

Dear Parent/Carer,

Following the success of our previous International Day celebrations, the children have decided that they would like to extend the focus across several days! As a result, we will be celebrating an International Week which will take place from Monday 11<sup>th</sup> to Friday 15<sup>th</sup> March. In preparation for this week long event, the children have been working with their class teachers to identify a context for learning and have decided upon the following:

Nursery	Landmarks	4A	Arts & Crafts
1A	Flags	4B	Technology
1B	Food	4C	Film & Media
1C	Music & Performance	4D	Food
1D	Festivals	5A	Sports
2A	Arts & Crafts	5B	Film & Media
2B	Food	5C	Technology
2C	Fashion & Textiles	5D	Food
2D	Fashion & Textiles	6A	Film & Media
3A	Arts & Crafts	6B	Food
3B	Fashion & Textiles	6C	World of Work
3C	Landmarks	6D	Animals & Plants
3D	Animals & Plants	7A	Food
		7B	Sports
		7C	Technology
		7D	Transport

As ever, we would like to extend the children's learning by inviting families to share any skills or knowledge they may have in any of the above contexts. This might include helping the children to create international art work, landmarks from around the world or fashion items. Alternatively, this might include sharing knowledge with classes, e.g. sports, architecture, film or technology. It may also include leading a performance or showcase to enable the children to experience different events from around the world, e.g. fashion show, dance or music.

With International Week fast approaching, we kindly ask that expressions of interest be made by **Friday 1<sup>st</sup> March**. From there, the Equality Committee will match up the support offered with classes across the school. We will strive to include as many volunteers as possible.

We would like to invite parents/carers to attend an International Week Showcase of Learning which will take place on Friday 15<sup>th</sup> March – arrangements to follow.

Kind regards,

Carolside Primary Equality Committee
