a relevant Scottish Vocational Qualification (SVQ) Levels 2 and 3. You would normally train on the job or off the job at college, restaurant kitchen, professional catering kitchen or training centre. Apprenticeships usually last for two or three years. You will need to be 18 years of age or older for some of the jobs in this sector

BARISTA

(SCQF Level 5) S6 pupils and S5 students undertaking a Tuesday/Thursday vocational course

COURSE OUTLINE

This course is designed to enable learners to develop basic knowledge, understanding and technical skills required for the role of a barista. The course covers how to operate specialist equipment to prepare and serve coffee and a variety of other drinks. This forms a large part of the service offered to customers in the hospitality industry.

Part of the course will include planning and hosting a coffee morning.

The course covers general barista skills including:

- Coffee Roasting and blend selection
- Learning to operate a coffee machine
- Maintenance and cleaning of coffee machine
- Setting the coffee grinder
- Perfecting espresso extraction times
- Tamping and packing coffee for shots
- Assessing the qualities of the coffee
- Milk steaming and how to make silky micro foam for the milk based coffees
- Making the coffees including espressos, lattés, cappuccinos, flat whites etc
- Latte Art
- Smoothies & Making and serving non-alcoholic Beverages

ATTENDANCE PATTERN

Friday period 1 and 2.

PUPIL ELIGIBILITY

You must:

- Be interested in learning barista skills
- S6 pupils only
- No formal entry requirements

QUALIFICATION BREAKDOWN

1 National Unit credit at SCQF level 5, this is not a group award

- Barista Skills
- Please note: you will be handling dairy products.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- National Certificate (NC), Higher National Certificate (HNC) or Higher National Diploma (HND) in Events or other Hospitality related subjects
- Employment opportunities after training such as, barista, food counter assistant, waiter or kitchen assistant

Higher (SCQF Level 6)

COURSE OUTLINE

The Higher biology course will develop your interest and enthusiasm for biology in a range of contexts. The skills of scientific inquiry and investigation are developed, throughout the course, by investigating the applications of biology. This will enable you to become a scientifically literate citizen, able to review the science-based claims you will meet. This course is a broad and up-to-date selection of concepts and ideas relevant to the central position of life science within our society.

PUPIL ELIGIBILITY

It is recommended that you have:

- National 5 Biology

QUALIFICATION BREAKDOWN

Higher Biology SCQF Level 6:

- DNA and the Genome
- Metabolism and Survival
- Sustainability and Interdependence

COURSE ASSESSMENT

The assignment has two stages:

- A research stage; and
- A report stage, during which the report is written.

The assignment is marked externally by the SQA and is worth 20% of the final overall mark in Biology.

Course Exam – externally set and assessed by SQA.

This is split into 2 Papers - Multiple Choice (25marks) and Extended Response (95 marks).

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Advanced Higher Biology
- Entry to employment, training and further or higher education

Advanced Higher (SCQF Level 7)

COURSE OUTLINE

The Advanced Higher Biology course is based on integrative ideas and unifying principles of modern biological science. It covers key aspects of life science at the molecular scale and extends to aspects of the biology of whole organisms that are among the major driving forces of evolution.

In addition, the Advanced Higher Biology course aims to develop a sound theoretical understanding and practical experience of experimental investigative work in biological science.

PUPIL ELIGIBILITY

You must have:

- Higher Biology

QUALIFICATION BREAKDOWN

Advanced Higher Biology SCQF Level 7:

- Cell and Proteins
- Organisms and Evolution
- Investigative Biology

COURSE ASSESSMENT

Course Exam – externally set and assessed by SQA. The question paper has two sections.

Section 1 – contains multiple-choice questions and has 20 marks.

Section 2 – contains structured and extended-response questions and has 80 marks.

Investigation (project)

The purpose of the project is to allow you to carry out an in-depth study of a biology topic. You will individually investigate the underlying biology of your chosen topic, as well as extend and apply the skills of independent /autonomous working. This will further develop and enhance your scientific literacy and assess the application of skills of scientific inquiry and related biology knowledge and understanding.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- HND/degree in a biology based course
- Entry to employment in a biology-based discipline or related area

BUILDING SERVICES ENGINEERING

Glasgow Kelvin College - Springburn Campus

SCQF Level 4 – Open to S5/6 Pupils

COURSE OUTLINE

The National 4 in Building Services Engineering will provide you with the knowledge and understanding of building services engineering and the course will allow you to develop transferable skills such as problem solving, planning, organisational and communication skills.

ATTENDANCE PATTERN

Tuesday and Thursday afternoons (1.30pm to 4pm).
The duration of the course is August until April.

PUPIL ELIGIBILITY

You must have:

- National 4 Maths
- An interest in working in the electrical, plumbing or HVAC industry

QUALIFICATION BREAKDOWN

National 4 in Building Services Engineering SCQF Level 4:

- Building Services Engineering: Introduction to Safe Working Practices
- Building Services Engineering: Introduction to Energy
- Building Services Engineering: Introduction to Science
- Building Services Engineering: An Introduction
- Building Services Engineering: Employability Skills

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Modern Apprenticeships in Heating and Ventilation, Service and Maintenance, Refrigeration and Air Conditioning or general employment in the engineering or construction industry.
- A National Progression Award in Building Services Engineering. The level you might enter would depend on the level and relevance of your other qualifications.
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

BUILDING SERVICES ENGINEERING

Glasgow Kelvin College - Springburn Campus

SCQF Level 5 – Open to S5/6 Pupils

COURSE OUTLINE

The National Progression Award (NPA) in Building Services Engineering will provide you with the knowledge and understanding of building services engineering and the course will allow you to develop transferable skills such as problem solving, planning, organisational and communication skills.

ATTENDANCE PATTERN

Tuesday and Thursday afternoons (1.30pm to 4pm).
The duration of the course is August to April.

PUPIL ELIGIBILITY

You must have:

- National 5 Maths

QUALIFICATION BREAKDOWN

National Progression Award in Building Services Engineering
SCQF Level 5:

- Basic Electrical Installation Operations
- Basic Plumbing Operations
- Basic Heating and Ventilation Operations
- Basic Refrigeration and Air Conditioning Operations
- Energy and the Environment
- Systems, Roles, Responsibilities and Procedures
- Science

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Modern Apprenticeships in Heating and Ventilation, Service and Maintenance, Refrigeration and Air Conditioning or general employment in the engineering or construction industry. A National Certificate in Building Services Engineering, Electrical Installation, Plumbing, Mechanical Engineering or Manufacturing Engineering
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

BUILDING SERVICES ENGINEERING

Glasgow Kelvin College - Springburn Campus SCQF Level 6 – Open to S6 Pupils

COURSE OUTLINE

The National Certificate (NC) in Building Services Engineering will provide you with the opportunity to develop the knowledge, understanding and skills of the building services engineering sector of the construction industry.

ATTENDANCE PATTERN

Monday and Wednesday all day.

Please note, that unlike other options, this course requires continuous attendance from August to June and may impact on other subjects attendance. In addition, you will travel independently by bus or train.

PUPIL ELIGIBILITY

You must have:

- National 5 Maths and a Science at A or B level

QUALIFICATION BREAKDOWN

**National Certificate in Building Services Engineering
SCQF Level 6:**

Mandatory Units:

- Health and Safety
- Graphical Detailing
- Science
- Electrical & Electronic Technology
- Building Services Engineering Technology
- Mathematics: Technician
- Construction Technology & Design
- Building Services Engineering: Design Project

You will study optional units to be discussed with the lecturer once course commences, such as:

- Heating & Plumbing
- Air Conditioning & Ventilation
- Refrigeration Technology
- Planning, Organisation and Control of Resources in Construction

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to:

- Modern Apprenticeships in Heating and Ventilation, Service and Maintenance, Refrigeration and Air Conditioning or general employment in the engineering or construction industry.
- A Higher National Certificate (HNC) in Building Services Engineering, Electrical Installation, Plumbing, Mechanical Engineering or Manufacturing Engineering
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

BUILDING SERVICES ENGINEERING

Glasgow Kelvin College - Springburn Campus SCQF Level 7 – Open to S6 Pupils

COURSE OUTLINE

The Higher National Certificate (HNC) course will provide you with the opportunity to develop technical skills in Building Services Engineering. You will undertake a course of study that relates to the design, installation, maintenance and management of heating, ventilation and air conditioning (HVAC) systems within commercial/industrial buildings.

ATTENDANCE PATTERN

Monday and Wednesday all day.

Please note, that unlike other options, this course requires continuous attendance from August to June and may impact on other subjects attendance. In addition, you will travel independently by bus or train.

PUPIL ELIGIBILITY

You must have:

- Higher Maths or Physics

QUALIFICATION BREAKDOWN

**Higher National Certificate in Building Services Engineering
SCQF Level 7:**

- Design Principles and Application
- Heating
- Ventilating and Air Conditioning
- Thermofluids and Acoustic Criteria
- Analytical Methods
- Building Services Engineering Science
- Piped Distribution Services
- Health and Safety in the Building Services Industry
- Building Services Project Management
- Final Project

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to:

- Glasgow Kelvin College has an articulation partnership with many universities to a degree in engineering
- Modern Apprenticeships in Heating and Ventilation
- Service and Maintenance
- Refrigeration and Air conditioning or general employment in the engineering or construction industry
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

City of Glasgow College SCQF Level 7/8 – Open to S6 Pupils

COURSE OUTLINE

The Higher National Certificate in Business aims to develop the required knowledge and skills required for employment in a business environment, enabling you to enter a range of administrative, commercial or managerial positions. It will provide you with the opportunity to adopt an innovative and creative approach to work; give you the tools to respond quickly to challenges posed by changes in the business environment.

ATTENDANCE PATTERN

Tuesday and Thursday all day (9.30am to 4pm).

Please note, that unlike other options, this course requires continuous attendance from August to June and may impact on other subjects attendance. In addition, you will travel independently by bus or train.

PUPIL ELIGIBILITY

You must:

- have 3 passes at National 5 (A-C)
- have 2 Highers (A-C) in relevant subject areas – English Administration, Business and Management, Economics, History, Modern Studies, Maths or a Science Subject

This course is demanding in terms of written work, study at home and group work.

QUALIFICATION BREAKDOWN

Higher National Certificate (HNC) in Business – SCQF Level 7/8

Mandatory Units:

- Managing people and Organisations
- Marketing
- Economic Issues
- Accounting for Business
- Business Communication
- IT in Business: Spreadsheets
- Business: Graded Unit 1
- Business Fundamentals and Emergent Technologies

A range of Optional units are available such as:

- Business Law
- Digital Marketing Communications
- Human Resource Management

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Higher National Diploma (HND) in Business Management
- A range of university Degree courses
- Employment opportunities, such as: Banking Advisor, Personal Assistant, Team Leader or Trainee Manager
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

BUSINESS MANAGEMENT

National 5 (SCQF Level 5)

COURSE OUTLINE

The National 5 Business Management course will give you the opportunity to learn about the ways in which organisations in the private, public and third sectors operate. You will learn about the management of marketing, finance, people and operations. The course also introduces you to the dynamic, changing, competitive, and economic environment of industry and commerce. You will develop skills in communicating and presenting business-related information, in a variety of formats, to the various stakeholders of an organisation. The course is suitable for all pupils interested in entering the world of business – whether as a manager, employee or self-employed person.

PUPIL ELIGIBILITY

You should have:

- National 4 Business Management, however direct entry can be considered

QUALIFICATION BREAKDOWN

National 5 Business Management SCQF Level 5:

The course has 3 main areas of study:

- Understanding Business
- Management of Marketing and Operations
- Management of People and Finance

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Higher Business Management.
- Employment
- Further study, employment and/or training in various industries. Potential career pathways include: Fashion and Retail Management, Leisure Management, Law, Banking, Marketing/HR disciplines and many more

BUSINESS MANAGEMENT

Higher (SCQF Level 6)

COURSE OUTLINE

The Higher Business Management course will extend your understanding of the ways in which organisations in the private, public and third sectors operate. You will carry out activities that highlight the opportunities and constraints on these organisations in the pursuit of their strategic goals.

You will develop skills and knowledge that will deepen your understanding and critical awareness of the issues facing organisations in the management of people and finance. In addition, you will extend your knowledge that will deepen your understanding of the importance to organisations of having effective marketing and operations systems.

PUPIL ELIGIBILITY

You must have:

- Business Management at National 5, other higher subjects may be considered.

COURSE ASSESSMENT

The SQA will assess this course in two parts:

- **Question Paper** – externally set and assessed by the SQA (90 marks). This is made up of case study and extended response questions.
- **Research Project** – externally assessed by the SQA (30 marks) and is on a business and topic of their interest/choice from the Higher course

QUALIFICATION BREAKDOWN

Higher Business Management SCQF Level 6:

- Understanding Business
- Management of People and Finance
- Management of Marketing and Operations

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Advanced Higher Business
- A full time higher education course, such as a Higher National Certificate (HNC), Higher National Diploma (HND) or degree. The level you might enter would depend on the level and relevance of your other qualifications
- Employment (including SVQs)

BUSINESS SKILLS – FOUNDATION APPRENTICESHIP

City of Glasgow College

SCQF Level 6 – *Open to S5 Pupils for 2 Year Model / S6 for 1 Year Model*

COURSE OUTLINE

The aim of the Foundation Apprenticeship is to provide you with a range of business and IT skills allowing you to apply a solutions-based approach to improving business processes, to work logically and methodically to pre-set deadlines.

ATTENDANCE PATTERN

Please refer to your Pastoral/Pupil Support Teacher regarding the attendance pattern.

Please note, that unlike other options, this course requires continuous attendance from August to June and may impact on other subjects attendance. In addition, you will travel independently by bus or train.

PUPIL ELIGIBILITY

- National 5 in English, Maths, Business or IT subject
- Achieved or working towards Higher (A-C) in relevant subject areas – Economics, Accounts, Business etc. by end of S6

A short personal statement on why you want to study a Foundation Apprenticeship is required.

Please note if studying Business Higher at school 2 of the 3 business units are included in the Foundation Apprenticeship.

QUALIFICATION BREAKDOWN

Foundation Apprenticeship in Business Skills SCQF Level 6 GR50 46:

National Progression Award in NPA in Business Skills SCQF Level 6

Mandatory units:

- Understanding Business
- Management of People and Finance
- PC Passport: Working with IT Software – Word Processing and Presenting Information
- PC Passport: Working with IT Software – Spreadsheet and Database
- Contemporary Business Issues

Work Based Challenge Unit

- Work Placement

4 units from SVQ Level 3 Business and Administration SCQF Level 6:

- Plan how to manage own performance in a business environment
- Communicate in a business environment
- Support other people to work in a business environment
- Design and produce documents in a business environment

A Foundation Apprenticeship is a work based learning apprenticeship, where you are expected to attend work placements either physically or remotely including work shadowing, industry talks, industry visits and work related training.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Employment opportunities such as, office supervisor, assistant manager or team leader
- A full time higher education course, such as a Higher National Certificate (HNC), Higher National Diploma (HND) or degree.

The level you might enter would depend on the level and relevance of your other qualifications

- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

CHEMISTRY

Higher (SCQF Level 6)

COURSE OUTLINE

The Higher Chemistry course provides a good basis for the future study of chemistry and chemistry-related subjects in higher education or if you wish to pursue a career in a science-based area.

The Higher Chemistry course builds upon prior learning and covers key areas of organic, physical, inorganic and analytical chemistry. The 'Researching Chemistry' unit provides you with the opportunity to develop and apply your literacy, numeracy, communication and scientific investigative skills within a topical, scientific context.

PUPIL ELIGIBILITY

You must have:

- National 5 Chemistry and National 5 Mathematics

QUALIFICATION BREAKDOWN

Higher Chemistry SCQF Level 6:

- Chemical Changes and Structure
- Nature's Chemistry
- Chemistry in Society

COURSE ASSESSMENT

SQA Question Papers (80% of final grade)

Question Paper 1 – 25 marks of multiple choice questions (40 mins).

Question Paper 2 – 95 marks of written questions (2 hrs 20 mins).

Completed during the main SQA diet of exams, April – June.

Assignment (20% of final grade)

A written report of a chemical investigation completed during the Researching Chemistry Unit.

The Assignment Report is externally marked by the SQA.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Advanced Higher Chemistry
- A full time higher education course, such as a Higher National Certificate (HNC), Higher National Diploma (HND) or degree. The level you might enter would depend on the level and relevance of your other qualifications

CHEMISTRY

Advanced Higher (SCQF Level 7)

COURSE OUTLINE

The Advanced Higher Chemistry course will develop your knowledge and understanding of the physical and natural environments. The course builds on the Higher level, developing further the underlying theories of chemistry and the practical skills used in the chemical laboratory. The course also develops the skill of independent study and thought that are essential in a wide range of occupations.

PUPIL ELIGIBILITY

You must have:

- Higher Chemistry and Higher Mathematics

QUALIFICATION BREAKDOWN

Advanced Higher Chemistry SCQF Level 7:

- Inorganic and Physical Chemistry
- Organic Chemistry and Instrumental Analysis
- Researching Chemistry

COURSE ASSESSMENT

SQA Question Paper (75% of final grade)

3 hour exam, consisting of 25 marks of multiple choice questions and 85 marks of written questions.

Completed during the main SQA diet of exams, April – June.

Project (25% of final grade)

The project will assess the application of skills of scientific inquiry and related chemistry knowledge and understanding. It requires you to demonstrate aspects of challenge and application; you will apply skills of scientific inquiry, using related knowledge, to carry out meaningful and appropriately challenging tasks in chemistry and communicate findings in a report.

The project will be externally marked by the SQA.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

Further study at a higher education undertaking Higher National Diplomas (HND) and degrees in Science, Engineering, Medicine and Teaching. The level you might enter would depend on the level and relevance of your other qualifications.

CHILDCARE DEVELOPMENT

Glasgow Clyde College – Langside Campus SCQF Level 4 – Open to S5/6 Pupils

COURSE OUTLINE

The Skills for Work (SfW) in Early Education and Childcare course at Glasgow Clyde College can offer you an introduction to the basic knowledge and skills required to prepare you for further study leading to potential employment in the early education and childcare sector.

Please note that there is no placement attached to this course.

ATTENDANCE PATTERN

Tuesday and Thursday afternoons (1.30pm to 4pm).
The duration of the course is August to April.

PUPIL ELIGIBILITY

You must have:

- English National 4

QUALIFICATION BREAKDOWN

Skills for Work: Early Education and Childcare SCQF Level 4:

Mandatory Units:

- Child Development
- Play in Early Learning and Childcare
- Working in Early Learning and Childcare

Candidates also study one optional Unit which will be chosen by the college:

- Care of Children
- Maintenance of a Safe Environment
- Contemporary Families

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

Upon successful completion and subject to attendance, effort and commitment you will be offered an Unconditional place within Glasgow Clyde College on one of the following courses. The level you might enter would depend on the level and relevance of your other qualifications.

- A one-year full time National Certificate (NC) or National Qualification (NQ) course in Early Education and Child Care

You might also go on to do:

- A one-year full time higher education course, such as a Higher National Certificate (HNC) in Early Education and Childcare. You may be able to progress to a Nursery Manager post once you have achieved a degree or equivalent in Childhood Practice
- A Modern Apprenticeship in Childcare or Early Years Care and Education, leading to a Scottish Vocational Qualification (SVQ) Levels 2 to 4 in Children's Care, Learning and Development
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

WHAT ARE A FEW OF THE META SKILLS I WILL DEVELOP?

Critical Thinking

- Deconstruction
- Logical Thinking
- Judgement
- Computational Thinking

Focusing

- Sorting
- Attention
- Filtering

Leading

- Inspiring Others
- Influencing
- Motivating Others
- Developing Others
- Change Catalyst

CIVIL ENGINEERING

Glasgow Kelvin College – Springburn Campus SCQF Level 7 – Open to S6 Pupils

COURSE OUTLINE

The Higher National Certificate (HNC) in Civil Engineering will provide you with the opportunity to develop your understanding of specialist technical knowledge in Civil Engineering, enhance your understanding of construction design, practice and management. The qualification in Civil Engineering will give you the skills, knowledge and understanding you need to achieve high performance in the national and international construction environment. The course is an ideal stepping stone for those for those with ambitions of working within Civil Engineering in a professional, managerial or technical capacity.

ATTENDANCE PATTERN

Monday and Tuesday all day.

Please note, that unlike other options, this course requires continuous attendance from August to June and may impact on other subjects attendance.

In addition, you will travel independently by bus or train.

PUPIL ELIGIBILITY

You must have:

- Higher Maths, Physics or Technological Higher subject Grade C or above OR successful completion of NQ engineering/construction OR Foundation Apprenticeship

QUALIFICATION BREAKDOWN

Higher National Certificate in Civil Engineering SCQF Level 7:

Mandatory Units:

- Technology, Materials & Testing
- Contract & Project Management
- Specialisms
- Construction:
 - Site Surveying
 - Substructure
 - Technical Communication
- Structural:
 - Mechanics
 - Final Project

You will study optional units to be discussed with the lecturer once course commences, such as :

- Geotechnics
- CAD
- Highways
- Mathematics

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Employment
- A full time higher education course, such as a Higher National Diploma (HND) or degree. The level you might enter would depend on the level and relevance of your other qualifications
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

COMPUTER GAMES DEVELOPMENT

City of Glasgow College – City Campus SCQF Level 5 – Open to S5/6 Pupils

COURSE OUTLINE

The National Progression Award (NPA) in Computer Games Development provides an opportunity for you to develop your knowledge and understanding of games design and games programming. This is an intensive course and requires you to be self-motivated, enthusiastic and prepared to study out with college. You will be working in labs that are equipped with the latest games software and hardware that will foster an atmosphere conducive to creative games development.

ATTENDANCE PATTERN

Tuesday and Thursday afternoons (1.30pm to 4pm).
The duration of the course is August to April.

Please note, you will travel home independently by bus or train from the City of Glasgow College. Please refer to the Scottish Government free travel for young people under 22.

PUPIL ELIGIBILITY

You must have:

- 3 passes at National 5, 1 of which should be Maths
- Due to the competitive nature of this sector, it helps if you demonstrate a real passion for gaming.

QUALIFICATION BREAKDOWN

National Progression Award in Computer Games Development SCQF Level 5:

- Computer Games Design
- Computer Games Media Assets
- Computer Games Development

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You will have the opportunity to progress to studying the National Certificate (NC) in Computer Games Development. If you have Higher Maths progression to the Higher National Certificate/Diploma (HNC/D) in Computer Games Development is encouraged.

You might go on to do:

- A full time higher education course, such as a Higher National Certificate (HNC), Higher National Diploma (HND) or degree, in the computer games industry, computer games (Design), programmer, or related area of study. The level you might enter would depend on the level and relevance of your other qualifications.
- A career in graphic design or as a games tester.
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

COMPUTING SCIENCE

National 5 (SCQF Level 5)

COURSE OUTLINE

This course helps you to understand computational processes and thinking. It covers practical coding skills in programming, database and web and the investigation of underlying hardware in computer systems. The course highlights how computing professionals are problem-solvers and designers, and the far-reaching impact of information technology on our environment and society.

You will develop and apply computational-thinking skills across a range of contemporary contexts and develop knowledge and understanding of key concepts and processes in computing science. You will apply skills and knowledge in analysis, design, implementation, testing and evaluation to a range of digital solutions and learn how to communicate computing concepts and explain computational behaviour clearly and concisely using appropriate terminology. information systems.

PUPIL ELIGIBILITY

You must have:

- Computing Science at National 4 or an equivalent National 5

QUALIFICATION BREAKDOWN

The course has four main areas of study:

- Software Design and Development (40%)
- Computer Systems (10%)
- Database Design and Development (25%)
- Web Design and Development (25%)

ASSESSMENT IS COMPRISED OF:

- Examination – 110 marks May
- Practical Assignment – 50 marks Feb/March

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

a full time Higher Computing Science or full time Higher Education courses such as a Higher National Certificate (HNC), Higher National Diploma (HND) in a variety of computing related disciplines such as Web Design, Computers Games Design, Cyber Security or related areas of study. The level of entry would depend on qualifications gained. Alternatively modern apprenticeships are available in a number of related roles.

COMPUTING SCIENCE

Higher (SCQF Level 6)

COURSE OUTLINE

The course introduces candidates advanced computational processes, which you will learn to apply across a variety of contemporary contexts. You will also gain an awareness of the important role that computing professionals play in meeting the needs of society today and for the future.

You will develop your skill in analysis, design, implementation, testing and evaluation to create a range of complex digital solutions through the use of programming, database and website development. You will then learn how to communicate advanced computing concepts and explain computational behaviour clearly and concisely, using appropriate terminology. Finally, you will develop awareness of current trends in computing technologies and their impact in transforming and influencing our environment and society.

PUPIL ELIGIBILITY

You must have:

- Computing Science at National 5 at level A or B

QUALIFICATION BREAKDOWN

- Software Design and Development (45 marks)
- Computer Systems (10 marks)
- Database Design and Development (25 marks) OR Web Design and Development (25 marks)

ASSESSMENT IS COMPRISED OF:

- Examination – 80 marks May
- Practical Assignment – 40 marks Feb/March

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- A full time higher education course, such as a Higher National Certificate (HNC), Higher National Diploma (HND)
- Degree in a variety of computing related disciplines such as Web Design, Computers Games Design, Cyber Security or Software Engineering

The level you might enter would depend on the level and relevance of your other qualifications

CONSTRUCTION – FOUNDATION APPRENTICESHIP

Glasgow Clyde College - Cardonald Campus SCQF Level 5 – Open to S5/6 Pupils

COURSE OUTLINE

The Construction Foundation Apprenticeship course includes practical construction crafts units in 5 trade areas. It is a suitable level of entry for candidates with an aptitude for practical crafts work who can cope with demands at National 5. You will learn a variety of skills in the trade specific units. In addition, you will develop skills and attitudes that enhance employability, not just in the Construction industry but in employment generally.

Included in the course is the Work-Based Challenge Unit which will require you to draw on technical skills developed through the course and apply these in a work based situation. The course will have the involvement of an Industry partner in developing and evaluating the challenge.

ATTENDANCE PATTERN

Tuesday & Thursday afternoons (1.30pm to 4pm).
The duration of the course is August to June.

PUPIL ELIGIBILITY

You must have:

- 3 passes at National 5, 1 of which should be Maths
- An interest in working in the construction industry

WHAT ARE A FEW OF THE META SKILLS I WILL DEVELOP?

Critical Thinking

- Deconstruction
- Logical Thinking
- Judgement
- Computational Thinking

Focusing

- Sorting
- Attention
- Filtering

Leading

- Inspiring Others
- Influencing
- Motivating Others
- Developing Others
- Change Catalyst

QUALIFICATION BREAKDOWN

Construction Foundation Apprenticeship Level 5 SCQF Level 5:

- Work-Based Skills: Construction
- Construction Craft and Technician
- Understanding Industry
- Personal Development: Self and Work

You will also undertake three introductory practical units which will be selected to suit a project identified by a partner industry employer. The trade areas for selection are: Joinery, Brickwork, Painting & Decorating or Roof Slating & Tiling.

- Work-based Skills Challenge

A Foundation Apprenticeship is a work based learning apprenticeship, where you are expected to attend industry talks, industry visits and work related training.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- A Modern Apprenticeship in construction at craft or operative level. You would train on the job, on a building site or workshop, and off the job at a college or training centre.
- A 1 year full time course National Certificate (NC) or National Qualification (NQ) course, in a related area of study such as Construction Skills or Construction Crafts at a college of further education
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

CONSTRUCTION SKILLS

Glasgow Clyde College – Vocational Facilities @ Barrhead High School SCQF Level 4 – Open to S5/6 Pupils

COURSE OUTLINE

The National Progression Award in Construction Craft and Technician course will develop your practical skills and enable you to demonstrate your ability to complete common tasks within the construction industry. It will help you gain an understanding of the construction industry and will assist you to make informed choices regarding a career in construction. This course will also provide you with the opportunity to develop your personal development within the industry and participate in project work, which will help to prepare you for the workplace. You are required to work independently and in a team.

ATTENDANCE PATTERN

Tuesday & Thursday afternoons (1.30pm to 4pm).
The duration of the course is August to April.

PUPIL ELIGIBILITY

You must have:

- 3 passes at National 4, which should include Maths and a Technical subject
- An interest in working in the construction industry
- Some aptitude for graphical forms of communication, as you will be required to read basic drawings

QUALIFICATION BREAKDOWN

National Progression Award Construction Craft and Technician - SCQF Level 4:

- Personal Development: Self and Work
- Understanding Industry
- Carpentry and Bench Joinery: An Introduction
- Construction Crafts: Carpentry and Joinery Techniques
- Construction Crafts: Site Carpentry and Bench Joinery

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

Upon successful completion and subject to attendance, effort and commitment you will be offered an Unconditional place within Glasgow Clyde College on one of the following courses. The level you might enter would depend on the level and relevance of your other qualifications.

You might go on to do:

- National Progression Award (NPA) in Carpentry and Joinery SCQF 5
- National Certificate (NC) in Built Environment
- Pre Apprentice Electrician
- Pre Apprentice Plumbing
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

WHAT ARE A FEW OF THE META SKILLS I WILL DEVELOP?

Self Management

Initiative

Innovation

Creativity

COSMETOLOGY AND HAIRDRESSING

Glasgow Clyde College – Cardonald Campus SCQF Level 4 – Open to S5/6 Pupils

COURSE OUTLINE

The National Progression Award (NPA) Cosmetology will provide you with the opportunity to express your creativity in Hairdressing. You will develop knowledge and understanding of health and safety as well as understanding the effects of treatments. The practical learning activities in the course encourage, develop and perfect a range of skills.

ATTENDANCE PATTERN

Tuesday and Thursday afternoons (1.30pm to 4pm).
The duration of the course is August to April.

PUPIL ELIGIBILITY

You must:

- have National 4 Maths and English
- have a keen interest in Hairdressing
- enjoy working as part of a team and have a caring, mature approach

You will be required to work on each other, so you must be prepared to be a client, model or shampooing, and styling techniques, and other treatments.

QUALIFICATION BREAKDOWN

National Progression Award in Cosmetology SCQF Level 4

- Working with Customers and Colleagues
- Cosmetology: Product Awareness
- Cosmetology: Career Options and Choices
- Cosmetology: Prepare and Assist in a Workplace Environment
- Cosmetology: Hairdressing - Practical Skills
- Cosmetology: Health and Safety
- Long hair styling
- IT Skills

WHAT ARE A FEW OF THE META SKILLS I WILL DEVELOP?

In order to achieve your award, you will be expected to complete some home study to consolidate your learning. Whilst this class is practical in nature, you must also complete some written work in the form of a workbook, as well as a portfolio and short tests.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

Upon successful completion and subject to attendance, effort and commitment you will be offered an Unconditional place within Glasgow Clyde College on one of the following courses. The level you might enter would depend on the level and relevance of your other qualifications.

- National Certificate (NC) or National Qualification (NQ) course in Hairdressing, Barbering, Make-up Artistry or Beauty Therapy. After completing the National Qualification (NQ) or National Certificate (NC) further study at Glasgow Clyde College is available. You can study a Higher National Certificate (HNC) in Hairdressing, Beauty or even Make-up Artistry.

You might go on to do:

- A Modern Apprenticeship, leading to a Scottish Vocational Qualification (SVQ) Levels 2 & 3 in Hairdressing, Barbering, Make-up Artistry and or Beauty Therapy. Apprenticeships usually last for two years.
- Attend college or training provider (usually one day a week) whilst in employment (salon) which will include on the job training.
- With relevant work experience, you can be employed a salon stylist, Barber, Make-up Artist, Beauty therapist etc, with further opportunities for career progression, as salon manager or even a salon owner.
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond

CRIMINOLOGY WITH LAW

Glasgow Clyde College – Langside Campus SCQF Level 7 – Open to S6 Pupils

COURSE OUTLINE

Glasgow Clyde College will provide you with the opportunity to gain a Personal Development Award in Criminology with Law. The award aims to provide you with an understanding of the accused's journey through the Scottish Criminal Justice System. You will be given the opportunity to compare the Scottish legal system with that of other countries and through this, discuss the efficacy of the Criminal Justice System, reoffending rates and non-custodial sentences. In addition, you will cover sociological theories of crime and deviance with the topic of the mass media and its influence on public perception being analysed. The Forensic Psychology unit provides an introduction to the work of forensic psychologists as well as different psychological theories of criminal behaviour and their application in explaining crime and deviance.

ATTENDANCE PATTERN

Tuesday and Thursday afternoons (1.30pm to 4pm).
The duration of the course is August until April.

PUPIL ELIGIBILITY

You must have:

- Higher English at A or B level

QUALIFICATION BREAKDOWN

Personal Development Award in Criminology and Law SCQF Level 7

- Criminology: The Accused's Journey
- Applying Sociological Theories to Sociological Topics
- Crime Scenes

This course is demanding in terms of written work, study at home and group work.

COURSE ASSESSMENT

The course will be assessed in a variety of ways including essay responses and closed book assessment and a research assignment. The assessment approach will enable you to engage in independent research and develop the skills you will require for university entry.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

Students who successfully complete the Personal Development Award (PDA) in Criminology will be offered an unconditional place on Higher National Diploma (HND) in Social Science at Glasgow Clyde College.

You might also go on to:

College or university, degree courses in law, social sciences, criminology or business studies. The level you might enter would depend on the level and relevance of your other qualifications.

- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

CYBER SECURITY

Glasgow Clyde College – Langside Campus SCQF Level 6 – Open to S5/6 Pupils

COURSE OUTLINE

The National Progression Award (NPA) in Cyber Security provides foundation knowledge and skills in data security, digital forensics and ethical hacking – providing a skills pipeline into the Cyber Security industry. The course is designed to raise awareness of Cyber Security and fill the current skills gap in this field. You will learn how to improve your cyber hygiene and resilience, and enable you to identify security vulnerabilities safely, legally and ethically. In addition, this will help you to contribute more safely to virtual communities.

ATTENDANCE PATTERN

Tuesday and Thursday afternoons (1.30pm to 4pm).
The duration of the course is from the end of August to April.

PUPIL ELIGIBILITY

You must have:

- 3 passes at National 5, 1 of which should be Maths
- a clear interest in the subject area

QUALIFICATION BREAKDOWN

National Progression Award in Cyber Security SCQF level 6:

- Data Security
- Ethical Hacking
- Digital Forensics

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

Upon successful completion and subject to attendance, effort and commitment you will be offered an Unconditional place within Glasgow Clyde College on one of the following courses. The level you might enter would depend on the level and relevance of your other qualifications.

- Higher National Certificate/Diploma (HNC/D) Software Engineering with Emerging Technologies
- Higher National Certificate/Diploma (HNC/D) Infrastructure with Cyber Security
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

DANCE

Higher (SCQF Level 6)

COURSE OUTLINE

This Higher Dance course aims to broaden and deepen your skill base and widen your experience of dance. You will develop attributes and capabilities to work creatively, independently and with enthusiasm, including a willingness to learn perseverance, resilience, responsibility, enterprise and leadership. The course will provide you with the opportunity to participate in creative activities and performance, and demonstrate creative use of technical and choreographic dance skills.

The course encourages you to be creative and to express yourself in different ways. Learning through dance helps you to develop an appreciation of aesthetic and cultural values, identities and ideas. The course is practical and experiential, and provides scope for personalisation and choice.

PUPIL ELIGIBILITY

You should have:

- a keen interest in dance and fitness

QUALIFICATION BREAKDOWN

Higher Dance SCQF Level 6:

- Choreography
- Technical skills

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- a range of dance-related National Progression Awards (NPA)
- Higher National Certificate (HNC) and Higher National Development (HND) Professional Dance Performance / Dance Artists
- further study, employment and/or training

DESIGN AND MANUFACTURE

City of Glasgow College – City Campus SCQF Level 5 – Open to S5/6 Pupils

COURSE OUTLINE

Design and Manufacture at National 5, introduces you to the world of product design and manufacturing. Creativity is at the heart of this Course and its combination with technology makes it exciting and dynamic. The Course combines science, mathematics and technology with design and manufacturing. In the Course, you are encouraged to exercise imagination, creativity and logical thinking. The Course provides you with skills that allow you to learn, live and work more effectively in our advancing technological society. It allows you to become not just an effective contributor but informed and a discerning consumer.

ATTENDANCE PATTERN

Tuesday and Thursday afternoons (1:30pm to 4pm).
The duration of the course is August to April.

Please note, you will travel home independently by bus or train from the City of Glasgow College. Please refer to the Scottish Government free travel for young people under 22.

PUPIL ELIGIBILITY

You must have:

- 3 passes at National 4, which should include English and Art & Design
- an interest in design and model making and have an artistic, creative, or technical skillset.

QUALIFICATION BREAKDOWN

National 5 Design and Manufacture SCQF Level 5:

- Design
- Materials and Manufacturing

COURSE ASSESSMENT

Assessment of this course is made up of the following two components:

- Design skills
- Practical skills

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Higher Design and Manufacture.
- Advanced Higher Design and Manufacture
- Modern Apprenticeships in Manufacturing, Design Engineering, Architecture, and Quantity Surveying
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond

National 5 (SCQF Level 5)

COURSE OUTLINE

The National 5 Drama course will build on the BGE experiences and outcomes explored in S1 and S2 course, further developing the key skills of creating, presenting and evaluating drama.

In the first part the pupils will be introduced to all of the skills used in the theatre which will include: Acting, Directing, Costume, Lighting, Sound, Make-up, Props and Set Design.

PUPIL ELIGIBILITY

You should have:

- National 4 English
- an interest in Drama

QUALIFICATION BREAKDOWN

National 5 Drama SCQF Level 5:

- The practical examination will involve candidates performing a theatre production role. National 5 candidates will present a piece of scripted drama. This will be a substantial extract from a published play. Candidates will be able to choose whether they act or perform a technical role.

QUESTION PAPER:

The final question paper has two sections. Section 1 asks candidates to evaluate a performance they have been part of during the course. Section 2 requires candidates to respond to a stimulus and answer questions on a piece of drama they would create for the stage.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

The social and personal skills that are developed through drama are also beneficial and transferable to lifelong learning.

You might go on to do:

- Higher Drama
- a full time higher education course, such as a National Certificate (NC) in Acting and Theatre Performance, National Progression Award (NPA) in Acting and Performance or Technical Theatre in Practice. The level you might enter would depend on the level and relevance of your other qualifications
- Employment or training

Higher (SCQF Level 6)

COURSE OUTLINE

The Higher Drama course is designed to give you a knowledge and understanding of many aspects of theatre, including an appreciation of theatre forms and styles, theatre practitioners and drama plays/scripts. In addition, the course aims to develop theatre skills and increase experience of theatrical performance, as well as develop knowledge of the social, historical and theatrical contexts of plays.

PUPIL ELIGIBILITY

You should have:

- National 5 English
- National 5 Drama

QUALIFICATION BREAKDOWN

Higher Drama SCQF Level 6:

- Drama Skills
- Drama: Production Skills

COURSE ASSESSMENT

You can be assessed in Performance in an Acting, Production or Directing role. This is a Visiting Assessment by SQA.

Skills, knowledge and understanding are assessed in a final written paper.

Question Paper - 40% of final grade

Paper marked out of 50 (2 hours and 30 minutes)

Performance - 60% of final grade (Visiting SQA Assessment)

Acting Production or Design role (50 marks)

PfP (10 marks)

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

The social and personal skills that are developed through drama are also beneficial and transferable to lifelong learning. Higher drama is a recognised qualification to have in order to gain entry into courses such as law. Other careers/courses that can benefit from drama experience are Teaching, Politics, Business, Psychology, English Studies, Media Studies, Journalism, Social Work and many more.

You might go on to do:

- A full time higher education course, such as a Higher National Certificate (HNC), Higher National Diploma (HND) and Degree. The level you might enter would depend on the level and relevance of your other qualifications

Advanced Higher (SCQF Level 7)

COURSE OUTLINE

The Advanced Higher Drama course is designed to provide a progression from the Higher course for those interested in theatre practice. The course will give you the opportunity to explore the role and craft of the actor, director, and designer. Through devised and textual activities, you will practically explore a variety of acting, directing and design concepts. You will independently create and perform a devised drama production and explore how meaning and theatrical concepts can be communicated to an audience. In addition, you will explore the performance and directorial theories of a key practitioner from a chosen perspective: acting, directing or designer (lighting/sound/set/costume/makeup/props).

PUPIL ELIGIBILITY

You must have:

- Higher Drama
- Higher English

QUALIFICATION BREAKDOWN

Advanced Higher Drama SCQF Level 7:

- Drama Skills
- Production Skills

COURSE ASSESSMENT

Project–dissertation (30 marks)

Candidates identify a performance issue. They research relevant and current performance theories and practice, and communicate their findings in a dissertation.

Assignment (20 marks)

Candidates analyse a professional theatrical production, as well as the work of at least one theatre practitioner (actor, director, and/or designer) involved in the production and produce an assignment based on a choice of two questions.

Performance (50 marks)

Candidates prepare concepts for their chosen text(s) from full-length published play(s). You can be examined in an Acting, Directing or Production role.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- A full time higher education course, such as a Professional Development Awards (PDAs), (HNC), Higher National Diploma (HND) and degree. The level you might enter would depend on the level and relevance of your other qualifications
- Employment or training

EARLY EDUCATION AND CHILDCARE

Glasgow Clyde College – Langside Campus SCQF Level 6 – Open to S5/6 Pupils

COURSE OUTLINE

The National Progression Award (NPA) Social Services: Children and Young People Level 6 course at Glasgow Clyde College will introduce you to the knowledge and skills required to prepare you for further study leading to potential employment within Early Learning and Childcare. The course will help you understand some of the demands and responsibilities of working in this sector. Upon completion of this qualification you will have the opportunity to choose to add value through a work placement. Successful completion of the work placement will provide you with a Foundation Apprenticeship.

ATTENDANCE PATTERN

You will attend college on Tuesday and Thursday afternoon from 1.30pm – 4pm.

If you choose to complete the Foundation Apprenticeship you will be required to do a 3-week block placement in June and commit to additional days across the academic year (this will be discussed with your school to best fit with your timetable). When participating in the work based learning you will travel independently by bus or train.

PUPIL ELIGIBILITY

You must:

- have or working towards Higher English
- have a clear interest in Early Learning and Childcare, Playwork, Education or Social Services

QUALIFICATION BREAKDOWN

National Progression Award Social Services: Children and Young People SCQF Level 6:

- Communication with Children and Young People
- Play for Children and Young People
- Development of Children and Young People
- Promote the Wellbeing and Safety of Children and Young People
- Safeguarding of Children and Young People

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

On successful completion of this course, you will have the opportunity to be treated as an internal applicant. This will also be dependent on your attendance and commitment to this course. You could progress on to the following full-time programmes:

- HNC Childhood Practice (SCQF Level 7)
- HNC Additional Support Needs (SCQF Level 7)

You might also go on to:

A Modern Apprenticeship in Childcare or Early Years Care and Education, leading to a Scottish Vocational Qualification (SVQ) Levels 2 to 4 in Social Services: Children and Young People

On gaining employment, further possible progression onto level 8 Professional Development Award as well as degree level study at SCQF level 9

- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

WHAT ARE A FEW OF THE META SKILLS I WILL DEVELOP?

Self Management Initiative

Innovation

Creativity

- Imagination
- Idea Generation
- Visualisation

City of Glasgow College – City Campus SCQF Level 6 – Open to S5 and S6 Pupils

COURSE OUTLINE

The Higher Economics course will provide you with the knowledge and skills to understand and make use of economic information. You'll learn to analyse, interpret, predict and explain the actions of individuals, businesses and governments to various economic situations. You will develop an appreciation of how markets and governments work and how the decisions taken in these economic contexts impact on our daily lives.

ATTENDANCE PATTERN

Tuesday & Thursday afternoons (1.30pm to 4pm).
The duration of the course is August to May.

Please note, you will travel home independently by bus or train from the City of Glasgow College. Please refer to the Scottish Government free travel for young people under 22.

PUPIL ELIGIBILITY

You must have:

- passes at National 5, of which should be English and Maths at Grade C or above
- an eye for detail and are a good problem-solver

QUALIFICATION BREAKDOWN

Higher Economics SCQF Level 6:

- Economics of the market
- UK economic activity
- Global economic activity

This course is demanding in terms of written work, study at home and group work.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Higher National Certificate (HNC), Higher National Diploma (HND) in Finance, Business or Social Sciences or a range of university Degree courses. The level you might enter would depend on the level and relevance of your other qualifications
- Employment opportunities, such as: Exchange Assistant, Policy Analysts, Research Assistant, Economic or Policy Advisors
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond. Careers

ELECTRONIC ENGINEERING

Glasgow Kelvin College – Springburn Campus SCQF Level 7 – Open to S6 Pupils

COURSE OUTLINE

The Higher National Certificate (HNC) in Electronic Engineering will provide you with the opportunity to develop skills, knowledge and understanding in a range of core electrical, analogue electronics and digital electronics principles and technologies. In addition the course will enable you to further develop knowledge and skills in planning, project management and investigation skills. It will allow you to gain an understanding of the external and internal factors that influence the performance of modern companies.

ATTENDANCE PATTERN

Wednesday and Thursday all day.

Please note, that unlike other options, this course requires continuous attendance from August to June and may impact on other subjects attendance. In addition, you will travel independently by bus or train.

PUPIL ELIGIBILITY

You must have:

- Higher Maths or Physics

QUALIFICATION BREAKDOWN

**Higher National Certificate in Electronic Engineering
SCQF level 7:**

- DC/AC Principles
- Analogue Electronic Principles
- Combinational Logic
- Sequential Logic
- Electronic Testing Skills
- Engineering Mathematics 1
- Communication: Practical Skills
- High Level Engineering Software
- Electrical Networks and Resonance
- Power Electronics
- Graded Unit

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Higher National Diploma (HND) Electronic Engineering
- University (Subject to university entry criteria)
- Employment as a junior technician or engineering apprentice
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

ENGINEERING – PERFORMING ENGINEERING OPERATIONS

Glasgow Kelvin College – Springburn Campus SCQF Level 5 – Open to S5/6 Pupils

COURSE OUTLINE

Glasgow Kelvin College will provide you with the opportunity to gain a Scottish Vocational Qualification (SVQ) SCQF Level 5 in Performing Engineering Operations. The course will introduce you to the knowledge and skills required to demonstrate competence in job related skills in mechanical engineering.

ATTENDANCE PATTERN

Tuesday and Thursday afternoons (1.30pm to 4pm).
The duration of the course is August until April.

PUPIL ELIGIBILITY

You must have:

- 3 passes at National 5, which should include Maths or Physics
- An interest in working in the Engineering industry

QUALIFICATION BREAKDOWN

SVQ Performing Engineering Operations SCQF Level 5:

Mandatory Units:

- Working Efficiently and Effectively in Engineering
- Complying with Statutory Regulations and Organisational Safety Requirements
- Using and Interpreting Engineering Data and Documentation
- Producing Components Using Hand Fitting Techniques

You will study optional units to be discussed with the lecturer once course commences, such as:

- Producing Mechanical Engineering Drawings Using a CAD System
- Producing CAD Models (Drawings) Using a CAD System
- Preparing and Using Lathes for Turning Operations
- Preparing and Using Milling Machines

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Higher National Certificate (HNC) Engineering qualifications. The level you might enter would depend on the level and relevance of your other qualifications
- Employment as a junior technician or engineering apprentice
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond

WHAT ARE A FEW OF THE META SKILLS I WILL DEVELOP?

Critical Thinking

- Deconstruction
- Logical Thinking
- Judgement
- Computational Thinking

Focusing

- Sorting
- Attention
- Filtering

Leading

- Inspiring Others
- Influencing
- Motivating Others
- Developing Others
- Change Catalyst

National 5 (SCQF Level 5)

COURSE OUTLINE

The English National 5 course will give you the opportunity to learn how to read detailed texts in order to understand, analyse and evaluate in familiar contexts and develop the skills to listen to detailed language in order to understand, analyse and evaluate in familiar contexts.

In addition, you will learn how to develop and extend talking and writing skills in a wide range of contexts. You will develop the skills needed to create and produce texts in both written and oral forms.

PUPIL ELIGIBILITY

You must have:

- English National 4

QUALIFICATION BREAKDOWN

English National 5 SCQF Level 5:

- An examination consisting of two papers:
- Paper 1 - Reading for Understanding, Analysis and Evaluation
- Paper 2 - Critical Reading encompassing Scottish Text and critical essay
- A portfolio, which contains ONE piece of writing. This is either a discursive or a creative essay

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

Being competent in English is the key to success in many aspects of life and work. Skills in English language and communication are important in many school, college and university courses and essential in many occupations.

You might go on to do:

- A range of further education courses

Higher (SCQF Level 6)

COURSE OUTLINE

The Higher English course will provide you with the opportunity to develop and extend reading and listening skills. Learners develop the skills needed to understand, analyse and evaluate a wide range of detailed and complex texts and spoken language in the contexts of literature, language and media.

In addition, you will learn how to develop and extend talking and writing skills in a wide range of contexts. You will develop the skills needed to create and produce detailed and complex texts in both written and oral forms.

PUPIL ELIGIBILITY

You must have:

- English National 5

QUALIFICATION BREAKDOWN

Higher English SCQF Level 6:

- An examination consisting of two papers:
- Reading for Understanding, Analysis and Evaluation
- Critical Reading encompassing Scottish Text and critical essay
- A portfolio, which contains ONE piece of writing. This is either a discursive or a creative essay

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

Being competent in English is the key to success in many aspects of life and work. Skills in English language and communication are important in many school, college and university courses and essential in many occupations.

You might go on to do:

- Advanced Higher English
- A full time higher education course, such as a Higher National Certificate (HNC), Higher National Diploma (HND) or degree. The level you might enter would depend on the level and relevance of your other qualifications
- Employment or training in Teaching, Law or Journalism

Advanced Higher (SCQF Level 7)

COURSE OUTLINE

The Advanced Higher English provides you with the opportunity to develop complex language skills which are essential for learning, life and work; and to develop their ability to interpret complex literary forms and to produce sophisticated language. Advanced Higher English fosters an in-depth appreciation, of complex and sophisticated language, and of a wide range of literature and texts in different genres. This enables learners to access their own cultural heritage and history, as well as the culture and history of others. You will have the opportunity to personalise your study; choices enable you to encounter a wide range of texts in different genres and to produce sophisticated writing in chosen literary forms. Building on the four capacities, Advanced Higher English enables you to communicate, become a critical thinker, develop your cultural awareness, and be creative.

PUPIL ELIGIBILITY

You must have:

- A pass in Higher English at A or B level

If you have Higher at C it is strongly recommended that you upgrade at Higher.

QUALIFICATION BREAKDOWN

Advanced Higher English SCVQF Level 7:

- Analysis and Evaluation of Literary Texts
- Creation and Production
- A portfolio, which contains ONE piece of writing
- A project–dissertation

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

Being competent in English is the key to success in many aspects of life and work. Skills in English language and communication are important in many school, college and university courses and essential in many occupations.

You might go on to do:

- A full time higher education course, such as degree.
The level you might enter would depend on the level and relevance of your other qualifications
- Employment or training in Teaching, Law or Journalism

ENGLISH FOR SPEAKERS OF OTHER LANGUAGES (ESOL)

Glasgow Clyde College – Cardonald Campus SCQF Level 4 or 5 – Open to S5/6 Pupils

COURSE OUTLINE

ESOL (English for Speakers of Other Languages) is aimed at students who have a first language other than English. There will be an intensive focus on improving English for work and study. Lecturers will use a variety of teaching methods such as role play and group work to enable you to improve your understanding of English and your speaking and writing. These skills will increase your confidence in everyday life and will help you communicate in the home, with your family, in social situations, and at work.

We will provide an introduction to opportunities in different vocational areas of the college like Sport, Hospitality, Engineering, Care, Business, IT, etc.

ATTENDANCE PATTERN

Tuesday and Thursday afternoons (1.30pm to 4pm).
The duration of the course is August until April.

PUPIL ELIGIBILITY

You must:

- be working at National 4/5 level

QUALIFICATION BREAKDOWN

Please note, you will be studying units at SCQF Level 4 or 5, this is not a Group Award:

- ESOL for Everyday Life at National 4 or 5

Optional Units

- Living in Scotland at National 4/5
- Digital Skills at National 4/5
- ESOL for Employability at National 4/5

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

Upon successful completion and subject to attendance, effort and commitment you will be offered an Unconditional place within Glasgow Clyde College on a full-time or part-time college ESOL course. You will also have the option on being guaranteed a place on one of our wide range of ESOL Transitions courses which offer subjects like Beauty, Automotive, Early Years, Social Care, alongside ESOL classes.

Support with Guidance, CVs, job searches and interviews for progression into employment is part of every course at GCC.

- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

ESPORTS

Glasgow Clyde College – Cardonald Campus SCQF Level 5 – Open to S5/6 Pupils

COURSE OUTLINE

The National Progression Award in Esports will provide you with the knowledge and skills needed to understand the principles and practices of esports, as well as the ability to organise and manage esports events. The course covers a range of topics including the history of esports, the different types of esports, the various roles within the esports industry, and the business and commercial aspects of esports. The course also includes practical elements such as game analysis, event management, and live broadcasting. This qualification will provide you with a deeper understanding of the industry or to develop their skills in event management or broadcasting.

ATTENDANCE PATTERN

Tuesday and Thursday afternoons (1.30pm to 4pm).
The duration of the course is August to April.

PUPIL ELIGIBILITY

You must have:

- National 4 English and Maths
- Core ICT Skills
- Enthusiasm for the Esports industry

QUALIFICATION BREAKDOWN

National Progression Award in Esports at SCQF Level 5:

- Esports: The esports industry at SCQF Level 5
- Esports: Game performance at SCQF Level 5
- Esports: Organising and promoting events at SCQF Level 5

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

Upon successful completion and subject to attendance, effort and commitment you will be offered a Unconditional place within Glasgow Clyde College on one of the following courses. The level you might enter would depend on the level and relevance of your other qualifications.

- NQ Computing and Esports (SCQF Level 6)
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond

FASHION RETAIL BRANDING

City of Glasgow College - City Campus SCQF Level 6 – Open to S5/6 Pupils

COURSE OUTLINE

This City of Glasgow Fashion Retail Branding course will introduce you to the business side of retail fashion. You will develop an understanding of the creative processes of retail fashion and how they're managed and you will investigate the historical and environmental factors which have influenced fashion over the years, exploring the process of how a fashion concept seen on the catwalk becomes a high street fashion garment. You will gain skills to allow you to consider merchandising approaches in the fashion industry, researching how fashion is branded, displayed and promoted. You will gain an insight to the role of the marketing mix in fashion comparing different approaches used in the industry and create your own merchandising ideas.

The course will cover what it takes to be a fashion buyer and you will investigate different buying structures, the buying process and the factors involved in producing a retail buying plan. In addition, you will have the opportunity to create, design and implement your own fashion event or show.

ATTENDANCE PATTERN

Tuesday and Thursday afternoons (1.30pm to 4pm).
The duration of the course is August to April.

Please note, you will travel home independently by bus or train from the City of Glasgow College. Please refer to the Scottish Government free travel for young people under 22.

PUPIL ELIGIBILITY

You must have:

- 3 passes at National 5, 1 of which should be English
- a genuine interest in Fashion, Retail or Marketing

QUALIFICATION BREAKDOWN

Please note, you will be studying units at SCQF Level 6, this is not a Group Award:

- Fashion: an Introduction
- Fashion Merchandising: an Introduction
- Branding: an Introduction
- Retail Buying

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Bachelor of Art in International Fashion Branding (Fashion Branding, marketing communications)
- Bachelor of Art in Fashion Design with Business
- Bachelor of Art in International Marketing

You might also go on to:

- Employment opportunities in Fashion Retail Management, Fashion Merchandising, and Fashion Buying.
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

FINANCIAL SERVICES

City of Glasgow College – City Campus SCQF Level 5 – Open to S5/6 Pupils

COURSE OUTLINE

The National 5 Financial Services course is designed to provide you with the key competencies required to enter the world of Financial Services. Throughout the course, you will develop a range of skills specific to the Financial Services Industry, in relation to product and service knowledge, and an understanding of the role of its providers, preparing you for employment in the Financial Services Industry.

ATTENDANCE PATTERN

Tuesday and Thursday afternoons (2pm to 4pm).
The duration of the course is August to April.

Please note, you will travel home independently by bus or train from the City of Glasgow College. Please refer to the Scottish Government free travel for young people under 22.

PUPIL ELIGIBILITY

You must:

- have 4 passes at National 4 which must include English, Maths and a Business related subjects, Social or STEM subjects

QUALIFICATION BREAKDOWN

National 5 Financial Services SCQF Level 5:

- Financial Services: Introduction
- Financial Services: Personal Finance Awareness
- Financial Services: Building Positive
- Relationships with Customers and Colleagues
- Financial Services: Employability Skills

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Employment opportunities after training such as, bank or building society customer branch adviser, pension funds, investment companies, insurance, unit trusts, stock market operations, life and pensions, asset management and intermediation.
- A full time higher education course, such as a Higher National Certificate (HNC), Higher National Diploma (HND) or degree. The level you might enter would depend on the level and relevance of your other qualifications.
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

FINANCIAL SERVICES

City of Glasgow College – City Campus SCQF Level 6 – Open to S5/6 Pupils

COURSE OUTLINE

The National Progression Award in Financial Services is designed to introduce you to the world of Financial Services through a blend of employer engagement workshops and activities, including The Investment Challenge. Working in a team, you will use an online business simulation to grow a virtual investment fund, making decisions on what to buy and sell based on your own research from incoming news stories. You will develop your communication, customer service and employability skills, and will create and maintain a personal budget whilst considering the issues surrounding borrowing and debt. You will learn how the Financial Services sector contributes to the economy, the different institutions operating in the sector and the job roles and career paths available.

ATTENDANCE PATTERN

Tuesday and Thursday afternoons (1.30pm to 4pm).
The duration of the course is August to April.

Please note, you will travel home independently by bus or train from the City of Glasgow College. Please refer to the Scottish Government free travel for young people under 22.

PUPIL ELIGIBILITY

You must:

- have 2 passes at National 5 which must include English
- be able to work towards a Higher qualification.

QUALIFICATION BREAKDOWN

National Progression Award in Financial Services SCQF Level 6:

- Financial Services: The Regulatory Framework
- Financial Services: Communication
- Financial Services: Promoting Positive Customer Relationships
- Financial Services: Personal Finance Aw

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Employment opportunities after training such as, bank or building society customer branch adviser, pension funds, investment companies, insurance, unit trusts, stock market operations, life and pensions, asset management and intermediation.
- A full time higher education course, such as a Higher National Certificate (HNC), Higher National Diploma (HND) or degree. The level you might enter would depend on the level and relevance of your other qualifications
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond

FRENCH

National 5 (SCQF Level 5)

COURSE OUTLINE

Learning a new language enables you to make connections with different people and their cultures and to play a fuller part as global citizens. The ability to use language effectively lies at the centre of thinking and learning. Candidates reflect, communicate and develop ideas through language. The course will provide you with the opportunity to develop your skills in reading, listening, talking and writing, which are essential for learning, for work and for life; to use different media effectively for learning and communication; to develop understanding of how language works; and to use language to communicate ideas and information.

PUPIL ELIGIBILITY

You should have:

- National 4 French

QUALIFICATION BREAKDOWN

National 5 French SCQF Level 5:

Reading and Writing; Listening

Candidates will be assessed on all four contexts: society, learning, employability, and culture.

Performance—talking

Candidates will be assessed on at least two of these four contexts: society, learning, employability, and culture.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Higher French

FRENCH

Higher (SCQF Level 6)

COURSE OUTLINE

This course provides the opportunity to further develop talking, listening, reading and writing skills. A variety of topics are studied based on four contexts: society, learning, employability and culture. French will be used in class as much as possible and pupils will frequently work with our French Assistant to improve their talking skills. Authentic videos, texts and listening materials will be used. Pupils will develop an in-depth understanding of how French works to enable them to use their knowledge to say and write what they want in French, rather than learning phrases off by heart. Successful completion of the Higher French course will provide pupils with a good level of language competence.

PUPIL ELIGIBILITY

You must have:

- National 5 French A or B

QUALIFICATION BREAKDOWN

Higher French SCQF Level 6:

- Unit Name: Understanding Language: Reading and Listening
 - Unit Name: Using language: Talking and Writing
- Final Exam: Including internally assessed talking performance.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Advanced Higher French

Advanced Higher (SCQF Level 7)

COURSE OUTLINE

The Advanced Higher French course will allow you to develop further your language skills to a level of competence, whether or not you intend to follow a language course in higher or further education. The course provides you with the opportunity to further develop your skills of reading, listening, talking and writing. In addition it will contribute to your general education through consideration of intellectually stimulating topics. As far as possible, the foreign language is the medium of instruction and discussion. You will have access to a range of authentic materials including videos, newspapers and magazines.

PUPIL ELIGIBILITY

You must have:

- Higher French at A or B

QUALIFICATION BREAKDOWN

Advanced Higher French SCQF Level 7:

- Unit Name: Understanding Language: Reading and Listening
- Unit Name: Using language: Talking and Writing
- Specialist Study

Final Exam: Including an externally assessed talking performance

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Further study of French at Higher or Further education

GEOGRAPHY

Higher (SCQF Level 6)

COURSE OUTLINE

The purpose of Higher Geography is to develop your understanding of our changing world and its human and physical processes. Opportunities for practical activities, including fieldwork, will be encouraged, so that learners can interact with their environment.

The contexts for study are local, national, international and global. Geography draws on the social and natural sciences so it is at heart an interdisciplinary subject and has links with many other subjects. The study of Geography fosters positive life-long attitudes about environmental stewardship, sustainability and global citizenship.

PUPIL ELIGIBILITY

You must have:

- National 5 geography or another social subject

QUALIFICATION BREAKDOWN

Higher Geography SCQF Level 6:

- Geography: Physical Environments
- Geography: Human Environments
- Geography: Global Issues

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Further study of a social subject at higher level or Advanced Higher Geography

GEOGRAPHY

Advanced Higher (SCQF Level 7)

COURSE OUTLINE

The Advanced Higher Geography course will give you the opportunity to develop a range of cognitive skills and geographical skills. It encourages active learning which will include fieldwork, in the process of developing a high level of knowledge and understanding of geographical issues. You will acquire and apply relevant knowledge and evaluating, investigating, and analysing skills, at an appropriate level, in order to understand and explain geographical issues.

PUPIL ELIGIBILITY

You must have:

- Higher Geography at A or B level
- Higher English at B level or above

QUALIFICATION BREAKDOWN

Advanced Higher Geography SCQF Level 7:

- Geographical Skills
- Geographical Issues
- Skills, Knowledge and Understanding

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- A qualification in Advanced Higher Geography is excellent preparation for further education at college or university due to the independent nature of the course.

GRAPHIC COMMUNICATION

National 5 (SCQF Level 5)

COURSE OUTLINE

The National 5 Graphic Design course will give you the opportunity to develop skills in graphic communication techniques, including the use of equipment, materials and software. You will extend and apply knowledge and understanding of graphic communication standards, protocols and conventions, where these apply. The course will help you gain an understanding of the impact of graphic communication technologies on our environment and society.

PUPIL ELIGIBILITY

You must have:

- There are no formal entry requirements to pursue this course

QUALIFICATION BREAKDOWN

National 5 Graphic Communication SCQF Level 5:

- 2D Graphic Communication
- 3D and Pictorial Graphic Communication

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Further study of Graphic Communication at Higher level

GRAPHIC COMMUNICATION

Higher (SCQF Level 6)

COURSE OUTLINE

The Higher Graphic Communication course will give you the opportunity to develop skills in graphic communication techniques, including the use of equipment, graphics, materials and software, creativity in the production of graphic communications to produce visual impact. You will gain skills in evaluating the effectiveness of graphics in communicating and an understanding of the impact of graphic communication technologies on our environment and society.

PUPIL ELIGIBILITY

You must have:

- Graphic Communication at National 5

QUALIFICATION BREAKDOWN

Higher Graphic Communication SCQF Level 6:

- 2D Graphic Communication Unit
- 3D and Pictorial Graphic Communication Unit

COURSE ASSESSMENT

1. Course Work – 90 Marks
2. Examination – 50 Marks

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Further study of Graphic Communication at Advanced Higher level

GRAPHIC COMMUNICATION

Advanced Higher (SCQF Level 7)

COURSE OUTLINE

Course Outline The Advanced Higher Graphic Communication course will allow you to gain an understanding, which directly supports graphic designing and communication activities in the various contexts of technical activities. It will enable you to experience graphic communication in technical detail through exploring the purposes, applications and audience requirements.

You will have an opportunity to develop an interest in the broad commercial and visual media use of graphics which might include presentation work, magazines, newspapers, informational manuals, static promotional work, website page layout, graphic design, advertising and point of sale, digital media, games, animation, expressive arts, electronic-based learning and advertising. Graphic design work will be iterative, with an expectation of review, evaluation, amendment and presentation, and with a deep understanding of the needs of the intended audience.

PUPIL ELIGIBILITY

You must have:

- Higher Graphic Communication

QUALIFICATION BREAKDOWN

Advanced Higher Graphic Communication SCQF Level 7:

- Technical Graphics
- Commercial and Visual Media Graphics

COURSE PROJECT

You will undertake an independent project where you will identify and select your own problem and will aim to solve it utilising skills in graphic communication. You will select either a technical graphics or visual media approach. The final project will showcase what you can do and will provide you with an extensive portfolio that can be utilised when applying for jobs or university/college courses.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

- A qualification in Advanced Higher Graphic Design can prepare pupils well for further education as it develops independent learning. This qualification is also of use for pupils wanting to go on to study Design, Architecture or Engineering courses.

GROW, COOK AND EAT

West College Scotland – Paisley Campus & Eastwood Allotments SCQF Level 1 – Open to S4/5/6 Pupils

COURSE OUTLINE

West College Scotland will provide a broad, experiential introduction to the horticulture and hospitality sectors. You will learn about baking, how to select a product to bake, identify the ingredients required, and follow the correct sequence to make your chosen product using the correct tools safely and hygienically along with general horticulture duties. The programme ends with you harvesting vegetables and herbs in May and using these, we hope to prepare a lunch in June for invited guests and family.

ATTENDANCE PATTERN

Wednesday (10am to 12 noon).

The duration of the course is August to June.

PUPIL ELIGIBILITY

You should have:

- An interest in Horticulture
- An interest in Bakery

VOCATIONAL OPTION BREAKDOWN

One SQA SCQF Level 1 Unit:

- Food Preparation: Baking

Please note: you will be handling eggs and dairy products.

GARDENING SKILLS – COLLEGE CERTIFICATE

- Indoor Propagation – growing from seed, taking cuttings, feeding, watering and pricking out
- Outdoor Cultivation – ground preparation, weeding, planting out and watering
- Understanding of Health and Safety instructions and why they are important during activities
- Meeting personal targets while in a learning situation
- Completing allocated activities while supervised
- Selecting, cleaning and storing the appropriate materials used

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

- A practical based course covering a range of gardening skills used whilst growing a selection of vegetables and herbs
- Progression to horticultural related and personal and social education suite units
- Training in the hospitality industry. You would normally train on the job or off the job at college, restaurant kitchen, professional catering kitchen or training centre

PUPIL ELIGIBILITY

You must have:

- National 5 History or another social subject

QUALIFICATION BREAKDOWN

Higher History SCQF Level 6:

- Historical Study: British
- Historical Study: European and World
- Historical Study: Scottish

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Further study of another social subject at Higher level or Advanced Higher History

HISTORY

Advanced Higher (SCQF Level 7)

COURSE OUTLINE

The Advanced Higher History course is designed to add to the breadth and depth of your knowledge and understanding of historical concepts through study of chosen contexts. It also aims to develop your skills in evaluating events and sources and of investigating issues. It will provide the opportunity to integrate these skills in an extended piece of individual research.

PUPIL ELIGIBILITY

You must have:

- Higher pass in History at A or B level
- Higher English at B or above

QUALIFICATION BREAKDOWN

Advanced Higher History SCQF Level 7:

- Historical Study - Britain: at war, 1938-51
- Researching Historical Issues

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- A qualification in advanced higher history is excellent preparation for further education at college or university due to the independent nature of the course

HOSPITALITY

Skills For Work Level 5

COURSE OUTLINE

This Skills for Work Hospitality Course provides an introduction to the different commercial and non-commercial sectors of the hospitality industry and the types of provision they offer. You will also learn about the organisational aims of hospitality establishments and the products and services they provide.

You will develop practical skills and knowledge in: menu planning; preparing, cooking and presenting a range of foods in a professional kitchen; serving food and drinks; undertaking reception duties and customer care; and planning, organising and running a small hospitality event.

PUPIL ELIGIBILITY

There are no formal entry requirements for this course.

QUALIFICATION BREAKDOWN

1. Skills for Working in the hospitality Industry
2. Developing Skills for Working in the Professional Kitchen
3. Events
4. Front of House Operations

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Further study at college in a related area or employment in the hospitality sector

HOSPITALITY – FOUNDATION APPRENTICESHIP

City of Glasgow College – City Campus SCQF Level 5 – Open to S4/5/6 Pupils

COURSE OUTLINE

The Foundation Apprenticeship in Hospitality will give you an opportunity to develop practical skills necessary to work in the hospitality sector. City of Glasgow College will provide you the skills and qualities, both practical and interpersonal, in order to progress into employment in hospitality job roles. You will carry out a range of food preparation techniques while working in a team, following food hygiene procedures and serving a finished product to customers. In addition, you will learn all of the different components necessary to plan, organise and deliver a real life event.

ATTENDANCE PATTERN

Tuesday and Thursday afternoons (1.30pm to 4pm).
The duration of the course is August to April.

Please note, you will travel home independently by bus or train from the City of Glasgow College. Please refer to the Scottish Government free travel for young people under 22.

PUPIL ELIGIBILITY

You must have:

- National 4 English and Maths
- An interest in the Hospitality Industry, Professional Cookery and Events

QUALIFICATION BREAKDOWN

Foundation Apprenticeship in Hospitality Level 5 SCQF Level 5:

- Developing Skills for Working in Hospitality
- Events
- Developing Skills for Working in the Professional Kitchen
- Front of House Operations
- Work Based Challenge

A Foundation Apprenticeship is a work based learning apprenticeship, where you are expected to attend industry talks, industry visits and work related training.

Please note: you will be handling meat, eggs and dairy products.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- National Certificate (NC), Higher National Certificate (HNC) or Higher National Diploma (HND) in Events or other Hospitality related subjects

You might also go on to do:

- a Modern Apprenticeship in the hospitality industry, leading to a relevant Scottish Vocational Qualification (SVQ) Levels 2 and 3. You would normally train on the job or off the job at college, restaurant kitchen, professional catering kitchen or training centre. Apprenticeships usually last for two or three years. You will need to be 18 years of age or older for some of the jobs in this sector

INTRODUCTION TO ALLIED HEALTH PROFESSIONS

Glasgow Clyde College – Langside Campus SCQF Level 5

COURSE OUTLINE

This course will provide you with an introduction to a range of Allied Health Professions (AHP) which will allow you to examine a future career in health care e.g. paramedics, occupational therapy, physiotherapy, radiographer. It will consist of some practical sessions within the college carrying out basic healthcare skills such as prevention of infection, first aid and will also explore the care values and principles embedded in a healthcare role. The roles available within Allied Health Professions will be explored and the responsibilities of a health care professional will be addressed. Lecturers will be able to share experience of direct work in a wide range of future education and career choices.

ATTENDANCE PATTERN

Tuesday and Thursday afternoons (1.30pm to 4pm).
The duration of the course is August until April.

PUPIL ELIGIBILITY

You must have:

- National 5 Maths and English

QUALIFICATION BREAKDOWN

Please note you will be studying 4 of the following Units at SCQF level 5, this is not a Group Award:

- Prevention of Infection
- Introduction to First Aid
- Understanding Mental Health
- Working in the Health Sector (Skills for Work)
- Physiology of the cardiovascular system
- Care Values and Principles

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

On successful completion of this course, you will have the opportunity to be treated as an internal applicant. This will also be dependent on your attendance and commitment to this course. You could progress on to one of the following full-time programmes. The level you might enter would depend on the level and relevance of your other qualifications.

You might go on to do:

- National Certificate (NC) Level 6 Health Care (Pre-Nursing and Healthcare course with clinical placement on average one day per week).
- Higher National Certificate (HNC) Healthcare Practice (Equivalent to First Year Nursing)
- Higher National Certificate (HNC) Occupational Therapy Support (equivalent to first year OT degree). Candidates require to have successfully completed the Level 6 course plus have two additional Highers, one of which must be English and attend an information/group discussion session at the college campus.

The level you might enter would depend on the level and relevance of your other qualifications. Entry level jobs and training, including Modern Apprenticeships in the Health and Social care industry.

- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

WHAT ARE A FEW OF THE META SKILLS I WILL DEVELOP?

Critical Thinking

- Deconstruction
- Logical Thinking
- Judgement
- Computational Thinking

Focusing

- Sorting
- Attention
- Filtering

Leading

- Inspiring Others
- Influencing
- Motivating Others
- Developing Others
- Change Catalyst

INTRODUCTION TO CONSTRUCTION

Glasgow Kelvin College – East End Campus SCQF Level 4 – *Open to S4/5/6 Pupils*

COURSE OUTLINE

The Course includes practical construction crafts units in 3 trade areas. It is a suitable level of entry for candidates with an aptitude for practical crafts work who can cope with demands at National 4. You will learn a variety of skills in the trade specific units. In addition, you will develop skills and attitudes that enhance employability, not just in the construction industry but in employment generally.

ATTENDANCE PATTERN

Tuesday & Thursday afternoons (1.30pm to 4pm).
The duration of the course is August to June.

PUPIL ELIGIBILITY

You must have a genuine interest in construction.

QUALIFICATION BREAKDOWN

Please note, you will be studying 4 units at SCQF Level 4, this is not a Group Award:

- Intro to Brickwork
- Intro to Carpentry and Joinery
- Intro to Roof Slating and Tiling
- Understanding Industry

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- A Modern Apprenticeship in construction at craft or operative level. You would train on the job, on a building site or workshop, and off the job at a college or training centre
- A 1 year full time course National Certificate (NC) or National Qualification (NQ) course, in a related area of study such as Construction Skills or Construction Crafts at a college of further education
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

INTRODUCTION TO JEWELLERY ARTS AND TECHNOLOGY

City of Glasgow College – City Campus SCQF Level 5 – Open to S5/6 Pupils

COURSE OUTLINE

This National Progression Award in Jewellery Arts and Technology course will provide you with the opportunity to develop a comprehensive range of skills in Jewellery Design, with a design-led focus. You will be encouraged to develop your own creative ideas and will be taught how to translate these ideas into finished, 3D pieces of jewellery. The course will cover areas such as metal forming, piercing, soldering, surface decoration and design work. There is a strong ethos of ethical making and sustainability, which will be embedded into your learning.

ATTENDANCE PATTERN

Tuesday & Thursday afternoons (1.30pm to 4pm).
The duration of the course is August to April.

Please note, you will travel home independently by bus or train from the City of Glasgow College. Please refer to the Scottish Government free travel for young people under 22.

PUPIL ELIGIBILITY

You must have:

- National 5 English and an Art or Craft/Design subject
- a genuine interest in the Jewellery Arts Industry

QUALIFICATION BREAKDOWN

National Progression Award in Jewellery: Manufacturing Techniques: An Introduction SCQF Level 5:

- Jewellery: Marking Out
- Jewellery: Piercing
- Jewellery: Soldering
- Jewellery: Working with Wire
- Jewellery: Polishing

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- A full time higher education course, such as a Higher National Certificate (HNC), Higher National Diploma (HND) or degree, in Jewellery Arts and Technology, Applied Arts or related area of study. The level you might enter would depend on the level and relevance of your other qualifications
- Employment opportunities, such as: Working as a Solo Jeweller, Designer or Artist
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

INTRODUCTION TO MIDWIFERY AND CHILDREN'S NURSING

Glasgow Clyde College – Cardonald Campus SCQF Level 4/5 – Open to S5/6 Pupils

COURSE OUTLINE

This course will provide you with an introduction to Midwifery and Children's Nursing and other healthcare professions which will allow you to examine a career in nursing or health consisting of some practical sessions within the college skills lab carrying out basic nursing skills such as bathing babies and undertaking clinical observations. You will explore how to care for children and the responsibilities and values of a health care professional will be addressed. You will also examine risks to health care staff and how to improve health & wellbeing. Guest speakers from the health care sector, real life experience and the opportunity for site visits will ensure that you develop a clear understanding of the career paths available in this sector.

ATTENDANCE PATTERN

Tuesday and Thursday afternoons (1.30pm to 4pm).
The duration of the course is August until April.

PUPIL ELIGIBILITY

You must have:

- 2 passes at National 5, 1 of which should be English
- an interest in the subject area

QUALIFICATION BREAKDOWN

Please note you will be studying 5 Units at SCQF level 4/5, this is not a Group Award:

- Care of children
- Basic Health care needs
- Essential skills for maternity & neonatal care
- Improving Health & Wellbeing
- Introduction to midwifery and children's nursing (college certificate)

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

National Certificate (NC) SCQF Level 6 Health Care (Pre-Nursing course with clinical placement on average 1 day per week). Candidates require to have successfully completed the full Introduction to Midwifery and Children's Nursing Course plus 3 credit passes at NAT 5 level.

Higher National Certificate (HNC) Healthcare Practice (Equivalent to First Year Nursing). Candidates require to have successfully completed the Intro to Midwifery & Children's Nursing Course plus have 2 additional Highers which must include English.

The level you might enter would depend on the level and relevance of your other qualifications. Entry level jobs and training, including Modern Apprenticeships in the Health and Social care industry.

- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

INTRODUCTION TO NURSING

Glasgow Clyde College – Cardonald Campus SCQF Level 5/6 – Open to S5/6 Pupils

COURSE OUTLINE

The Introduction to Nursing programme will provide you with an introduction to the nursing profession which will allow you to examine a career in nursing or health care. The course consists of practical sessions within the college skills lab carrying out foundation nursing skills and prevention of infection. An introduction to mental health and first aid will be included. You will investigate professional standards and accountability in effective care practice and gain academic skills that will prepare you for future university study.

ATTENDANCE PATTERN

Tuesday and Thursday afternoons (1.30pm to 4pm).
The duration of the course is August to April.

PUPIL ELIGIBILITY

You must have:

- National 5 Maths and English
- be sitting or have achieved at least two Highers that meet the Glasgow Caledonian Pathway requirements at A or B level - one Higher must be an essay/written subject).

VOCATIONAL OPTION BREAKDOWN

Please note you will be studying 4 Units at SCQF level 5/6, this is not a Group Award:

- Academic Writing for Health Care
- Introduction to Mental Health
- Foundations of Care Practice
- First Aid

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

On successful completion of this course, you will have the opportunity to be treated as an internal applicant or progress to Glasgow Caledonian University directly. This will also be dependent on your attendance and commitment to this course. To progress to Glasgow Caledonian University adult or learning disability BSc Nursing studies degrees, you must have the entry requirements of two Highers at a B Grade (one Higher must be an essay/written subject). You must also pass this Introduction to Nursing Programme and be highly recommended by the college.

If you do not qualify for the Glasgow Caledonian progression, you might go on to do:

- National Certificate (NC) Level 6 Health Care (Pre-Nursing course with clinical placement on average one day per week)
- Higher National Certificate (HNC) Healthcare Practice (Equivalent to First Year Nursing). You will be required to have successfully completed the Intro to Nursing plus have one additional Highers, one of which must be essay/written subject
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

INTRODUCTION TO TEACHER EDUCATION

University of Strathclyde – John Anderson Campus

Open to S6 Pupils

COURSE OUTLINE

The Introduction to Teacher Education will provide you with an introduction to the teaching profession – both primary and secondary. You will explore four themes, where you will be drawing on your previous experiences to highlight your own key strengths and examining how these attributes are desirable in Education. You will look at what you know about pupil engagement and success in learning and will experience different approaches. You will have the opportunity to consider the various components that contribute to effective learning and teaching and build skills in these areas. You will get the opportunity to plan, design, deliver and evaluate lessons and learning opportunities. Links will be made to any work experience/volunteering you are currently undertaking.

In addition, you will review what you know about learning and teaching, and identifying what you have gained from the programme with a view to supporting you in generating your personal statements, assisting and preparing you for the application process.

ATTENDANCE PATTERN

Tuesday & Thursday afternoons (1.30pm to 4pm).
The duration of the course is August to December.

Please note, you will travel home independently by bus or train from Strathclyde University. Please refer to the Scottish Government free travel for young people under 22.

PUPIL ELIGIBILITY

You must have:

- A pass in Higher English at A or B level
- A pass in National 5 Maths at Grade C or above

QUALIFICATION BREAKDOWN

Personal Development: Practical Abilities SCQF Level 6:

- Prepare to develop practical abilities within a project(s)
- Develop practical abilities
- Review own practical abilities used in a project(s)

During this course, you will be required to do a placement (this will be discussed with your school to best fit with your timetable and current studies). Please note, you will travel independently by bus or train when participating in your placement.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- BA in Primary Education
- Other university course to study a subject relevant to teaching followed by a PGDE
- BA Education Studies
- Joint honours programme with Education as a subject
- Employment opportunities after training such as, teacher - primary or early years, classroom assistant or teacher - additional support for learning
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond

JOURNALISM

City of Glasgow College – Cardonald Campus SCQF Level 5 – Open to S5/6 Pupils

COURSE OUTLINE

The National Progression Award aims to provide you with an introduction to the activities involved in journalism. Glasgow Clyde will provide you with the opportunity to interview contributors to enable you to get the best information from your interviewee and you'll learn about the journalism and content production industry in Scotland and the UK. This course will provide you with the knowledge, skills and resources to produce your own stories and the opportunities to cover stories on a range of subject areas such as general news, social issues, entertainment, fashion, politics, sport and gaming. You will create articles for an online newspaper that you and your colleagues on the course will develop. Within that article, you will be able to showcase your writing and photography skills and film and edit short videos.

ATTENDANCE PATTERN

Tuesday & Thursday afternoons (1.30pm to 4pm).
The duration of the course is August to April.

PUPIL ELIGIBILITY

You must have:

- English, Communication or Media Studies at SCQF Level 5

WHAT ARE A FEW OF THE META SKILLS I WILL DEVELOP?

Critical Thinking

- Deconstruction
- Logical Thinking
- Judgement
- Computational Thinking

Focusing

- Sorting
- Attention
- Filtering

Leading

- Inspiring Others
- Influencing
- Motivating Others
- Developing Others
- Change Catalyst

QUALIFICATION BREAKDOWN

National Progression Award Journalism SCQF Level 6:

- Media: Research and Interview Skills for Journalism
- Media: Feature Writing
- Media: News Writing for Print
- Media: Basic Website Development

COURSE ASSESSMENT

You will study a range of media artefacts before undertaking a research and production project.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

Upon successful completion and subject to attendance, effort and commitment you will be offered an Unconditional place within Glasgow Clyde College on one of the following courses. The level you might enter would depend on the level and relevance of your other qualifications.

You might go on to do:

- Higher National Diploma (HND) Journalism and Content Production course
- Higher National Diploma (HND) Media and Communication
- Higher National Diploma (HND) Digital Film and Television
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond

MATHEMATICS

National 5 (SCQF Level 5)

COURSE OUTLINE

The National 5 Mathematics course aims to build upon skills learned within the curriculum for excellence and extend candidates' mathematical thinking. You will be given the opportunity to develop problem-solving skills with emphasis being placed on developing an appreciation of the power of mathematical language and the efficiency of algorithms in preparation for the Higher course.

PUPIL ELIGIBILITY

You must have:

- National 4 Mathematics

QUALIFICATION BREAKDOWN

National 5 Mathematics SCQF Level 5:

- Expressions and Formulae
- Applications
- Relationships

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

The skills and knowledge of mathematics gained at National 5 level is useful in many scientific, technological, engineering and mathematical (STEM) contexts.

You might go on to do:

- Higher Mathematics
- A full time higher education course, such as a Higher National Certificate (HNC), Higher National Diploma (HND) or degree

The level you might enter would depend on the level and relevance of your other qualifications.

MATHEMATICS

Higher (SCQF Level 6)

COURSE OUTLINE

The Higher Mathematics course will give you the opportunity to gain confidence in applying mathematical techniques proficiently, manipulating symbolic expressions and communicating with mathematical correctness in the solution of problems. In addition, you will develop an understanding of underlying processes. They will involve the ability to use these skills within mathematical contexts, such as in solving equations or working with indices, surds and logarithms.

PUPIL ELIGIBILITY

You must have:

- National 5 Mathematics at A or B level

QUALIFICATION BREAKDOWN

Higher Mathematics SCQF Level 6:

- Expressions and Functions
- Relationships and Calculus
- Applications

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- A full time higher education course, such as a Higher National Certificate (HNC), Higher National Diploma (HND) or degree. The level you might enter would depend on the level and relevance of your other qualifications

MATHEMATICS

Advanced Higher (SCQF Level 7)

COURSE OUTLINE

The Advanced Higher Mathematics course aims to build upon and extend your mathematical skills, knowledge and understanding in a way that recognises problem solving as an essential skill and enables them to integrate their knowledge of different aspects of the subject. You will have the opportunity to develop a range of mathematical skills and in addition, skills in calculus, algebra and areas such as number theory, complex numbers and matrices.

PUPIL ELIGIBILITY

You must have:

- Higher Mathematics at A or B level

QUALIFICATION BREAKDOWN

Advanced Higher Mathematics SCQF Level 6:

- Methods in Algebra and Calculus
- Applications in Algebra and Calculus
- Geometry, Proof and Systems of Equations

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- A full time higher education course, such as a Higher National Diploma (HND) or degree. The level you might enter would depend on the level and relevance of your other qualifications.

MATHEMATICS

(Applications of) with National 5 Numeracy National 4 (SCQF Level 4)

COURSE OUTLINE

The National 4 Applications of Mathematics course aims to build upon skills learned within the curriculum for excellence and extend candidates' practical mathematical thinking. You will be given the opportunity to develop problem solving skills as well as your confidence and independence in handling information and mathematical tasks in both personal life and the workplace.

PUPIL ELIGIBILITY

You must have:

- National 3 Applications of Mathematics with National 4 Numeracy

QUALIFICATION BREAKDOWN

National 4 Applications of Mathematics SCQF Level 4:

- Managing Finance and Statistics
 - Geometry and Measure
- with
- National 5 Numeracy

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

The skills and knowledge of mathematics gained at National 4 Applications of Mathematics level is useful in many technological, vocational, scientific, social and environmental contexts.

You might go on to do:

- National 5 Applications of Maths
- A full time further or higher education course, such as a Higher National Certificate (HNC) or Higher National Diploma (HND).

The level you might enter would depend on the level and relevance of your other qualifications.

MATHEMATICS

(Applications of) National 5 (SCQF Level 5)

COURSE OUTLINE

The National 5 Applications of Mathematics course aims to build upon skills learned within the curriculum for excellence and extend candidates' practical mathematical thinking. You will be given the opportunity to develop problem-solving skills as well as your confidence and independence in handling information and mathematical tasks in both personal life and the workplace.

PUPIL ELIGIBILITY

You must have:

- National 4 Applications of Mathematics or equivalent

QUALIFICATION BREAKDOWN

National 5 Applications of Mathematics SCQF Level 5:

- Managing Finance and Statistics
- Geometry and Measure
- Numeracy

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

The skills and knowledge of mathematics gained at National 5 Applications of Mathematics level is useful in many technological, vocational, scientific, social and environmental contexts.

You might go on to do:

- A full time further or higher education course, such as a Higher National Certificate (HNC), Higher National Diploma (HND) or degree. The level you might enter would depend on the level and relevance of your other qualifications.

MECHANICAL ENGINEERING

Glasgow Kelvin College – Springburn Campus SCQF Level 7 – Open to S6 Pupils

COURSE OUTLINE

The Higher National Certificate (HNC) in Mechanical Engineering is a unique opportunity to complete a recognised qualification within 1 year and providing you with the opportunity to progress to HND Level or University. This course can enhance your potential prospects for employment in engineering and create opportunities for aspiring engineers and technicians.

You will study the fundamental concepts of mechanical engineering including dynamics, statics, thermodynamics and fluid mechanics. You will gain skills in subjects such as CAD, engineering drawing and other industry essential subjects and you will learn within the classroom, CAD laboratory and a purpose built engineering laboratory.

ATTENDANCE PATTERN

Monday and Tuesday all day.

Please note, that unlike other options, this course requires continuous attendance from August to June and may impact on other subjects attendance. In addition, you will travel independently by bus or train.

PUPIL ELIGIBILITY

You must have:

- Higher Maths or Higher Physics

QUALIFICATION BREAKDOWN

**Higher National Certificate in Mechanical Engineering
SCQF level 7:**

- Dynamics
- Thermofluids
- Pneumatics & Hydraulics
- Statics and Strength of Materials
- Materials Selection
- Engineering Mathematics 1
- Communication: Practical Skills
- Quality Management: An Introduction
- Engineering Principles
- Computer Aided Design
- Engineering Drawing

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Higher National Diploma (HND) Mechanical Engineering
- University (Subject to university entry criteria)
- Employment as a junior technician or engineering apprentice
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

MEDIA AND CONTENT PRODUCTION

Glasgow Clyde College – Cardonald Campus SCQF Level 6 – Open to S5/6 Pupils

COURSE OUTLINE

The National Progression Award (NPA) in Creative and Digital Media will provide you with the opportunity to develop practical skills to create a podcast, produce a short film, learn more about the advertising and marketing industry and allow you to create your own advert using Photoshop. You will learn about the introductions of animation, creating your own piece of animation in the process. Through the completion of practical projects, you'll learn how to use Adobe video and image editing software as well as audio editing software.

ATTENDANCE PATTERN

Tuesday and Thursday afternoons (1.30pm to 4pm).
The duration of the course is August until April.

PUPIL ELIGIBILITY

You must:

- have achieved 4 National 5's (A-C), which should include English
- be capable of working at SCQF Level 6 (Higher) English
- have a genuine interest in the media industry

QUALIFICATION BREAKDOWN

National Progression Award (NPA) in Creative and Digital Media: Technologies, Processes and Practices – SCQF Level 6:

- Creative Industries: An Introduction – Scotland
- Creative Industries: Understanding a Creative Brief
- Media: Understanding the creative process
- Storytelling for the Creative Industries

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Employment opportunities after training such as, broadcast journalist, camera operator, film media technician, film or video editor, lighting technician, technician or TV, Film or radio
- A full time higher education course, such as a Higher National Certificate (HNC), Higher National Diploma (HND) or degree. The level you might enter would depend on the level and relevance of your other qualifications
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

WHAT ARE A FEW OF THE META SKILLS I WILL DEVELOP?

Critical Thinking

- Deconstruction
- Logical Thinking
- Judgement
- Computational Thinking

Focusing

- Sorting
- Attention
- Filtering

Leading

- Inspiring Others
- Influencing
- Motivating Others
- Developing Others
- Change Catalyst

MENTAL HEALTH AND WELLBEING AWARD

(SCQF Level 5)

COURSE OUTLINE

This course will discuss what is meant by the terms 'mental health' and 'wellbeing' for individuals and wider society, it will seek to explain a range of mental health issues and describe the role of the brain in relation to mental health and wellbeing. This course has no final exam but you will be expected to meet the course outcomes listed in the qualifications breakdown.

PUPIL ELIGIBILITY

There are no formal entry requirements for this course, however, you should have an interest in mental health and wellbeing.

QUALIFICATION BREAKDOWN

- Outcome 1: Understanding Mental Health Issues
- Outcome 2: Influences on Mental Health and Wellbeing
- Outcome 3: Coping Strategies and Building Resilience

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

The award in Mental Health and Wellbeing at SCQF level 5 may help you to progress towards employment, training or other qualifications within the area of Health and Social Care.

MENTAL HEALTH AND WELLBEING

City of Glasgow College – City Campus SCQF Level 6 – Open to S5/6 Pupils

COURSE OUTLINE

The National Progression Award in Mental Health and Wellbeing course is designed to help you explore Mental Health issues. You'll discuss stigma around mental health and wellbeing and gain insight into how you can develop support yourself and others. Working as part of a supportive group you'll examine the influences of mental health and wellbeing, coping strategies and resilience. You will investigate the myths surrounding mental health, develop awareness of the impact of mental health has on behaviour and explore how social media and the internet impacts on mental health and wellbeing.- This is an interactive and engaging class linking and developing knowledge through learning development and project work.

ATTENDANCE PATTERN

Tuesday & Thursday afternoons (1.30pm to 4pm).
The duration of the course is August to April.

Please note, you will travel home independently by bus or train from the City of Glasgow College. Please refer to the Scottish Government free travel for young people under 22.

PUPIL ELIGIBILITY

You must have:

- 3 passes at National 5 (A-C), 1 of which should be English

This course would particularly suit students who are looking to make a positive impact on their individual mental health and wellbeing.

QUALIFICATION BREAKDOWN

National Progression Award in Mental Health SCQF Level 6:

- Understanding Brain Health
- Influences on Mental Health and Wellbeing
- Promoting Mental Health and Wellbeing
- The Impact of the Digital Society and the Information Age on Mental Health and Wellbeing

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Higher National Certificate (HNC) Youth Work, Paramedic Science, Occupational Health or Counselling. The level you might enter would depend on the level and relevance of your other qualifications. Entry level jobs and training, including Modern Apprenticeships in the Health and Social care industry.
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

WHAT ARE A FEW OF THE META SKILLS I WILL DEVELOP?

Critical Thinking

- Deconstruction
- Logical Thinking
- Judgement
- Computational Thinking

Focusing

- Sorting
- Attention
- Filtering

Leading

- Inspiring Others
- Influencing Others
- Motivating Others
- Developing Others
- Change Catalyst

MODERN STUDIES

Higher (SCQF Level 6)

COURSE OUTLINE

The Higher Modern Studies course is designed to equip you with the skills necessary for today's society. By studying the Higher course it is hoped that you will improve your ability to understand, through research, discussion and debate, many contemporary issues within the UK and the wider world. The course requires candidates to study issues from within the UK and the wider world.

PUPIL ELIGIBILITY

You must have:

- National 5 Modern Studies or another social subject

QUALIFICATION BREAKDOWN

Higher Modern Studies SCQF Level 6:

- Democracy in the UK
- Social Issues in the UK
- International Issues

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Further study of Modern Studies at Advanced Higher level or another Social Subject at Higher level

National 5 (SCQF Level 5)

COURSE OUTLINE

The National 5 Music course is designed to provide a broad practical experience of performing and creating music and develop related knowledge and understanding of musical concepts and musical literacy. The course is designed to allow learners to work both individually and collaboratively with others and to make decisions and take responsibility for their own learning.

PUPIL ELIGIBILITY

You must have:

- The dedication to practise two instruments

QUALIFICATION BREAKDOWN

National 5 Music SCQF Level 5:

- Performing Skills Unit
- Composing Skills Unit
- Understanding Music Unit

Course Performance Assessment

You will be asked to prepare a performance programme on two instruments or one instrument/voice. This will be performed to an SQA Visiting Assessor.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Further study of Music at Higher level

Higher (SCQF Level 6)

COURSE OUTLINE

The Higher Music Course is designed to provide a broad practical experience of performing and creating music and develop related knowledge and understanding of musical concepts and musical literacy. The course is designed to allow learners to work both individually and collaboratively with others and to make decisions and take responsibility for their own learning. You will have the opportunity to apply your understanding of music in a creative way. You will experiment and explore using composing, arranging and improvisation techniques as appropriate. In addition, you will analyse how musicians and composers create music in different ways and how music styles are shaped by social and cultural influences.

PUPIL ELIGIBILITY

You must have:

- National 5 Music
- The dedication to practise two instruments

QUALIFICATION BREAKDOWN

Higher Music SCQF Level 6:

- **Performing:** 60 marks (50% of final grade)
- **Composing Assignment:** 30 marks (15% of final grade)
- **Understanding Music:** 60 marks (50% of final grade)

COURSE ASSESSMENT

You will complete a Composition and Review which will be sent to SQA for marking.

The Understanding element is assessed with a final written paper.

You will be asked to prepare a performance programme on two instruments or one instrument and voice. This will be performed to an SQA Visiting Assessor.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Further study of Music at Advanced Higher level

Advanced Higher (SCQF Level 7)

COURSE OUTLINE

The Advanced Higher Music course is designed to provide a broad practical experience of performing and creating music and develop related knowledge and understanding of musical concepts and musical literacy. You will be given the opportunity, through practice and self-reflection, to develop your technical and musical performance skills. The course allows you to apply your understanding of music in a creative way. You will have the opportunity to experiment and explore using composing, arranging and improvisation techniques as appropriate.

PUPIL ELIGIBILITY

You must have:

- A pass in Higher Music at A or B level
- Grade 5 theory (recommended)
- The dedication to practise two instruments

QUALIFICATION BREAKDOWN

Advanced Higher Music SCQF Level 7:

- **Performing:** 60 marks (50% of final grade)
- **Composing Assignment:** 20 marks (15% of final grade)
- **Understanding Music:** 60 marks (50% of final grade)

COURSE ASSESSMENT

You will complete an Assignment which will be sent to SQA for marking. This includes a Composition and Review and an Analytical Commentary.

The Understanding element is assessed with a final written paper.

You will be asked to prepare a performance programme on two instruments or one instrument and voice. This will be performed to an SQA Visiting Assessor.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- A full time higher education course, such as a Higher National Diploma (HND) or degree in Music. The level you might enter would depend on the level and relevance of your other qualifications
- A career in music: Professional Musician, Session Musician, Musical Theatre, Music Teacher, Instrumental Instructor, Music Administration and Promotion, Music Tech/Sound Engineer.

PHOTOGRAPHY

National Progression Award (SCQF Level 5)

COURSE OUTLINE

The units at SCQF level 5 build on and further develop the basic skills acquired at SCQF level 4. They are also suitable for learners who have not completed NPA Photography (SCQF level 4) but who have already attained a basic level of skill, knowledge and understanding in photography. At this level, learners develop their understanding of creative and technical concepts used by photographers. Learners research the work of photographers. Inspired by their research images, learners plan and carry out their own photoshoots. They develop their evaluation skills by identifying strengths and areas for development in photographs. They learn about and apply techniques to make enhancements to photographic images.

PUPIL ELIGIBILITY

Pupils do not need any prior qualifications in photography. The course will provide an introduction to photography and is aimed at those who want to explore their interest in photography, increase their understanding and develop their skills in practical photography and in working with photographs.

These National Progression Awards enable the development of Core Skills and other skills for learning, life and work. They will have opportunities to develop their organisational skills, communication skills and skills in working with ICT.

QUALIFICATION BREAKDOWN

NPA Photography (SCQF level 5) is mainly practical and will further develop learners' interest and skills in photography. Pupils may have completed NPA Photography (SCQF level 4) or have previous experience or an interest in photography. Learners will research photographs in different genres and styles by a range of photographers and learn how to explain the effect of creative and technical concepts used in photographs.

The practical photographic work is based on people and places. Candidates will plan and carry out their own photoshoots based on images which inspire them. When photographing people, pupils should be willing to work with others. There is an emphasis on working safely and on taking composed and controlled images. Practical photography can be done using a basic camera or a camera on a digital device with simple automatic functions.

Pupils will save and organise images securely so that they can be easily retrieved. Candidates will identify strengths and areas for improvement in their photographs and make enhancements to images using a variety of techniques. Pupils will learn how to resize images for different purposes.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

On completion of the NPA Photography (SCQF level 5), you might progress to next level courses in Photography, such as Higher Photography or National Certificate (NC) Photography (SCQF level 6). You may also wish to consider progression to other relevant creative industries courses. The NPA can help you to develop self-confidence, skills in working with others, problem solving skills and the ability to use information and communication technology which should be useful for further study or employment in several different areas.

Other career paths may include:

- Advertising art director
- Film/video editor
- Graphic designer
- Magazine features editor
- Medical illustrator
- Photographer (freelance, medical, fashion, fine art, product etc.)
- Press photographer
- Television camera operator

PHYSICAL EDUCATION

National 5 (SCQF Level 5)

COURSE OUTLINE

The National 5 Physical Education course enables you to develop the skills, knowledge and understanding required to perform effectively in a range of physical activities, and enhance your physical wellbeing. You will be required to work both independently and co-operatively to develop thinking and interpersonal skills. This makes physical education an ideal platform for developing confidence, resilience, responsibility and the ability to work with others. Experiential learning activities will encourage you to develop an understanding of the benefits of participation in physical activities to your mental, emotional, social, and physical wellbeing.

PUPIL ELIGIBILITY

You must have:

- A keen interest in physical activity and sport

QUALIFICATION BREAKDOWN

National 5 Physical Education SCQF Level 5:

- Physical Education: Factors impacting on performance
- Physical Education: Performance

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Higher Physical Education, further study undertaking Higher National Certificates (HNC)/ Higher National Diplomas (HND)

PHYSICAL EDUCATION

Higher (SCQF Level 6)

COURSE OUTLINE

This course gives candidates the opportunity to develop and enhance their movement and performance skills. They develop knowledge and understanding and apply this to the analysis and evaluation of performance in physical activities. Candidates develop their thinking skills through planning, problem solving and analysing performance. Taking part in physical education acts as a stimulus for personal achievement, enabling candidates to develop confidence, resilience, responsibility and the ability to work cooperatively with others. The course promotes awareness of mental, emotional, social and physical wellbeing. Candidates perform in a range of contexts, and develop the ability to reflect on their own performances and those of others.

PUPIL ELIGIBILITY

You must have:

- National 5 Physical Education
- A keen interest in physical activity and sport

QUALIFICATION BREAKDOWN

Higher Physical Education SCQF Level 6:

- Physical Education: Performance Skills
- Physical Education: Factors Impacting on Performance

COURSE ASSESSMENT

Assessment of this course is made up of the following two components:

- Performance
- Factors Impacting Performance (exam paper)

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Further study at a college of further education undertaking Higher National Certificates (HNC), Higher National Diplomas (HND) and degrees in Sports Science, Physiotherapy, P.E. Teaching or Sports Management. The level you might enter would depend on the level and relevance of your other qualifications

PHYSICAL EDUCATION

Advanced Higher (SCQF Level 7)

COURSE OUTLINE

The Advanced Higher Physical Education course will give you the opportunity to research and critically evaluate factors which underpin and impact on performance, and use this knowledge to develop your own high-level performance and/or the performance of others. This course gives you the opportunity to explore key aspects of your performance. You are required to achieve a high level of performance by serious training and by developing disciplined and refined technique. The course aims to develop your knowledge and understanding of the nature and demands of quality performance and of factors which affect performance. The course will contribute to your personal and social development and will promote independent learning.

PUPIL ELIGIBILITY

You must have:

- A pass in Higher Physical Education at A or B level
- A pass in Higher English would be a considerable advantage in this course
- A keen interest in physical activity and sport and performing to a high level

QUALIFICATION BREAKDOWN

Advanced Higher Physical Education SCQF Level 7:

- Physical Education: Performance Skills
- Physical Education: Factors Impacting on Performance

COURSE ASSESSMENT

Assessment of this course is made up of the following two components:

- Performance
- Analysis and Development of Performance

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Further study at a college of further education undertaking Higher National Diplomas (HND) and degrees in Sports Science, Physiotherapy, P.E. Teaching or Sports Management. The level you might enter would depend on the level and relevance of your other qualifications

Higher (SCQF Level 6)

COURSE OUTLINE

The Higher Physics course will develop your curiosity, interest, and enthusiasm for Physics in a range of contexts. The skills of scientific inquiry and investigation are developed throughout the course, and the relevance of physics is highlighted by the study of the applications of physics in everyday contexts.

PUPIL ELIGIBILITY

You must have:

- National 5 Physics
- National 5 Mathematics

QUALIFICATION BREAKDOWN

Higher Physics SCQF Level 5:

- Our Dynamic Universe
- Particles and Waves
- Electricity

COURSE ASSESSMENT

The course assessment has three components: two question papers and an assignment. The relationship between these three components is complementary, to ensure full coverage of the knowledge and skills of the course.

The question papers have a total mark allocation of 155 marks. This contributes 80% to the overall marks for the course assessment.

- Question paper 1 (which is 45 minutes) contains multiple-choice questions and has 25 marks. This is not scaled.
- Question paper 2 (which is 2 hours and 15 minutes) contains restricted-response and extended-response questions and has 130 marks. This is scaled to 95 marks.

The assignment has a total mark allocation of 20 marks. This is scaled to 30 marks by SQA. This contributes 20% to the overall marks for the course assessment.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Further study of Physics at Advanced Higher level
- Further study at a college of further education undertaking Higher National Diplomas (HND) and degrees in Science, Engineering, Medicine and Teaching. The level you might enter would depend on the level and relevance of your other qualifications

Advanced Higher (SCQF Level 7)

COURSE OUTLINE

The Advanced Higher Physics course will give you an opportunity to build on the knowledge and skills developed in the Higher physics course and to use your mathematical knowledge and skills to analyse and solve problems in real-life contexts. Through a deeper insight into the structure of the subject, the course reinforces and extends knowledge and understanding of the concepts of physics and develops skills in investigative practical work.

PUPIL ELIGIBILITY

You must have:

- Higher Physics
- Higher Mathematics

QUALIFICATION BREAKDOWN

Advanced Higher Physics SCQF Level 7:

- Rotational Motion and Astrophysics
- Quanta and Waves
- Electromagnetism

COURSE ASSESSMENT

The course assessment has two components, a question paper and a project.

There is a single question paper worth 155 marks which you are given 3 hours to complete. This is scaled by SQA to represent 75% of the overall marks for the course assessment.

The project has 30 marks. This is scaled by SQA to represent 25% of the final mark.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Further study at a higher education undertaking Higher National Diplomas (HND) and degrees in Science, Engineering, Medicine and Teaching. The level you might enter would depend on the level and relevance of your other qualifications

POOL LIFEGUARDING

East Renfrewshire Culture and Leisure SCQF Level 5 – Open to S5/6 Pupils

COURSE OUTLINE

The National Pool Lifeguard Qualification is the most widely recognised lifeguard qualification in the UK & Ireland and is a requirement for most lifeguarding jobs in the country. East Renfrewshire Culture and Leisure will provide you with the opportunity to develop the knowledge and practical skills to work as a pool lifeguard and administer first aid as required, including cardiopulmonary resuscitation (CPR), automatic external defibrillator (AED) and pool related rescue equipment.

ATTENDANCE PATTERN

Two week block attendance (1st to 11th April - all day)

PUPIL ELIGIBILITY

You must:

- Be 16 years of age at the start of the course
- Be able to meet the following criteria:
 - jump/dive into deep water
 - swim 50 metres in less than 60 seconds
 - swim 100 metres continuously on front and back in deep water
 - tread water for 30 seconds
 - surface dive to the floor of the pool
 - climb out unaided without ladder/steps and where the pool design permits

QUALIFICATION BREAKDOWN

IQL Level 2 Award in Pool Lifeguarding, Intervention, Supervision and Rescue SCQF Level 5

- The Lifeguard and the Law, Swimming Pool Supervision
- Intervention and Rescue and Emergency Action Plans
- Cardiopulmonary Resuscitation, AED and First Aid

Please note, this course is physically demanding and will include swimming to set times, lifting casualties and diving in to the deepest part of the swimming pool.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Employment as a Swimming pool attendant, recreation assistant, or beach lifeguard
- Scottish Vocational Qualification (SVQ) in Sport and Recreation
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond

POWERING THE FUTURE

Open to S6 pupils only

You will develop enhanced skills and abilities by taking on real world sustainability challenges, collaborating on a solution and presenting it to a live panel of industry judges.

Participants benefit from gaining an SCQF level 6 qualification as well as the support offered by businesses and our community of volunteers.

Help to open a world of opportunities through engagement with local, regional and national businesses, and exposure to real-world business challenges.

You will develop the critical meta-skills that employers are looking for.

Gain a valuable SCQF level 6 qualification that will help them progress to a positive destination.

PRACTICAL ELECTRONICS

Glasgow Clyde College – Cardonald Campus SCQF Level 5 – Open to S5/6 Pupils

COURSE OUTLINE

The National 5 Practical Electronics course will provide you with the opportunity to complete practical projects and investigative tasks. You will gain a broad practical introduction to electronics and a solid foundation for further study or a career in electronics, electrical engineering and related disciplines. You will develop knowledge and understanding of key concepts in electronics and apply these in a range of contexts. In addition, you will learn a range of practical skills in electronics, including skills in analysis, problem-solving, design skills, the safe use of tools and equipment, and evaluating products and systems. The Practical Electronics course provides a valuable complementary practical experience if you are already studying engineering science, physics or other science courses.

ATTENDANCE PATTERN

Tuesday and Thursday afternoons (1.30pm to 4pm).
The duration of the course is August to April.

PUPIL ELIGIBILITY

You must have:

- National 5 Maths and English

QUALIFICATION BREAKDOWN

National 5 Practical Electronics SCQF Level 5:

- Circuit Design
- Circuit Simulation
- Circuit Construction

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- National Certificate (NC) Level 6 in Practical Electronics
- Higher National Diploma (HND) Electronics

The level you might enter would depend on the level and relevance of your other qualifications

- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

WHAT ARE A FEW OF THE META SKILLS I WILL DEVELOP?

Critical Thinking

- Deconstruction
- Logical Thinking
- Judgement
- Computational Thinking

Focusing

- Sorting
- Attention
- Filtering

Leading

- Inspiring Others
- Influencing
- Motivating Others
- Developing Others
- Change Catalyst

PROFESSIONAL COOKERY

City of Glasgow College – City Campus SCQF Level 4 – Open to S5/6 Pupils

COURSE OUTLINE

The National Progression Award (NPA) in Professional Cookery will provide you with the opportunity to develop basic practical skills necessary to work in the catering industry. You will learn skills in professional cookery, whilst working in the training kitchens within the Hospitality department. You will be preparing and presenting food in a realistic working environment throughout the academic year.

ATTENDANCE PATTERN

Tuesday and Thursday afternoons (1.30pm to 4pm).
The duration of the course is August to April.

Please note, you will travel home independently by bus or train from the City of Glasgow College. Please refer to the Scottish Government free travel for young people under 22.

PUPIL ELIGIBILITY

You should have:

- An interest in professional cookery as this is a practical course with participants learning to cook in a commercial kitchen
- National 4 English

QUALIFICATION BREAKDOWN

National Progression Award in Professional Cookery SCQF Level 4:

- Craft Baking: An Introduction
- Food Preparation Techniques: An Introduction
- Cookery Processes: An Introduction
- Food Hygiene for the Hospitality Industry
- Organisation of Practice Skills (OPS)

Please note: you will be handling meat and dairy products.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- A full time National Certificate (NQ Level 5) in Professional Cookery
- Group Award – Bakery SCQF Level 4
- A Modern Apprenticeship in the hospitality industry, leading to a relevant Scottish Vocational Qualification (SVQ) Levels 2 and 3. You would normally train on the job or off the job at college, restaurant kitchen, professional catering kitchen or training centre. Apprenticeships usually last for two or three years

You will need to be 18 years of age or older for some of the jobs in this sector

- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond

PROFESSIONAL THEATRE PREPARATION

Glasgow Clyde College - Langside Campus SCQF Level 6 – Open to S5/6 Pupils

COURSE OUTLINE

The National Progression Award (NPA) in Professional Theatre Preparation offers you the opportunity to develop your skills in acting. This course will provide the knowledge and skills and resources that may be called upon when preparing for interviews and auditions, for entry to drama courses and/or the theatre or performing arts profession.

ATTENDANCE PATTERN

Tuesday & Thursday (1.30pm to 4pm).
The duration of the course is August to April.

PUPIL ELIGIBILITY

You must be working towards or have:

- Previous experience of drama, theatre groups, acting clubs, Higher Drama or equivalent
- English National 5

QUALIFICATION BREAKDOWN

National Progression Award in Professional Theatre Preparation SCQF Level 6:

- Preparation for Audition
- Drama: Acting Skills
- Creative Project

There is one mandatory unit, Preparation for Audition, which will prepare you for the audition process through developing a broad overview of the types of work available within the performing arts sector and preparing for, performing and evaluating your own audition performance. You will then work on the specific practical skill of acting. This course is highly practical in nature.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

Upon successful completion and subject to attendance, effort and commitment you will be offered an Unconditional place within Glasgow Clyde College on one of the following courses. The level you might enter would depend on the level and relevance of your other qualifications.

- National Certificate (NC) Drama
- Higher National Certificate/Diploma (HNC/HND) Drama

You might also go on to:

- Employment opportunities after training such as, lighting technician, actor, prop maker, scenic artist, set designer, stage manager, stagehand, or wardrobe assistant
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

WHAT ARE A FEW OF THE META SKILLS I WILL DEVELOP?

Critical Thinking

- Deconstruction
- Logical Thinking
- Judgement
- Computational Thinking

Focusing

- Sorting
- Attention
- Filtering

Leading

- Inspiring Others
- Influencing
- Motivating Others
- Developing Others
- Change Catalyst

Glasgow Clyde College – Langside Campus SCQF Level 7 – Open to S6 Pupils

COURSE OUTLINE

Glasgow Clyde College will provide you with the opportunity to gain a Personal Development Award in Psychology. The Psychology award aims to provide you with an understanding of psychology and will look at the historical development of psychology since the 19th Century. The major schools of thought that have influenced the development of psychology will be considered (behaviourist, cognitive, psychoanalytic and biological) as well as the contributions of famous psychologists.

ATTENDANCE PATTERN

Tuesday and Thursday afternoons (1.30pm to 4pm).
The duration of the course is August until April.

PUPIL ELIGIBILITY

You must have:

- Higher English at A or B level

QUALIFICATION BREAKDOWN

Personal Development Award in Psychology SCQF Level 7

- History and Development of Psychology
- Explanation and Research of Psychological Topics

This course is demanding in terms of written work, study at home and group work.

WHAT ARE A FEW OF THE META SKILLS I WILL DEVELOP?

Critical Thinking

- Deconstruction
- Logical Thinking
- Judgement
- Computational Thinking

Focusing

- Sorting
- Attention
- Filtering

Leading

- Inspiring Others
- Influencing
- Motivating Others
- Developing Others
- Change Catalyst

COURSE ASSESSMENT

The course will be assessed in a variety of ways including an essay response, a closed book assessment and a research assignment. The purpose of the assignment is to assess research and communication skills appropriate to psychology. Small groups will choose to investigate a relevant research topic, design the research method, conduct the research and then write a report using a standardised format. Each individual will write their own report.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Full time higher education course in social science at college or university degree courses in psychology, neuropsychology, arts, social sciences, sciences, criminology or business studies. The level you might enter would depend on the level and relevance of your other qualifications
- Employment in psychology, social sciences, sciences, criminology or business

Further information on psychology and the prospects it offers can also be found at www.bps.org.uk

- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

RADIO AND BROADCASTING

City of Glasgow College – City Campus SCQF Level 5 – *Open to S5/6 Pupils*

COURSE OUTLINE

The National Progression Award in Radio and Broadcasting provides you with the opportunity to explore the skills in radio and podcasting production. You will develop skills in programme development, preparing content for online and broadcast distribution and microphone presentation skills. Working collaboratively, you will create podcasts and programmes that showcase your skills and detail your experience.

ATTENDANCE PATTERN

Tuesday and Thursday afternoons (1:30pm to 4pm).
The duration of the course is August to April.

Please note, you will travel home independently by bus or train from the City of Glasgow College. Please refer to the Scottish Government free travel for young people under 22.

PUPIL ELIGIBILITY

You must have:

- English National 5
- A genuine interest in Radio or Podcast Production

QUALIFICATION BREAKDOWN

**National Progression Award in Radio and Broadcasting
SCQF Level 5:**

- Media: Radio Journalism
- Media: Radio Interviewing
- Media: Presenting for Radio and Television
- Media: Making a Radio Programme

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- A full time higher education course, such as a Higher National Certificate (HNC), Higher National Diploma (HND) or degree, in Radio Broadcasting, Creative Industries or Media & Communication. The level you might enter would depend on the level and relevance of your other qualifications
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

REFEREEING

Professional Development Award (SCQF Level 7)

COURSE OUTLINE

This course is run in conjunction with the Scottish Football Association. It allows students with an interest in football to gain a qualification which enables them to begin refereeing games and gain employment as a football referee. It is a theory based course about the rules and laws of the game but also takes into account the levels of fitness required and the training which must be incorporated to achieve peak performance when in control of a match. Assessment is by means of fitness tests, performance while refereeing and via an exam about the rules of the game.

PUPIL ELIGIBILITY

Students would normally be expected to have attained:

- Candidates require to have a high degree of fitness, in order to pass fitness tests set by the S.F.A.
- National 5 PE course award

QUALIFICATION BREAKDOWN

- Identify and interpret the Laws of the Game
- Identify and analyse the formal controls and procedures used in a football match.
- Produce misconduct and match reports in both formal letter and pro forma styles.
- Achieve the fitness standard required by the Scottish FA.
- Referee a football match using formal controls and procedures as defined in the Laws of the Game.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

On completion of the course you will be able to begin a career in refereeing and have the opportunity to progress from grassroots to the professional game. The opportunity to generate income from refereeing games is available immediately after you become registered with your local referee association. Candidates will be given a one year free membership to the Glasgow Referee Association to get you started. You will also be able to train on a weekly basis with some of the elite referees in Scotland and attend monthly coaching meetings to continue to improve your knowledge and ability as a referee.

Higher (SCQF Level 6)

COURSE OUTLINE

Higher RMPS is a one year course for students wishing to further explore religious, moral and philosophical ideas. The Higher RMPS course teaches a range of content and skills that are highly relevant in the ever-changing multicultural society in which we live. Higher RMPS is a growing subject in Scotland and is recognised by universities as an excellent entrance qualification.

As part of the higher course you will examine religious ideas and practices, moral issues and dilemmas and some of life's big questions. You will have the opportunity to engage in lively, stimulating and challenging discussion on a range of RMPS topics.

PUPIL ELIGIBILITY

- There are no formal entry requirements to pursue this course. However, it is expected that you will have demonstrated good progress in RMPS in S4

QUALIFICATION BREAKDOWN

Higher Religious, Moral and Philosophical Studies

SCQF level 6:

- World Religion
- Morality and Belief
- Religious & Philosophical Questions

COURSE ASSIGNMENT

The assignment gives you the opportunity to investigate a religious, moral or philosophical question in greater depth.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Higher courses at college or university degree courses in Philosophy, Law, Medicine, Journalism, Literature, Media and Social Sciences.

The level you might enter would depend on the level and relevance of your other qualifications

SCOTTISH STUDIES

National 5 (SCQF Level 5)

COURSE OUTLINE

The Scottish Studies Award provides you with the opportunity to develop your knowledge and understanding of Scotland, its people, languages (such as Scots and Gaelic), society, culture, natural environment and heritage. The course may be of particular interest to you as you live and study in Scotland, as it will broaden your understanding and appreciation of the society in which we live. In addition, the course will provide you with the opportunity to reflect on, and build, your own sense of identity as a resident of Scotland and the wider world.

PUPIL ELIGIBILITY

You should have:

- an interest in Scottish heritage and culture

QUALIFICATION BREAKDOWN

National 5 Scottish Studies SCQF Level 5: Mandatory Unit:

- Scottish Studies: Scotland in Focus

You will study three optional Units such as:

- Language and Literature
- Society and Environment
- Arts and Culture
- Business, Industry and Employment

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- Employment in the Scottish tourism sector
- Further study of Scotland's heritage and language

SET DESIGN AND CONSTRUCTION FOR TELEVISION

City of Glasgow College – City Campus SCQF Level 6 – Open to S5/6 Pupils

COURSE OUTLINE

The Set Design and Construction for Television course will provide you with the opportunity to develop a comprehensive range of skills in the process of design, construction and eventual siting of a set within the City of Glasgow College state-of-the-art television studios where it will be used as part of a student film project. You will discover how to design a television set. You will learn how to interpret and produce scale plans, before using relevant tools, materials and decorative techniques to build a scale model of the set and you will become familiar with industry health and safety standards. This course will be supplemented by visits from industry professionals and opportunities to visit television studios and production facilities.

ATTENDANCE PATTERN

Tuesday & Thursday afternoons (1.30pm to 4pm).
The duration of the course is August to April.

Please note, you will travel home independently by bus or train from the City of Glasgow College. Please refer to the Scottish Government free travel for young people under 22.

PUPIL ELIGIBILITY

You must have:

- National 5 English and an Art or Craft/Design subject
- a genuine interest in the design, film or television Industry

QUALIFICATION BREAKDOWN

Please note, you will be studying 2 units at SCQF Level 6, this is not a Group Award:

- Technical Theatre: Set Construction and Painting
- Theatre Stage Model Set Construction

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- A full time higher education course, such as a Higher National Certificate (HNC), Higher National Diploma (HND) or degree, in Model Making for T.V. & Film, Product Design, Furniture Design and Furniture Craftsmanship, related area of study. The level you might enter would depend on the level and relevance of your other qualifications
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

SOCIAL SERVICES CHILDREN AND YOUNG PEOPLE – FOUNDATION APPRENTICESHIP

City of Glasgow College or Glasgow Clyde College SCQF Level 6 – Open to S6 Pupils

COURSE OUTLINE

The aim of the Foundation Apprenticeship is to provide you with the opportunity to gain skills and knowledge of the Social Services and Children and Young People sector. You will learn more about workplace practices including industry specific skills.

ATTENDANCE PATTERN

City of Glasgow College: Tuesday and Thursday all day (9:30am to 4pm). Please note, that unlike other options, this course requires continuous attendance from August to June and may impact on other subjects attendance. In addition, you will travel independently by bus or train.

Glasgow Clyde College: You will attend college on Tuesday and Thursday afternoon from 13:30 – 16:00. During this course, you will be required to do a 3-week block placement in June and potentially commit to additional work placement time as required (this will be discussed with your school to best fit with your timetable and current studies). Please note, you will travel independently by bus or train when participating in your work placement.

PUPIL ELIGIBILITY

Pupils who plan to leave school at the end of S6 with minimum of 1 or more Highers incl. English and National 5's. Essential criteria as follows:

- National 5 English
- Achieved or working towards Higher English (A-C) by end of S6
- an interest in working with children
- voluntary experience working children, would be an advantage

A short personal statement on why you want to study a Foundation Apprenticeship is required.

Please note: all pupils are required to be checked by Disclosure Scotland as part of the Protecting Vulnerable Groups Scheme (PVG Scheme)

QUALIFICATION BREAKDOWN

Foundation Apprenticeship in Social Services Children and Young People GL7A 46:

Part of SVQ Level 2 in Social Services (Children and Young People)

- Support effective communication
- Support the health and safety of yourself and individuals
- Develop your own knowledge and practice
- Support the safeguarding of children

National Progression Award (NPA) in Social Services (Children and Young People)

- Safeguarding of Children and Young People
- Play for Children and Young People
- Communication with Children and Young People
- Development of Children and Young People
- Promote the Wellbeing and Safety of Children and Young People

A Foundation Apprenticeship is a work based learning apprenticeship, where you are expected to attend work placements either physically or remotely including work shadowing, industry talks, industry visits and work related training.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

You might go on to do:

- A Modern Apprenticeship in Childcare or Early Years Care and Education, leading to a Scottish Vocational Qualification (SVQ) Levels 2 to 4 in Social Services: Children and Young People
- A full time higher education course, such as a Higher National Certificate (HNC), Higher National Diploma (HND) or degree. The level you might enter would depend on the level and relevance of your other qualifications.
- Skills Development Scotland professionally qualified careers advisers are available in school to support young people with making key career decisions as they progress through school, and beyond.

SOFTWARE DEVELOPMENT – FOUNDATION APPRENTICESHIP

Glasgow Clyde College – Langside Campus SCQF Level 6 – Open to S6 for 1 Year Model

COURSE OUTLINE

The aim of the Foundation Apprenticeship is to introduce you to software development roles within this sector and how software skills are utilised in the workplace.

ATTENDANCE PATTERN

You will attend college on Tuesday and Thursday afternoon from 1:30pm – 4:00pm. During this course, you will be required to do a 3-week block placement in June and potentially commit to additional work placement time as required (this will be discussed with your school to best fit with your timetable and current studies). Please note, you will travel independently by bus or train when participating in your work placement.

PUPIL ELIGIBILITY

Pupils who plan to leave school at the end of S6 with minimum of 1 or more Highers in relevant subject areas and National 5's. Essential criteria as follows:

- Achieved or working towards Higher Maths (A-C) by end of S6

QUALIFICATION BREAKDOWN

**Foundation Apprenticeship in ICT Software GL54 46
Diploma for IT & Telecommunications Professionals**

- Personal Effectiveness
- Health and Safety in IT & Telecom
- Investigating and Defining Customer Requirements for IT & Telecoms Systems
- Data Modelling

- Attention
- Filtering

Leading

- Inspiring Others
- Influencing
- Motivating Others
- Developing Others
- Change Catalyst

SPORTS DEVELOPMENT

National Progression Award (SCQF Level 6)

COURSE OUTLINE

This National Progression Award course allows students with an interest in physical activities to apply skills in a coaching context. Students assist in our associated Primary Schools, supporting the delivery of PE lessons and after school clubs. The course is assessed via a project and internal assessments which look at the skills of organising and delivering coaching sessions.

These courses will allow S6 pupils who have successfully achieved Higher PE in S5 the opportunity to gain further qualifications in the field of PE and Sport. It would also provide S5 pupils the opportunity to study a different type of PE course than the National 4 or 5 course completed in S4.

PUPIL ELIGIBILITY

Students would normally be expected to have attained:

- A National 5 PE course award

CONTENTS COVERED

- Unit 1 Activity and participation opportunities in the community
- Unit 2 Investigate activity development opportunities in an organisation

UNDERSTANDING SPORTS DEVELOPMENT

Learners will look at roles and responsibilities within the community related to sports development and will investigate the wider benefits of participation to the community. Using this knowledge they will complete a 1000 word assignment.

WHAT OPPORTUNITIES WILL BE AVAILABLE TO ME WHEN I FINISH?

On successful completion of the Course, some learners may wish to pursue further study and/or career options related to physical education, such as Higher National Diplomas in sports science, sports coaching or health and fitness, or degrees in areas such as physical education, physical activity and health, sport and exercise science, health and fitness, physiotherapy and primary education.

TELEVISION PRODUCTION

Glasgow Clyde College Cardonald Campus or City of Glasgow College – City Campus SCQF Level 6 – Open to S5/6 Pupils

COURSE OUTLINE

The National Progression Award (NPA) in Television Production will provide you with the opportunity to learn about movies and media. The course will offer you the knowledge and practical skills needed to gain an understanding of what is required in the film industry while also exploring how they're made. As part of the course, you'll work on a group project where you'll plan, create, and complete your own film idea and learning how to work as a team. Using professional equipment and techniques, you will learn hands-on film-making skills and the responsibilities of those involved in the process.

ATTENDANCE PATTERN

Tuesday & Thursday afternoons (1.30pm to 4pm).
The duration of the course is August to April.

Please note, you will travel home independently by bus or train from the City of Glasgow College. Please refer to the Scottish Government free travel for young people under 22.

PUPIL ELIGIBILITY

You must have:

- English National 4
- 3 other subjects at National 4
- A genuine interest in television industry

UP IN THE AIR AND ON THE GROUND

City of Glasgow College – City Campus SCQF Level 4/5 – Open to S5/6 Pupils

COURSE OUTLINE

This exciting collaborative course brings together the sectors of Travel, Events and Hospitality in an innovative and inspirational way. Learning within the City of Glasgow College simulated aircraft cabin and purpose-built airline check-in desks, you will gain knowledge of the aviation industry and practise the skills required to work as member of the cabin crew. You will explore different types of airport check-in work, following the customer journey through the airport, from check-in to security to boarding the aircraft for their flight. You will develop a range of food and drink service skills; barista training to providing food and drinks service at your own events. You will explore a wide variety of beverages such as speciality coffee/ teas, mocktails, bubble teas and other on trend drinks. In addition, you will be introduced to the skills and knowledge necessary for effective events management. Working collaboratively, you will plan, organise and stage an event within the City of Glasgow College training restaurants Scholars and City Bistro.

ATTENDANCE PATTERN

Tuesday & Thursday afternoons (1.30pm to 4pm).

The duration of the course is August to April.

Please note, you will travel home independently by bus or train from the City of Glasgow College. Please refer to the Scottish Government free travel for young people under 22.
