

Busby Parent Support Group Meeting

Monday 24th Feb 2020 @ 14:00

Busby Nursery Parents Group - <https://www.facebook.com/groups/2240405602904814/>

*Attendees : Jackie Toman (PT), Mrs Boyce, Laura Brookman (Chair),
Patricia Anderson (Treasurer),*

Daffodil Tea – NPG will publish poster on Facebook for donations and helpers. The nursery would appreciate baking donations in the night before. There is no service this time so they will have limited time to prepare the gym hall. Mrs Toman has sent out letters into local businesses for donations.

At the event, children will come in to sing a song, likely 2 groups at a time then tea/coffees served after. Children who do not attend nursery on a Thurs can join in with their group if they want or can sit and watch. Tickets will be issued, 1 per family

Smartie Tubes – We will organise these as no other ideas planned. This money goes towards funding the ties for those moving up to school. Patricia to get the label templates from school office. We will look to add the parent group Facebook link on these.

Cheque Signatories – Gina and Patricia going to bank on Friday to have Gina added.

Meeting Times – we took a poll on Facebook for preferred times for meeting times. Fri mornings were the most popular followed by Mon mornings so will aim to hold future meetings at these times.

We are in desperate need of new members to keep the group running as 4 of the current committee will not have nursery children after this year. Ideas needed to introduce/recruit more members. Nursery will help by sharing the FB page link in Thursday bundle

Beat The Street - Parent Council are hosting a Spring Event on 28th March. This will replace the Spring Fayre. Less of a fundraiser, more of an incentive to boost our points. Nursery could host a stall as there will be a 1-hr walk planned, then time in the playground for tomobolas and soak-the-teacher.

End of term event. Laura will start planning when/where and who we might invite to host.

White Cart Night – Patricia will put out a message to see if this is something to go ahead with. We will ask the White Cart if we could host a quiz, and if they have someone who could provide for us. Otherwise start looking for a quizmaster.....

Nursery Photographs. Jane Henderson selected and nursery just trying to arrange dates – trying for end of March. Laura to ask Mairi Watson about this from last event to see if family shoot is available.

Travelling Ted – Coming soon. Nursery still looking for (washed) Teddy Bears.

Logo – The nursery children have helped to create a banner that we can use as a logo for our page, headers etc..... Mrs Toman to share with Laura.

Next meeting Date - TBC...
