

OPEN DAY

Saturday 7 September 2019

Carlibar Primary School, Barrhead Road, 10am - 1pm

Find out more about your nursery and childminding options

From August 2020, the Scottish Government is increasing the number of funded hours your child can get in Early Learning and Childcare from 600 hours to 1,140 hours a year, giving you more choice on when and where you use it. The increase in funded hours will be available to all three and four year olds and some two year olds.

So join us to find out more about what this means for you – and also enjoy fun activities and refreshments.

Staff from East Renfrewshire Council and all our funded providers, including nurseries and childminders, will be on hand to give you lots of information about which setting could best suit the needs of you, your child and your family.
