

Leadership

Embed regular opportunities for collaborative working and sharing of good practice among all staff.

Continue to provide opportunities for staff to lead various aspects of the curriculum.

Health and wellbeing

Continue to implement Bounce Back programme in order to develop children's resilience.

Continue working positively with our families in order to achieve our Family Friendly gold accreditation.

Support the development of children's gross motor skills through regular physical experiences and a movement group.

Provocations for Learning

Continue to embed the Alice Sharp resource in order to develop children's creativity, curiosity and inquiry.

Literacy

Staff to continue to use Hanen principles and deliver learning experiences which support and enrich children's language development.

Develop approaches within the nursery to be validated in Promoting and Nurturing Early Communication and Language.

Outdoor Learning

To implement Virtual Nature approaches to the children's outdoor learning experiences.

Numeracy and mathematics

Continue to provide children with regular Froebelian experiences that develop their mathematical skills i.e. block play, sewing, baking and outdoors.

Our vision is for Calderwood Lodge Nursery Class to be the best nursery for children, families and staff to learn, develop and achieve together.
