- Class charters are all set up. Children have been allocated to evidence these, through photographs using iPads
- We discussed renewing signage around the school for classrooms and displays- Mrs Houston has placed all resources for ease of staff use into a google classroom folder
- We discussed the ERC Cost of the School Day Audit and how we can turn this into an online form for parents and children (P4-7) to complete
- The children would like to create a whole school display and school charter that everyone signs. They liked the idea of a tree with everyone's finger print; committing to the school values and Code of Conduct- we will work with the Junior Global Citizens to create this. The whole school charter should be linked to our school values
