Dear Parent/Carer

### Bikeability Level 2 - Cycle Training

Many thanks for completing the permission slip allowing your child to participate in this year's bikeability training, if you have still to return this please do so or your child will not be permitted to participate. I have liaised with our associated trainer and the sessions have been planned for the mornings of the following dates;

#### Initial Playground Sessions

Thursday 18<sup>th</sup> April  
Thursday 25<sup>th</sup> April  
Thursday 2<sup>nd</sup> May

#### On Road Sessions

Thursday 9<sup>th</sup> May  
Thursday 16<sup>th</sup> May  
Thursday 23<sup>rd</sup> May  
Thursday 30<sup>th</sup> May

A copy of the Risk Assessed Junctions was sent with the previous letter.

On each of the dates above, pupils should bring their bike to school and padlock it into one of the many bike racks at school. They should also bring suitable outdoor clothing to allow the sessions to be completed in the event of inclement weather. In order to participate, the pupils will also require to have a cycle helmet with them each week.

We look forward to leading the pupils through this training, teaching them the key skills to keep them safe on their bikes. Should you have any questions about bikeability, or the training, please do not hesitate to contact me at the school.

Yours sincerely
