**Getting It Right For Every Child**  
**Thursday 10<sup>th</sup> December - Resilience and Positive Psychology**

Dear Parent/Carer

You are invited to a Cluster Parents' ASN Forum, which has been arranged for Thursday 10th December from 1:45pm until 2:45pm in Netherlee Primary. The focus of the Forum is Resilience and Positive Psychology, including Mindfulness and sharing supportive strategies to develop the resilience of our pupils. Parents from Busby Carolside, Netherlee Primaries and Williamwood High School are all invited to attend, apologies for such late notice.

Mr Chris Atherton (Senior Educational Psychologist) will be leading the Forum with support. There will be time at the end of the session to ask questions in relation to resilience. We hope the Forum will provide an opportunity for parents to chat about the discussion topic in a relaxed and informative setting. Tea and coffee will be provided.

Please return the tear off slip below or call the school office if you can attend. If you have any questions in relation to this Forum please call your child's school for clarification.

Yours sincerely

Williamwood Cluster ASN Group
