Welcome

Mr McLachlan was held up at another meeting so Mrs Cartwright welcomed everyone.

Charities

Reps had consulted with classmates on the best way to manage charities in Carolside and the following suggestions were made:

- a different stage could choose a charity each month and decide how to raise money for it
- each stream (a,b,c,d) could be given a period of time in which to support chosen charities
- there could be a charity day on which groups sell things they have made – pupils could bring £2 each and spend it on whichever items they wanted
- each House could support a charity and there could be a reward for the House which raises most
- pupils could vote with tokens to decide which charities should be supported
- groups should fundraise in their own time, outwith school
- there should be two 'Dress As You Please' days throughout the year and pupils should pay £1 to wear their own clothes – or four days at 50p each
- donation amounts/prices should be reduced so that parents have to spend less
- a vote on which charities to support should be held at assembly
- there should be a school charity shop/stall at which different groups can sell items – this could be expanded to an online shop
- there should be a Charity Fayre once a year
- pupils could donate their tuck money on designated days

Date of next meeting Tuesday 15 January 2019, 1.05pm in the Digihub
