International Week

Dear Parents and Carers

Busby Primary are delighted to announce our first International Week which will take place from **Monday 12th November until Friday 16th November**. As part of this celebration we will also be holding a family learning event on the evening of **Thursday 15th November from 6.15pm-8.15pm**. We hope that you will be able to join us at this fun event, where you will have the opportunity to participate in three workshops which will have a multi-cultural focus. Further details about the evening event will be sent out soon with information about the workshops planned, and you will be given the option to sign up to these in advance.

We are also hoping to encourage parents to become actively involved in the learning of our pupils by volunteering to support them in class during International Week or being part of our family evening. We are looking for volunteers to share their knowledge and skills with the children which will in turn help our pupils to understand, value and celebrate diversity.

Parents/Carers can do this in a range of ways, and some suggestions are below.

- Demonstrating Mehndi Henna designs
- Cooking traditional dishes
- Sharing experiences of living in/growing up in a different country
- Teaching traditional games, dances, songs
- Sharing knowledge of particular customs, places of interest and traditional dress

I am also sure there will be many other ways parents could support this event and we would be happy to hear any ideas you may have.

Please complete the tear off slip below or use the link to save printing to indicate if you are able to help during International Week. If you are unable to become involved in this way, please remember you will be more than welcome to attend and participate in the workshops on offer on the 15th November.
