

## OUR DIVERSE PLANET

Why not try out some of our Family Learning Challenges during British Science Week. The whole family can work together on the same activity or try their own one...it's up to you. If you want to share these with others you can send them into school on Wednesday 18<sup>th</sup> March or take a picture and Tweet it using #carlibarscienceweek20

<p>Create a poster or booklet that will teach others some facts about the plants and animal life found in one area of the world or a person or group who are trying to conserve an area of the world or one type of animal.</p>	<p><a href="https://naturedetectives.woodlandtrust.org.uk/naturedetectives/activities/2016/03/spring-hunt/">https://naturedetectives.woodlandtrust.org.uk/naturedetectives/activities/2016/03/spring-hunt/</a> Go on a walk in the local community to look for signs of spring and record what you find in whatever way you want.</p>	<p>Create a slogan/logo, banner or mascot to highlight the problems of plastic in our oceans and rivers.</p>
<p><a href="https://naturedetectives.woodlandtrust.org.uk/naturedetectives/activities/2016/03/spring-scavenger-hunt/">https://naturedetectives.woodlandtrust.org.uk/naturedetectives/activities/2016/03/spring-scavenger-hunt/</a> Pop down to the woods, local park, Waterworks or a garden and go on a scavenger hunt – what will you find?</p>	<p>Research an endangered animal or animals and create a song or poem to encourage others to learn about ways of protecting them.</p>	<p>Create a design for a re-useable carrier bag that will encourage people to think about how they can protect the planet.</p>
<p>Create a board game or instructions for an active playground game that teaches children about the oceans, deserts, rainforest or polar regions.</p>	<p>Create a storyboard or characters for a computer game that could be used in schools as a fun way of learning about our diverse planet.</p>	<p>Make up a quiz with 8 questions and answers about our diverse planet that you could try out with your class.</p>
