

# We are hiring

If you're looking for flexible employment that fits round family life, then work as a Home Care re-ablement worker in East Renfrewshire could be for you.

Home care workers are the heart of our community, supporting residents to remain at home and to live as independently as possible.

If you are caring, empathetic, patient, dedicated and conscientious, then we want to hear from you.

As well as flexible working options to fit around family life, we also offer excellent training, admirable terms and conditions including pension benefits, enhanced hourly rates for unsociable hours and development opportunities.

Please call us on 0141 800 7182 and ask to speak to a Home Care manager, who will be happy to discuss the opportunities we have to offer.

We look forward to your call.
