

Busby Primary School

**Let us Help You to Help Your Child**

Thank you to everyone who responded to our survey, asking for ways in which we can help you to support your child's learning at home!

Our first Parent Workshop will take place on **Thursday 31<sup>st</sup> October** and will focus on **division strategies** and how these are taught in school. All parents/carers are invited to attend as the session will cater for all learners at different stages in school.

**Two 30 minute workshop sessions will be held:**

**Session 1 at 9.15am**

**Session 2 at 3.15pm**

Please note that these sessions are for adults only; the aim of the session is to provide you with strategies to help your child at home and to increase confidence in working with the methods that are taught in school. We appreciate that childcare can be difficult and will therefore also have games and activities should you need to bring children with you to these events.

We understand, from feedback, that sessions at different times would be helpful and we are aiming to facilitate this with our parent workshops. A family learning event on Literacy and Numeracy is planned for 5<sup>th</sup> December, and the division session will be repeated on this evening for anyone unable to make the times above.

We look forward to seeing you at our workshops. Should you have any questions about the event, please contact me at the school at any time.

Yours sincerely,

Mrs. Houston

Principal Teacher
