

BUSBY SWAP SHOP

Following the success of our Uniform Swap Shop, we are keen to keep this opportunity open this session. At the moment we have some uniform pieces in school and these can be accessed at any time through the school office. However, our Parent Council have kindly offered to run additional open sessions at some of the school events over the course of the year. During the Parent Meetings in October, some volunteers from the Parent Council will be hosting the Uniform Swap Shop in the Gym Hall. Please pop along and see if you can pick up any extra pieces that you may need. Remember, although it is called a swap shop, you don't need to donate anything in order to take away an item of uniform. However, we do rely on donations of old school uniform to make this a success. So if you have any uniform items that are too small for your children, please send them into school. These items need to be in good condition, and have been washed and dried before they are donated. We will also take donations of Wellie Boots, Winter Jackets, Gym Shoes and Gym Kit and school bags in good condition. If you have any other items that you feel might be of use but are uncertain, please just ask at the school office who are happy to advise.

Thank you again for your continued support with this fantastic community venture. I know lots of families have already benefited from the generosity of others, and our Eco Committee are also happy we are doing our part for reusing and recycling fabrics and reducing waste.
