### **Agenda**

- Welcome and Introductions

*Miss Paisey welcomed the meeting and explained that the eco committee would be co-run by Miss Paisey and Mrs Thomas this year.*

- COP26 Assembly

*The children had all watched the assembly video in their classes and had had purposeful discussions around the SDGs.*

- Climate Change Learning in Class

*Classes shared some of their current climate change learning.*

- *P5 have been working on a Global Storylines project.*
- *P4 have been learning about overfishing.*
- *P6 have been learning about clean energy.*

- Eco Green Flag update

*Miss Paisey explained that the Green Flag was due for renewal in January 2022 and that our three focus areas are still Litter, Global Citizenship and School Grounds.*

*Global Citizenship is being covered by individual class learning and the 'Junior Global Citizens' committee.*

*Miss Paisey is going to lead the Litter section and our first targets will be to write a Litter Policy and consider ways to reduce the playground litter. Maya suggested bringing back a playground competition which was a popular idea.*

*Mrs Thomas will lead the School Grounds area but we might have to wait until Spring to make significant progress with this.*

**The next meeting will be on Tuesday November 23<sup>rd</sup> 2021.**
