

Busby Primary
Scots Language Festival 2020

Dear Parents/ Carers,

In response to family feedback from last year, we would like to try different ways in which we celebrate Scots language and culture this session. Our Scots Language Festival will run for one week from **Wednesday 22nd- Wednesday 29th January**.

Each class will be gifted a surprise box on **Wednesday 22nd January**, containing stimuli appropriate to the age and stage of the children in terms of content and length. The idea is that the children will investigate the contents of the box together with the teacher; exploring the learning context and a variety of Scots language and different aspects of Scots culture.

We hope that the children will enjoy exploring Scots language in this way and that it provides an interesting stimulus for learning during this week and will be able to share some of this learning at home with you. We would appreciate any feedback you have following the events next week.

Please look out for individual class blogs as well as our Twitter feed @BusbyPrimary as the children will also share their learning experiences there.

Kind regards.

Pauline Houston,

Principal Teacher.
