

East Renfrewshire Culture and Leisure looking for children from ages 5 to 12 who may be looking for free swimming lessons to put their name down on the list we have at Barrhead Foundry. You do not need to be in swimming lessons at the moment.

These free lessons will be taught by probationary teachers, hoping to pass their swimming qualification and become qualified swimming instructors and gain employment with ERCLT.

The dates of these free lessons are as per the attached sheet. If you are interested in any days or times, please contact Barrhead Foundry or pop in and add the child's name to the list.

Your help in this is greatly appreciated.
