In addition, the order of events for each year group is also included above. Hopefully you will find this information useful and it will allow you to make the most of spectating during the events. The events will begin at approximately 9.30 am.

There is no parking available at Williamwood High School, the use of the car park will be monitored very closely and our campus cop will be in attendance. In addition there should be no parking on Newford Grove.

We also ask that you avoid parking on both sides of Ashfield Road. This road will be particularly busy due to the volume of pupils leaving Carolside and walking to Williamwood. It is important to prevent any obstacles on the pavement for the pupils, allowing them to walk safely to Sports Day.

Furthermore, Williamwood High School should not be accessed at any point on the day by parents other than the designated class parent helpers due to Sports Day falling within the SQA exam period.

Children can wear shorts, jogging bottoms, trainers and a school polo shirt and jumper to school on Sports Day. They should also have a filled water bottle and small snack to take with them to Williamwood.

Thank you in advance for your assistance with the above information. Please do not hesitate to contact the school if you have any questions regarding this year's Sports Day.

Yours sincerely,

Jacqueline Dunn
