

Crookfur Primary School & Family Centre

18th August 2020

Dear Parent/Carer,

Due to the current restrictions affecting sports clubs, I have created an online sports club which is available to all pupils, P1-P7. The clubs on offer this term are; basketball, football, gymnastics and tennis.

Each club has its own Google Classroom which children can join. There will be four videos posted each week, demonstrating skills for the participants to practise. The four videos posted each week will be colour coded; green, blue, red and black, with green being the least challenging to black being the most challenging so that children can select a video to suit their skill level. There will also be monthly challenges to participate in.

The clubs will commence on Monday 24th August. Pupils will be able to view the videos and comments posted and will be able to upload their own photos/videos and comments relating to how they are progressing with the sports skills. I will oversee all of the comments.

The codes to join the online clubs are below should your child wish to join, they can join as many as they like. If you are unsure of how to join a Google Classroom using a class code there is a guide attached which will explain how to do this.

Basketball - 7dqk214

Football - o45nqff

Tennis - x62htjs

Gymnastics - nhkwvlg

I am keen to encourage as many children as possible to participate in the sports clubs and I have shared the videos with local schools too. I hope that when restrictions are eased, we may be able to organise some fun competitions with the children in other schools who have joined the online clubs.

Please feel free to contact me at the school (SchoolMail@crookfur.e-renfrew.sch.uk, FAO Mr McMillan) if you would like any further information.

Best wishes

Andrew McMillan
