

# Crookfur Primary School

This is our school

**Welcome to Primary One**

Designed by the Class of 2024

# Doors

Our nursery entrance is becoming the primary one and two door. There will always be a staff member at the door. We are not allowed any parents or carers in our building just now so you will need to say goodbye to your adult at the door .

# Cloakroom

You will have your own peg with your name. We hang our jackets and bags here. We also change into our indoor shoes.

There are arrows on the ground to show us which way to move safely around.

# Class Bays

This is where you will learn and play. There are three primary one classes. Each class has their own large bay.

# Toilets

**There are toilets at either end of the primary one learning space. Don't forget to wash your hands!**

# PLAYGROUND

You get to play with your friends,  
and it is very fun and you can  
eat your snack.

# Houses points

The school is split up into four houses.

Fleming   Livingstone   Slessor   Stevenson

There is a competition to see which house can get the most points.

# LUNCHROOM

In the lunchroom you can have a hot lunch, cold lunch or packed lunch. In the morning you order your lunch and you get a coloured band. After you are finished you tidy up your rubbish and put your cup, plate and cutlery away.

# ICT

We have ICT pods where you can work.

There are Chromebooks and laptops that you can use in the classroom.

# Office

The office is where you go if you hurt yourself or don't feel well.

# *Water cooler*

This is where you fill up  
your water bottle.

# Science

In the science room we learn all about science and can do experiments.

# GYM HALL

WE USE THE GYM HALL FOR OUR PE LESSONS.

WE ALSO DO LOTS OF OUR PE OUTDOORS.
